Status: ADOPTED

Original Adopted Date: 07/01/2000 | **Last Revised Date:** 09/01/2022 | **Last Reviewed Date:** 09/01/2022

The Governing Board expects all employees to perform their jobs satisfactorily, exhibit professional and appropriate conduct, and serve as positive role models both at school and in the community. A certificated employee may be disciplined for conduct or performance in accordance with law, the applicable collective bargaining agreement, Board policy, and administrative regulation.

Disciplinary action shall be based on the particular facts and circumstances involved and the severity of the conduct or performance. An employee's private exercise of personal beliefs and activities, including religious, political, cultural, social, or other beliefs or activities, or lack thereof, shall not be grounds for disciplinary action against the employee, provided that the beliefs or activities do not involve coercion of students or any other violation of law, Board policy, or administrative regulation.

In addition, an employee shall not be suspended, disciplined, reassigned, transferred, dismissed, or otherwise retaliated against solely for acting to protect a student engaged in exercising any free speech or press right authorized by, or for refusing to infringe upon a student's conduct protected pursuant to, Education Code 48907 or 48950.

Disciplinary actions may include, but are not limited to, verbal warnings, written warnings, reassignment, suspension, freezing or reduction of wages, compulsory leave, or dismissal.

The Superintendent or designee shall ensure that disciplinary actions are taken in a consistent, nondiscriminatory manner and are appropriately documented.

Suspension/Dismissal Procedures

The Superintendent shall notify the Board whenever there is cause to suspend or dismiss an employee pursuant to Education Code 44932 or 44933.

When the Board finds that there is cause to suspend or dismiss an employee pursuant to Education Code 44932 or 44933, it may formulate a written statement of charges specifying instances of behavior and the acts or omissions constituting the charge, the statutes and rules that the employee is alleged to have violated when applicable, and the facts relevant to each charge. The Board shall also review any duly signed and verified written statement of charges filed by any other person. (Education Code 44934, 44934.1)

Based on the written statement of charges, the Board may, upon majority vote, give notice to the employee of the Board's intention to suspend or dismiss the employee at the expiration of 30 days from the date the notice is served. (Education Code 44934, 44934.1)

Prior to serving a suspension or dismissal notice that includes a charge of unsatisfactory performance, the district shall give the employee written notice of the unsatisfactory performance that specifies the nature of the unsatisfactory performance with such specific instances of behavior and with such particularity as to furnish the employee an opportunity to correct the faults and overcome the grounds for any unsatisfactory performance charges and, if applicable, that includes the evaluation made pursuant to Education Code 44660-44665. The written notice of the unsatisfactory performance shall be provided at least 90 days prior to the filing of the suspension or dismissal notice or prior to the last one-fourth of the school days in the year. (Education Code 44938)

Prior to serving a suspension or dismissal notice that includes a charge of unprofessional conduct, the district shall give the employee written notice that describes the nature of the unprofessional conduct with such specific instances of behavior and with such particularity as to furnish the employee an opportunity to correct the faults and overcome the grounds for any unprofessional conduct charges and, if applicable, that includes the evaluation made pursuant to Education Code 44660-44665. The written notice of the unprofessional conduct shall be provided at least 45 days prior to the filing of the suspension or dismissal notice. (Education Code 44938)

Except for notices that only include charges of unsatisfactory performance, the written suspension or dismissal notice may be served at any time of year. Such notice shall be served upon the employee personally if given outside of the instructional year or, if given during the instructional year, may be served personally or by registered mail to the employee's last known address. Notices with a charge of unsatisfactory performance shall be given only during the instructional year of the school site where the employee is physically employed and may be served personally or by registered mail to the employee's last known address. (Education Code 44936)

If an employee has been served notice and demands a hearing pursuant to Government Code 11505 and 11506, the Board shall either rescind its action or schedule a hearing on the matter. (Education Code 44941, 44941.1, 44943, 44944)

