Point Arena Joint Union Schools District  
45 Lake Street  
Point Arena, California 95468

Dear Mr. Brent Cushenbery,

I write this letter to make known my intentions to resign from my position as math teacher at Point Arena High School effective February 28, 2017.

I would like it to be known that I appreciated the extent of support I received from both school and district leadership. As the slogan for the high school says, my only wish was to make "Point Arena High School the jewel of the North Coast." I would like to think that in a few short months I showed many students that they truly do have an unlimited number of possibilities.

I vacate my position with no ill-will for anyone affiliated with the school. We were all working towards the same goal: meaningful results and successful school learning.

Sincerely,

Danny Huddleston
