

Request for Placement of an Item on the April Regular Meeting Agenda  
Hand delivered to the Point Arena Schools District Office  
March 25, 2015

Dear Dr. Cross and Mr. Miles,

Under the auspices of the Point Arena Schools Bylaws, BB 9322(a), I am submitting this request for placement of three related items on the agenda of the regular April 6<sup>th</sup> meeting under "Discussion with Possible Action".

My experiences in dealing with the Board about Brown Act infractions have been very frustrating. There has been no satisfactory procedural path. I finally was forced to submit a formal "Cease and Desist" letter. At the March 11 meeting, the Board, under Item 8.12 took action that basically said the Board as a whole will solely consider future Brown Act infraction allegations. Also at the March 11 meeting I received a letter from the Board president that said in part: *"I will endeavor to respond (to your complaints) in the future in person, or in writing, or in a subsequent Board meeting."* Although I did meet with him and another Board member in good faith, our meeting was inconclusive. However, since that meeting, I have listened closely to the recording of the motion passed by the Board at the March 11 meeting and it is clear to me now that the Board voted to deal with this issue as a whole, not as individuals or committees. So in conjunction with the letter of March 11<sup>th</sup> that I received from the Board President and the motion passed under item 8.12 of the March 11<sup>th</sup> meeting, I am making this request to place items on the April 6 agenda in order for me to present:

- a) my current response to the Letters to me from the Board dated February 25,
- b) additional Brown Act violations and
- c) a list of suggested "Cures and Corrections".

I expect the Board will discuss, deliberate, and take appropriate action(s) on each of these related items.

In order to facilitate a fair and timely opportunity for the Board members to consider these topics I will deliver a complete update of the appropriate documents before Friday of this week.

Thank you for your cooperation,

*Allan Jacobs*
