PRESCHOOL/EARLY CHILDHOOD EDUCATION

The Governing Board recognizes that high-quality preschool experiences help children ages 3-4 years to develop knowledge, skills, abilities, and attributes necessary for a successful transition into the elementary education program. Early education programs should provide developmentally appropriate activities in a safe, adequately supervised, and cognitively rich environment.

Collaboration with Community Programs

The Superintendent or designee shall collaborate with the local child care and development planning council, other public agencies, organizations, the county office of education, and/or private preschool providers to assess the availability of preschool programs in the community and the extent to which the community's preschool needs are being met. The Board encourages the development of a comprehensive districtwide and/or countywide plan to increase children's access to high-quality preschool programs.

(cf. 1020 - Youth Services)

(cf. 1400 - Relations Between Other Governmental Agencies and the Schools)

(cf. 1700 - Relations Between Private Industry and the Schools)

(cf. 5148 - Child Care and Development)

The Superintendent or designee shall provide information about preschool options in the community to parents/guardians upon request.

District Preschool Programs

When the Board determines that it is feasible, the district may contract with the California Department of Education (CDE) to provide preschool services in facilities at or near district schools.

The Board shall approve for the district's preschool program a written philosophical statement, goals, and objectives that reflect the cultural and linguistic characteristics of the families to be served and address the program components specified in 5 CCR 18272-18281 and the accompanying administrative regulation. (5 CCR 18271)

The Board shall set priorities for establishing or expanding services as resources become available, giving consideration to the benefits of providing early education programs for at-risk children and/or children residing in the attendance areas of the lowest performing district schools.

(cf. 0520.2 - Title I Program Improvement Schools)

(cf. 6171 - Title I Programs)

PRESCHOOL/EARLY CHILDHOOD EDUCATION

On a case-by-case basis, the Board shall determine whether the district shall directly administer a preschool program or contract with a public or private provider to offer such a program.

Facilities for preschool classrooms shall be addressed in the district's facilities master plan, including an assessment as to whether adequate and appropriate space exists on school sites. As necessary, the Superintendent or designee shall provide information to the Board regarding facilities financing options for preschool classrooms and/or facilities available through partnering organizations or agencies.

- (cf. 1330.1 - Joint Use Agreements)
- (cf. 7110 - Facilities Master Plan)
- (cf. 7210 - Facilities Financing)

Because parents/guardians are essential partners in supporting the development of their children, the Superintendent or designee shall involve them in program planning.

- (cf. 5020 - Parent Rights and Responsibilities)
- (cf. 6020 - Parent Involvement)

The Superintendent or designee shall coordinate planning efforts for the district's preschool program, transitional kindergarten program, and elementary education program to provide a developmental continuum that builds upon children's growing skills and knowledge.

- (cf. 6011 - Academic Standards)
- (cf. 6170.1 - Transitional Kindergarten)

The district's program shall be aligned with preschool learning foundations and curriculum frameworks developed by the CDE which identify the knowledge, skills, and competencies that children typically attain as they complete their first or second year of preschool. The program shall be designed to facilitate children's development in essential skills related to language and literacy, mathematics, physical development, health, visual and performing arts, science, history-social science, English language development, and social-emotional development.

The district's preschool program shall provide appropriate services to support the needs of English learners and children with disabilities.

- (cf. 6164.4 - Identification and Evaluation of Individuals for Special Education)
- (cf. 6174 - Education for English Language Learners)

The district shall encourage volunteerism in the program and shall communicate frequently with parents/guardians of enrolled children regarding their child's progress.

PRESCHOOL/EARLY CHILDHOOD EDUCATION

(cf. 1240 - Volunteer Assistance)

(cf. 4231 - Staff Development)

(cf. 4331 - Staff Development)

Preschool admissions policies and procedures shall be in writing and available to the public. Such policies and procedures shall include criteria designating those children whose needs can be met by the program and services, the ages of children who will be accepted, program activities, any supplementary services provided, any field trip provisions, any transportation arrangements, food service provisions, and a health examination requirement. (CCR 18105; 22 CCR 101218)

The Superintendent or designee shall ensure that subsidized preschool is provided to eligible families to the extent that state and/or federal funding is available and shall establish enrollment priorities in accordance with Education Code 8263 and 5 CCR 18106.

