Dear Mr. Cushenbery:

Congratulations! I am pleased to advise you that at the September 11, 2015 NCR Underwriting/Member Services Committee Meeting, the Committee approved your Matching Grant Program request up to the eligible amount of \$10,000.00 for reimbursement for Gymnasium Padding at Point Arena Schools. In order to receive reimbursement for this project, the Committee has requested you complete the following Keenan SafeSchools course: Sport Supervision and Safety.

In accordance with the Program Guidelines, to receive a reimbursement check for approved Matching Grant Funds, attach a copy of your purchase invoice(s), payment receipt(s), and certification of the Keenan SafeSchool Course to the Matching Grant Reimbursement Form available on the NCR website. We will be back in touch within 6 months after the project implementation to get a brief qualitative analysis, i.e., how the product or service has reduced or prevented losses, which will assist NCR track the effectiveness of the program.

Thank you for taking the initiative to pursue the benefits of this program, and for helping to make NCR the best risk management solution for northern California schools!