Pending suspension or dismissal proceedings for an employee who is charged with egregious misconduct, immoral conduct, conviction of a felony or of any crime involving moral turpitude, incompetency due to mental disability, or willful refusal to perform regular assignments without reasonable cause as prescribed by district rules and regulations, the Board may, if it deems it necessary, immediately suspend the employee from assigned duties. If the employee files a motion with the Office of Administrative Hearings for immediate reversal of the suspension based on a cause other than egregious misconduct, the Board may file a written response before or at the time of the hearing. (Education Code 44939, 44939.1, 44940)

When a suspension or dismissal hearing is to be conducted by a Commission on Professional Competence, the Board shall, no later than 45 days before the date set for the hearing, select one person with a currently valid credential to serve on the Commission. The appointee shall not be an employee of the district and shall have at least three years' experience within the past 10 years at the same grade span or assignment as the employee, as defined in Education Code 44944. (Education Code 44944)

However, the district reserves the right to access any publicly available information about any employee.

Whistleblower Protection

An employee shall have the right to disclose to a Board member, a school administrator, a member of the County Board of Education, the County Superintendent of Schools, or the Superintendent of Public Instruction any improper governmental activity by the district or a district employee that violates state or federal law, is economically wasteful, or involves gross misconduct, incompetency, or inefficiency. (Education Code 44112, 44113; Labor Code 1102.5)

The Superintendent or designee shall prominently display in lettering larger than size 14 point type a list of employees' rights and responsibilities under the whistleblower laws, including the telephone number of the whistleblower hotline maintained by the office of the California Attorney General. (Labor Code 1102.7, 1102.8)

No employee shall use or attempt to use official authority status or influence to intimidate, threaten, coerce, or command, or attempt to intimidate, threaten, coerce, or command, another employee for the purpose of interfering with that employee's right to disclose improper governmental activity. (Education Code 44113)

An employee who has disclosed improper governmental activity and believes that acts or attempted acts of reprisal have subsequently occurred shall file a written complaint in accordance with the district's complaint procedures. After filing a complaint with the district, the employee may also file a copy of the complaint with local law enforcement and/or seek civil law remedies against the supervisor or administrator who retaliated or attempted to retaliate against the employee, in accordance with Education Code 44114.

Protection Against Liability

No employee shall be liable for harm caused by the employee's act or omission when acting within the scope of employment or district responsibilities, the employee's act or omission is in conformity with federal, state, and local laws, district policy, or administrative regulation, and the employee's act or omission is in furtherance of an effort to

Policy 4140: Bargaining Units

Status: ADOPTED

Original Adopted Date: 11/01/2011 | **Last Revised Date:** 09/01/2022 | **Last Reviewed Date:** 09/01/2022

The Governing Board recognizes the right of district employees to form a bargaining unit and to select an employee organization as the exclusive representative to represent the employees in the employees' employment relationship with the district. The Board is committed to negotiating in good faith with recognized employee organizations and respecting the rights of employees and employee organizations.

The district shall not dominate or interfere with the formation or administration of any employee organization or contribute financial or other support to it. (Government Code 3543.5)

Employees shall not be prohibited from wearing union buttons or other items that favor or oppose the formation of a bargaining unit or any matter that is the subject of negotiations.

Formation of Bargaining Units

Certificated and classified employees shall not be included in the same bargaining unit. (Government Code 3545)

A bargaining unit of supervisory employees may be recognized if the bargaining unit includes all supervisory employees and is not represented by an employee organization that represents district employees who are supervised by the supervisory employees. (Government Code 3545)

For this purpose, supervisory employee means any employee, regardless of job description, having authority, in the interest of the district, to hire, transfer, suspend, lay off, recall, promote, discharge, assign, reward, or discipline other employees, or the responsibility to assign work to, direct, or adjust grievance of other employees, or effectively recommend that action, when the exercise of that authority is not of a merely routine or clerical nature, but requires the use of independent judgment. (Government Code 3540.1)

Employees serving in management, senior management, or confidential positions shall not be represented by an exclusive representative. In the employment relationship with the district, such employees may represent themselves or be represented by an employee organization whose membership is composed entirely of employees designated as holding those positions. An employee organization representing management or confidential employees shall not be permitted to meet and negotiate with the district on behalf of the employees. (Government Code 3543.4)