The Superintendent or designee shall recommend strategies to link the district's preschool program with other available child care and development programs in the district or community in order to assist families whose child care needs extend beyond the length of time that the district's part-day preschool program is offered.

PRESCHOOL/EARLY CHILDHOOD EDUCATION

The Superintendent or designee shall develop and implement an annual plan of evaluation which conforms to state requirements. (5 CCR 18279)

The Superintendent or designee shall regularly report to the Board regarding enrollments in district preschool programs and the effectiveness of the programs in preparing preschoolers for transition into the elementary education program.

Eligibility and Enrollment

Children eligible for the district's preschool program include those who will have their third or fourth birthday on or before September 1 of the fiscal year that they are being served. (Education Code 8208, 8235, 8236)

When a child is eligible for both the preschool program and the district's transitional kindergarten program, the family may choose the most appropriate program for the child. In accordance with the enrollment priorities described below, the child may be enrolled in both programs provided that the child is not enrolled in both programs for the same time period on the same day.

(cf. 5111 - Admission)

(cf. 6170.1 - Transitional Kindergarten)

Eligibility for subsidized preschool shall be as follows:

1. Children shall be eligible for subsidized preschool services if their family is a current aid recipient, income eligible, or homeless and/or the family's children are recipients of protective services or have been identified as being, or at risk of being, abused, neglected, or exploited. (Education Code 8235, 8263, 8263.1; 5 CCR 18131, 18134)
2. Children shall be eligible for subsidized wraparound preschool and child care services if their family meets at least one of the criteria specified in item #1 above or needs child care services due to either of the following circumstances: (Education Code 8239, 8263)
 - a. The child is identified by a legal, medical, or social services agency or emergency shelter as a recipient of protective services or as being, or at risk of being, neglected, abused, or exploited.
 - b. The parents/guardians are engaged in vocational training leading directly to a recognized trade, paraprofession, or profession; are employed or seeking employment; are seeking permanent housing for family stability; or are incapacitated.

PRESCHOOL/EARLY CHILDHOOD EDUCATION

The Superintendent or designee shall consult the county's centralized eligibility list, when available, or shall maintain a district waiting list in accordance with admission priorities. As vacancies occur, applicants shall be contacted in order of their priority. (5 CCR 18106)

First priority for enrollment in a preschool program shall be given to neglected or abused children age 3 or 4 years who are recipients of child protective services or who, based upon written referral from a legal, medical, or social service agency, are at risk of being neglected, abused, or exploited. If unable to enroll a child in this category, the district shall refer the child's parent/guardian to local resource and referral services so that services for the child can be located. (Education Code 8236; 5 CCR 18131)

(cf. 1020 - Youth Services)

(cf. 1400 - Relations Between Other Governmental Agencies and the Schools)

(cf. 1700 - Relations Between Private Industry and the Schools)

After all children with first priority are enrolled, the district shall give second priority to eligible children age 4 years who are not enrolled in a transitional kindergarten program prior to enrolling eligible children age 3 years. (Education Code 8236)

After enrolling all eligible children who meet the criteria for subsidized services, up to 10 percent of the program's enrollment, calculated throughout the entire contract, may be filled with children who exceed the age limitations and children whose family income is no more than 15 percent above the income eligibility threshold. (Education Code 8235; 5 CCR 18133)

The district may certify eligibility and enrollment up to 120 calendar days prior to the first day of the beginning of the preschool year. After establishing eligibility at the time of initial enrollment, a child shall remain eligible for the remainder of the program year. (Education Code 8237; 5 CCR 18082)

The district's decision to approve or deny a child's enrollment shall be communicated to the family through a written Notice of Action mailed or delivered within 30 days from the date the application is signed by the parent/guardian. (5 CCR 18094, 18095, 18118)

(cf. 5145.6 - Parental Notifications)

Subsequently, the Superintendent or designee shall mail or deliver a Notice of Action to a parent/guardian at least 14 calendar days before any intended change in services, including, but not limited to, an increase or decrease in fees, an increase or decrease in the amount of services, or termination of services, due to any of the following circumstances: (5 CCR 18095, 18119)

1. A determination during recertification or update of the application that the need or

PRESCHOOL/EARLY CHILDHOOD EDUCATION

eligibility requirements are no longer being met or the fee or amount of service needs to be modified

