Dear Mr. Cushenbery,

It is with great regret that I must tender my letter of resignation to be effective on the last day of this 2016-2017 school year. It has been a pleasure working with the staff and most importantly our students. They are a wonderful bunch of children who have brought me great joy over these past 2 years.

Unfortunately, I have a serious medical condition that has worsened of late and it is therefore no longer safe for me to live in such a remote area.

I wish you great success in the future with our youth.

Sincerely,

Brock Bannister, M.Ed
