

Connecting Your Fitbit Device to the Walkadoo Program:

1. Register your Fitbit device with the Fitbit website using the instructions in your box.

(If you already did this, proceed to step 2.)

2. Sign up for Wellvolution.

Create a Wellvolution account at www.mywellvolution.com where you can complete an online Well-Being Assessment and access wellness programs such as Walkadoo.

(If you already did this, proceed to step 3 and sign in to your Wellvolution account)

3. Create a new Walkadoo account, or link your existing account to Wellvolution.

(If you already did this, proceed to step 4.)

- **New to Walkadoo?** From Wellvolution click on “Programs,” then on “Walkadoo.” Choose “Create a New Account” and follow the steps on your screen.

~OR~

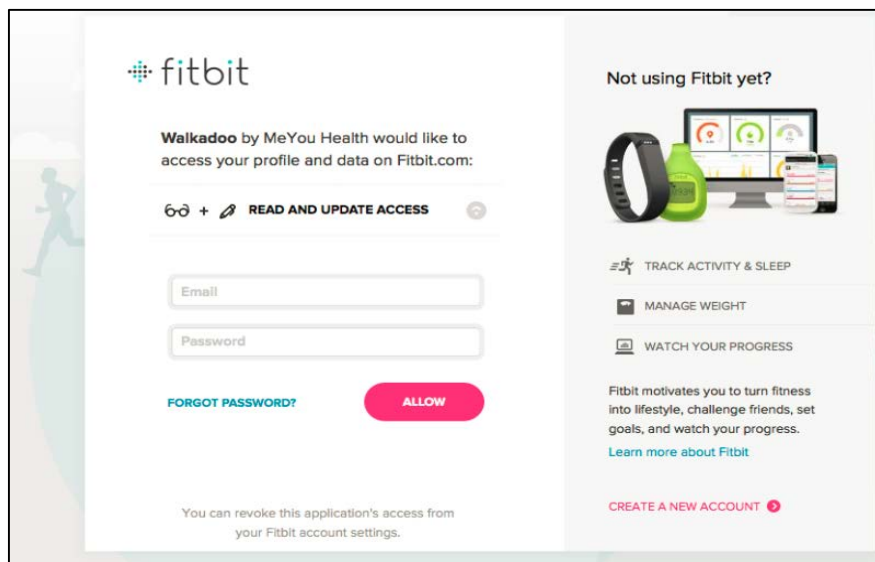

- **Already have a Walkadoo Account before registering for Wellvolution?** To link an existing Walkadoo Account to Wellvolution, from Wellvolution click on “Programs,” then on “Walkadoo,” and sign in using the credentials you previously created.

Almost Done!

- ### 4. Link your Fitbit device to your new or existing Walkadoo account.
- This will authorize Walkadoo to count your device’s step data towards program points and credit. From the Walkadoo website, choose Fitbit in the device list and click “Connect,” then enter the email and password you used to create your Fitbit account on the Fitbit website in step 1, and follow the instructions.

**Happy
Walkadoo-ing!**