Management employee means any employee who has significant responsibilities for formulating district policies or administering district programs, and whose position is designated as a management position by the Board. (Government Code 3540.1)

Confidential employee means any employee who is required to develop or present management positions with respect to employer-employee relations or whose duties normally require access to confidential information that is used to contribute significantly to the development of management positions. (Government Code 3540.1)

Membership

The district shall not deter or discourage employees or job applicants from becoming or remaining members of an employee organization, authorizing representation by an employee organization, or authorizing dues or fee deductions to an employee organization. In addition, the district shall not impose or threaten to impose reprisals on employees, discriminate or threaten to discriminate against employees, or otherwise interfere with, restrain, or coerce employees because of their membership or nonmembership in an employee organization. (Government Code 3543.5, 3550)

The Superintendent or designee may communicate with district employees regarding their rights under the law. Such communications shall be factual and accurate, and may not promise a benefit, threaten a reprisal, or in any way deter or discourage employees from joining an employee organization or paying dues.

However, before disseminating to multiple employees any mass communication concerning employees' right to join or support an employee organization or to refrain from joining or supporting an employee organization, such as a written document or script for oral or recorded presentation or message, the Superintendent or designee shall meet and confer with the employees' exclusive representative regarding the content of the communication. If the district and exclusive representative do not come to agreement on the content of the mass communication, the Superintendent or designee may disseminate the district's mass communication, provided that at the same time, copies of the exclusive representative's communication, which shall be of reasonable length, are also distributed. (Government Code 3553)

Access to New Employee Orientations

The district shall permit employee organizations access to new employee orientation or onboarding process where newly hired employees are advised, whether in person, online, or through other means or mediums, of their employment status, rights, benefits, duties, responsibilities, or any other employment-related matters. The district shall provide employee organizations at least 10 days' notice in advance of an orientation, except that a shorter notice may be provided if an unforeseeable, urgent need critical to the district's operation prevents the required 10 days' notice. (Government Code 3555.5, 3556)

Following a request to negotiate by either party, the structure, time, and manner of access to new employee orientations shall be determined by mutual agreement of the district and the exclusive representative. If the district and exclusive representative fail to reach an agreement, matters related to access to the new employee orientation shall be subject to compulsory interest arbitration. The district and employee organization may mutually agree to submit any dispute to compulsory interest arbitration at any time. In addition, if any dispute arises during negotiations and is not resolved within 45 days after the first meeting or within 60 days after the initial request to negotiate, whichever is earlier, either party may make a demand for compulsory interest arbitration. When any such dispute arises during the summer when the district's administrative office is closed, the timeline shall commence on the first day the administrative office reopens. The decision of the arbitrator shall be final and binding on the parties. (Government Code 3556, 3557)

The date, time, and place of a new employee orientation shall not be disclosed to anyone other than employees, the exclusive representative, or a vendor that is contracted to provide a service for purposes of the orientation. (Government Code 3556)

Until June 30, 2025, in addition to above provisions regarding new employee orientations, the district shall ensure the following: (Government Code 3556)

1. When an inperson new employee orientation has not been conducted within 30 days of hiring any new employee who is working in person, the Superintendent or designee shall permit the exclusive representative to schedule an inperson meeting which newly hired employees shall have an opportunity to attend, at the employee's worksite and during employment hours. Each newly hired employee within the bargaining unit shall be provided at least 30 minutes of paid time to attend the meeting.

Upon the request of an exclusive representative scheduling such an inperson meeting, the Superintendent or designee shall provide an appropriate on-site meeting space within seven days of receiving the exclusive representative's request.

2. When, by reason of a state or local public health order limiting the size of gatherings, the district is prohibited from organizing a new employee orientation, an exclusive representative may schedule multiple meetings to ensure that newly hired employees have an opportunity to attend without exceeding the maximum allowable number of people.

