Good evening,

After careful consideration and contemplation, I have chosen not to come back 2017-2018 as the librarian for PAHS. I am committing myself in following my passion of healthy eating and am currently in the process of opening up a plant based eatery.

I would like to continue in my role as the college prep advisor with providing test prep, college admissions assistance, scholarship search assistance and college tours. Please let me know if this is feasible.

Thank you,  
Ana Mathis
