

March 1, 2016

Dear Mr. Cushenbery,

I am writing to give formal notice that I must resign my position as a teacher at Arena Union Elementary. My last day will be June 10, 2016, the last day of the 2015-2016 school year.

I had envisioned working here for many years, however, my partner and I will be moving out of state this summer due to his career aspirations. It certainly makes me sad to leave such a sweet community of educators, and I would like to thank you for the opportunity to work at AUES. I truly have enjoyed it.

Sincerely,