Access to Employee Contact Information

The Superintendent or designee shall provide an exclusive representative with the name, job title, department, work location, telephone numbers (work, home, and personal cell phone), personal email address(es) on file with the district, and home address of any newly hired employee in the bargaining unit, within 30 days of hire or by the first pay period of the month following hire, unless the exclusive representative has agreed to a different interval for the provision of the information. In addition, the Superintendent or designee shall provide the exclusive representative the same information in regard to all employees in the bargaining unit at least every 120 days, unless more frequent

or detailed lists are required by agreement with the exclusive representative. (Government Code 3558, 6254.3)

However, the Superintendent or designee shall not disclose the home address and any phone numbers on file for employees performing law enforcement-related functions, nor disclose the home address, home or personal cell phone number(s), or personal email address(es) of any employee who is a participant in the Safe at Home address confidentiality program pursuant to Government Code 6207 or of any employee who provides a written request that the information not be disclosed to the exclusive representative. Following receipt of a written request, the district shall remove the employee's home address, home and personal cell phone numbers, and personal email address from any mailing list maintained by the district unless the list is only used by the district to contact the employee. (Government Code 3558, 6207, 6254.3)

Within 20 calendar days after an exclusive representative notifies the Superintendent or designee that a list of employees provided by the district is inaccurate or incomplete, the Superintendent or designee shall take steps to correct the list and provide a new list of employees to the exclusive representative. (Government Code 3558)

At least, at the beginning of each school year, the Superintendent or designee shall review the list of district employees to ensure that the list is complete and contains accurate information.

Communications with Employees

Employee organizations may have access at reasonable times to areas in which employees work and may use district facilities at reasonable times for the purpose of meetings. Subject to reasonable regulation, employee organizations may also use institutional bulletin boards, mailboxes, and other means of communication to communicate with employees. (Government Code 3543.1)

Access to district means of communication shall be limited in cases where such access would be disruptive to district operations.

Membership Dues or Other Payments to an Employee Organization

When drawing an order for the salary or wage payment of a bargaining unit employee of an employee organization, the district shall deduct any amount which has been requested by the employee in a revocable written authorization for the purpose of paying dues or other payments for any service, program, or committee provided or sponsored by the employee organization. (Education Code 45060, 45168)

An employee organization that certifies that it has and will maintain individual employee authorizations shall handle and process employee written authorizations for payroll deductions. When an employee organization provides such a certification to the district, the district shall rely on information from the employee organization regarding the amounts of such payroll deductions and from which employees. The employee organization shall not be required to submit to the district a copy of the written authorization in order for the payroll deductions to be effective. However, when there is a dispute about the existence or terms of the written authorization, a copy of the employee's written authorization shall be submitted to the district. The employee organization shall indemnify the district for any employee claims regarding payroll deductions made by the district in reliance on notification from the employee organization. (Education Code 45060, 45168)

When an employee organization which has declined to certify that it will handle and process employee written authorizations makes a request for payroll deductions, the district shall request a copy of the employee's written authorization before making the payroll deductions. (Education Code 45060, 45168)

A written authorization shall remain in effect until expressly revoked in writing by the employee and pursuant to the terms of the written authorization. Employee requests to cancel or change authorizations for payroll deductions for employee organizations shall be directed to the employee organization rather than the district. The employee organization shall be responsible for processing these requests. The district shall rely on the information provided by the employee organization regarding whether deductions for an employee organization were properly canceled or changed. The employee organization shall be required to indemnify the district for any claims made by an employee for deductions made by the district in reliance on information from the employee organization. (Education Code 45060, 45168)

Regulation 4161.2: Personal Leaves

Status: ADOPTED

Original Adopted Date: 11/01/2012 | **Last Revised Date:** 09/01/2022 | **Last Reviewed Date:** 09/01/2022

Personal leaves granted to district employees shall be used as permitted in this administrative regulation, other Board-approved policy or district regulation, or applicable collective bargaining agreement.

For the purpose of any personal leave offered pursuant to state law, a registered domestic partner shall have the same rights, protections, and benefits as a spouse and any protections provided to a spouse's child shall also apply to a child of a registered domestic partner. (Family Code 297.5)

Whenever possible, employees shall request personal leaves in advance and prepare suitable instructions, including lesson plans as applicable, for a substitute employee.

