Dear Point Arena School District :

I am submitting my resignation as a Special Ed. para-educator at Arena Unified Elementary. I have enjoyed and learned much over my past year here. I Have been working to obtain my teaching credential and have been offered a job to Intern as a teacher in another school district for 2017-2018. However I like to continue working through the extended school year as a special education paraeducator.

My last day as a 7-hour Special Education Paraeducator will be June 21, 2017. I would like my last day as an Special Education Paraeducator for Extend School Year to be July 21,2017.

I wish the District and all its employees much success in coming years.

Sincerely,

Jennifer Claypool