2. Failure of the parent/guardian to document the family's need or eligibility after the district requested such documentation in writing
3. An indication by the parent/guardian that he/she no longer wants the service
4. The death of a parent/guardian or child

For each child enrolled in the district's preschool program, the Superintendent or designee shall maintain a family data file containing a completed and signed application for services, documentation of income eligibility, and a copy of all Notices of Action. For each child not receiving subsidized services, the family data file shall also include records of the specific reason(s) for enrolling each child, the child's family income, and evidence that the district has made a diligent search for children eligible for subsidized services. (5 CCR 18130, 18133, 18081, 18084)

- (cf. 1340 - Access to District Records)
- (cf. 3580 - District Records)
- (cf. 5125 - Student Records)

Fees and Charges

Fees for participation in the district's preschool program shall be assessed and collected in accordance with the fee schedule established by the Superintendent of Public Instruction. (Education Code 8273, 8273.2; 5 CCR 18078)

- (cf. 3260 - Fees and Charges)

However, no fee shall be charged to an income-eligible family whose child is enrolled in a part-day preschool program, a family that is receiving CalWORKs cash aid, or a family that is otherwise exempted pursuant to Education Code 8273.1. (Education Code 8273.1; 5 CCR 18110)

In addition, any family qualifying for subsidized preschool on the basis of having a child who is a recipient of child protective services, or having a certification by a county child welfare agency that services continue to be necessary, may be exempt from these fees for up to 12 months. Any

PRESCHOOL/EARLY CHILDHOOD EDUCATION

family whose child is receiving subsidized preschool on the basis of being at risk of abuse, neglect, or exploitation may be exempt from these fees for up to three months, unless the family becomes eligible based on receipt of child protective services or certification of need by a county child welfare agency. The cumulative period of exemption for these purposes shall not exceed 12 months. (Education Code 8273.1)

The Superintendent or designee shall establish a process which involves parents/guardians in determining whether to require parents/guardians to provide diapers. This process shall also be used to determine whether and how much to charge parents/guardians for field trip expenses, within the limit specified in law. A child shall not be denied participation in a field trip due to the parent/guardian's inability or refusal to pay the fee, and no adverse action shall be taken against a parent/guardian for that inability or refusal. (Education Code 8273.3)

Disenrollment

When necessary due to a reduction in state reimbursements, families shall be disenrolled in the following order: (Education Code 8236, 8263.3)

1. Children age 3 years whose families have the highest income in relation to family size shall be disenrolled first, followed by children age 4 years whose families have the highest income in relation to family size.

At each age level, if two or more families have the same income ranking, the child with disabilities shall be disenrolled last. If there are no families that have a child with disabilities, the child who has received services the longest shall be disenrolled first.

2. Families of children age 3 or 4 years who are receiving child protective services or who have been documented to be at risk of being neglected, abused, or exploited, regardless of income, shall be disenrolled last.

In that agreement, the parent/guardian shall agree not to hold the district or any district staff responsible for the failure of any technology protection measures or user mistakes or negligence and shall agree to indemnify and hold harmless the district and district staff for any damages or costs incurred.

- (cf. 6162.6 - Use of Copyrighted Materials)

Inappropriate use also may result in disciplinary action and/or legal action in accordance with law and Board policy.

(cf. 5125.2 - Withholding Grades, Diploma or Transcripts)

(cf. 5144 - Discipline)

The Superintendent or designee shall ensure that all district computers with Internet access have a technology protection measure that protects against access to visual depictions that are obscene, child pornography, or harmful to minors and that the operation of such measures is enforced. (20 USC 6777; 47 USC 254; 47 CFR 54.520)

To reinforce these measures, the Superintendent or designee shall implement rules and procedures designed to restrict students' access to harmful or inappropriate matter on the Internet and to ensure that students do not engage in unauthorized or unlawful online activities.

Harmful matter includes matter, taken as a whole, which to the average person, applying contemporary statewide standards, appeals to the prurient interest and is matter which depicts or describes, in a patently offensive way, sexual conduct and which lacks serious literary, artistic, political, or scientific value for minors. STUDENT USE OF TECHNOLOGY**ACCEPTABLE USE AGREEMENT AND RELEASE OF DISTRICT FROM LIABILITY
(STUDENTS)**

The Point Arena Schools District authorizes students to use technology owned or otherwise provided by the district as necessary for instructional purposes. The use of district technology is a privilege permitted at the district's discretion and is subject to the conditions and restrictions set forth in applicable Board policies, administrative regulations, and this Acceptable Use Agreement. The district reserves the right to suspend access at any time, without notice, for any reason.