Bereavement

Employees are entitled to a leave of up to three days, or five days if out-of-state travel is required, upon the death of any member of the employee's immediate family. No deduction shall be made from the employee's salary, nor shall such leave be deducted from any other leave to which the employee is entitled. (Education Code 44985, 45194)

Members of an employee's immediate family include: (Education Code 44985, 45194)

1. The mother, mother-in-law, father, father-in-law, grandmother, grandfather, or grandchild of the employee or of the employee's spouse
2. The employee's spouse, son, son-in-law, daughter, daughter-in-law, brother, or sister
3. Any relative living in the employee's immediate household

At the employee's request, bereavement leave may be extended under personal necessity leave provisions as provided in the section "Personal Necessity" below. (Education Code 44981, 45207)

Personal Necessity

Employees may use a maximum of seven days of accrued personal illness/injury leave (sick leave) during each school year for reasons of personal necessity. (Education Code 44981, 45207)

Acceptable reasons for the use of personal necessity leave include:

1. Death of a member of the employee's immediate family when the number of days of absence exceeds the limits set by bereavement leave provisions (Education Code 44981, 45207)
2. An accident involving the employee or the employee's property, or the person or property of a member of the employee's immediate family (Education Code 44981, 45207)
3. Illness, preventive care, or other need of a member of the employee's family, as defined in Labor Code 245.5 (Education Code 44981; Labor Code 246.5)
4. A classified employee's appearance in any court or before any administrative tribunal as a litigant, party, or witness under subpoena or other order (Education Code 45207)
5. Fire, flood, or other immediate danger to the home of the employee
6. Personal business of a serious nature which the employee cannot disregard

Leave for personal necessity may be allowed for other reasons at the discretion of the Superintendent or designee. However, personal necessity leave shall not be granted for purposes of personal convenience, for the extension of a holiday or vacation, or for matters which can be taken care of outside of working hours. The Superintendent or

designee shall have final discretion as to whether a request reflects personal necessity.

Advance permission shall not be required of an employee in any case involving the death of a member of the employee's immediate family, an accident involving the employee's person or property or the person or property of a member of the employee's immediate family, or the illness, preventive care, or other need of a member of the employee's family. (Education Code 44981, 45207)

For any leave that is planned, or for which the need is foreseeable, an employee shall notify the Superintendent or designee in advance. In all other circumstances, the employee shall notify the Superintendent or designee of the need for the leave as soon as practicable.

After any absence due to personal necessity, the employee shall verify the absence by submitting a completed and signed district absence form to the employee's immediate supervisor.

Leave to Perform Legal Duties

An employee may take time off work in order to: (Labor Code 230)

1. Serve on an inquest jury or trial jury
2. Comply with a subpoena or other court order to appear as a witness

Notices, summons, and subpoenas for court appearances shall be submitted to the district office when requesting leave.

A classified employee called for jury duty shall be granted leave with pay up to the amount of the difference between the employee's regular earnings and any amount received for jury fees. (Education Code 44037)

A certificated employee who is called for jury duty also shall be granted leave with pay up to the difference between the employee's regular earnings and any jury fees received. (Education Code 44036)

An employee shall be granted leave with pay to appear in court as a witness other than a litigant or to respond to an official order from another governmental jurisdiction for reasons not brought about through the connivance or misconduct of the employee. Such an employee shall receive the difference between the employee's regular earnings and any witness fees received. (Education Code 44036)

Leaves for Crime Victims for Judicial Proceedings

An employee who is a victim of a crime or an immediate family member, registered domestic partner, or child of a registered domestic partner of such victim may be absent from work in order to attend related judicial proceedings, if the crime is any of the following: (Labor Code 230.2)

1. A violent felony as defined in Penal Code 667.5(c)
2. A serious felony as defined in Penal Code 1192.7(c)
3. A felony provision of law proscribing theft or embezzlement

For these purposes, the employee may use vacation, personal leave, personal illness/injury leave, unpaid leave, or compensatory time off that is otherwise available to the employee. (Labor Code 230.2)