The district expects all students to use technology responsibly in order to avoid potential problems and liability. The district may place reasonable restrictions on the sites, material, and/or information that students may access through the system.

Each student who is authorized to use district technology and his/her parent/guardian shall sign this Acceptable Use Agreement as an indication that they have read and understand the agreement.

Definitions

District technology includes, but is not limited to, computers, the district's computer network including servers and wireless computer networking technology (wi-fi), the Internet, email, USB drives, wireless access points (routers), tablet computers, smartphones and smart devices, telephones, cellular telephones, personal digital assistants, pagers, MP3 players, wearable technology, any wireless communication device including emergency radios, and/or future technological innovations, whether accessed on or off site or through district-owned or personally owned equipment or devices.

Student Obligations and Responsibilities

Students are expected to use district technology safely, responsibly, and for educational purposes only. The student in whose name district technology is issued is responsible for its proper use at all times. Students shall not share their assigned online services account information, passwords, or other information used for identification and authorization purposes, and shall use the system only under the account to which they have been assigned.

Students are prohibited from using district technology for improper purposes, including, but not limited to, use of district technology to:

1. Access, post, display, or otherwise use material that is discriminatory, libellous, defamatory, obscene, sexually explicit, or disruptive

STUDENT USE OF TECHNOLOGY

2. Bully, harass, intimidate, or threaten other students, staff, or other individuals ("cyberbullying")
3. Disclose, use, or disseminate personal identification information (such as name, address, telephone number, Social Security number, or other personal information) of another student, staff member, or other person with the intent to threaten, intimidate, harass, or ridicule that person
4. Infringe on copyright, license, trademark, patent, or other intellectual property rights
5. Intentionally disrupt or harm district technology or other district operations (such as destroying district equipment, placing a virus on district computers, adding or removing a computer program without permission from a teacher or other district personnel, changing settings on shared computers)
6. Install unauthorized software
7. "Hack" into the system to manipulate data of the district or other users
8. Engage in or promote any practice that is unethical or violates any law or Board policy, administrative regulation, or district practice

Privacy

Since the use of district technology is intended for educational purposes, students shall not have any expectation of privacy in any use of district technology.

The district reserves the right to monitor and record all use of district technology, including, but not limited to, access to the Internet or social media, communications sent or received from district technology, or other uses. Such monitoring/recording may occur at any time without prior notice for any legal purposes including, but not limited to, record retention and distribution and/or investigation of improper, illegal, or prohibited activity. Students should be aware that, in most instances, their use of district technology (such as web searches and emails) cannot be erased or deleted.

All passwords created for or used on any district technology are the sole property of the district. The creation or use of a password by a student on district technology does not create a reasonable expectation of privacy.

Personally Owned Devices

If a student uses a personally owned device to access district technology, he/she shall abide by

STUDENT USE OF TECHNOLOGY

all applicable Board policies, administrative regulations, and this Acceptable Use Agreement. Any such use of a personally owned device may subject the contents of the device and any communications sent or received on the device to disclosure pursuant to a lawful subpoena or public records request.

Students who wish to access the school network, through a personal laptop or other personal electronic devices must register the devices with the school. Each student is limited to one (1) registered device per year.

Reporting

If a student becomes aware of any security problem (such as any compromise of the confidentiality of any login or account information) or misuse of district technology, he/she shall immediately report such information to the teacher or other district personnel.

Consequences for Violation

Violations of the law, Board policy, or this agreement may result in revocation of a student's access to district technology and/or discipline, up to and including suspension or expulsion. In addition, violations of the law, Board policy, or this agreement may be reported to law enforcement agencies as appropriate.

Student Acknowledgment

I have received, read, understand, and agree to abide by this Acceptable Use Agreement and other applicable laws and district policies and regulations governing the use of district technology. I understand that there is no expectation of privacy when using district technology. I further understand that any violation may result in loss of user privileges, disciplinary action, and/or appropriate legal action.