Prior to taking time off, an employee shall give the Superintendent or designee a copy of the notice of each scheduled proceeding that is provided by the responsible agency, unless advance notice is not feasible. When advance notice is not feasible or an unscheduled absence occurs, the employee shall, within a reasonable time after the absence, provide documentation evidencing the judicial proceeding from the court or government agency setting

the hearing, the district attorney or prosecuting attorney's office, or the victim/witness office that is advocating on behalf of the victim. (Labor Code 230.2)

The district shall keep confidential any records pertaining to the employee's absence from work by reason of this leave. (Labor Code 230.2)

Leaves for Victims of Crime or Abuse

An employee who is a victim of domestic violence, sexual assault, stalking, or a crime that caused physical injury or mental injury with a threat of physical injury or an employee whose immediate family member, as defined, is deceased as the direct result of a crime may use vacation, sick leave, personal leave, or compensatory time off that is otherwise available to the employee to attend to the following activities: (Labor Code 230, 230.1, 246.5)

1. Obtain or attempt to obtain any relief, including, but not limited to, a temporary restraining order, restraining order, or other injunctive relief to help ensure the health, safety, or welfare of the employee or the employee's child
2. Seek medical attention for injuries caused by crime or abuse
3. Obtain services from a domestic violence shelter, program, rape crisis center, or victim services organization or agency as a result of the crime or abuse
4. Obtain psychological counseling or mental health services related to an experience of crime or abuse
5. Participate in safety planning and take other actions to increase safety from future crime or abuse, including temporary or permanent relocation

Prior to taking time off, an employee shall give reasonable notice to the Superintendent or designee, unless advance notice is not feasible. When an unscheduled absence occurs, the employee shall provide, within a reasonable period of time, certification of the absence in the form of any of the following: (Labor Code 230, 230.1)

1. A police report indicating that the employee was a victim
2. A court order protecting or separating the employee from the perpetrator of the crime or abuse, or other evidence from the court or prosecuting attorney that the employee has appeared in court
3. Documentation from a domestic violence or sexual assault counselor as defined in Evidence Code 1037.1 or 1035.2, licensed medical professional or health care provider, victim advocate, or counselor that the employee was undergoing treatment or receiving services for physical or mental injuries or abuse resulting in victimization from the crime or abuse
4. Any other form of documentation that reasonably verifies that the crime or abuse occurred, including, but not limited to, a written statement signed by the employee or by an individual acting on the employee's behalf certifying that the absence is for a purpose authorized under Labor Code 230 or 230.1

The district shall maintain the confidentiality of such an employee to the extent authorized by law. (Labor Code 230, 230.1)

The Superintendent or designee shall inform employees of the rights provided employees pursuant to Labor Code 230 and 230.1 using a form developed by the Labor Commissioner or a substantially similar form developed by the district. Such information shall be provided to new employees upon hire and to other employees upon request. (Labor Code 230.1)

Personal Leave for Child-Related Activities

Any employee who is a parent/guardian of one or more children of an age to attend any of grades K-12 or a program offered by a licensed child care provider may use up to 40 hours of personal leave, vacation, or compensatory time off each school year in order to: (Labor Code 230.8)

1. Find, enroll, or reenroll a child in a school or with a licensed child care provider or to participate in activities of the school or child care provider, provided the employee gives reasonable advance notice of the absence. Time off for this purpose shall not exceed eight hours in any calendar month.
2. Address a school or child care emergency, provided the employee gives notice. An emergency exists when the child cannot remain in school or with a child care provider due to one of the following circumstances:
 - a. A request by the school or child care provider that the child be picked up
 - b. An attendance policy, excluding planned holidays, that prohibits the child from attending or requires that the child be picked up from the school or child care provider
 - c. Behavioral or discipline problems
 - d. Closure or unexpected unavailability of the school or child care provider, excluding planned holidays

For purposes of this leave, parent/guardian includes a parent, guardian, stepparent, foster parent, grandparent, or person who stands in loco parentis to a child. (Labor Code 230.8)

In lieu of using vacation, personal leave, or compensatory time off, eligible employees may take unpaid leave for this purpose.

If two or more parents/guardians of a child are employed at the same work site, this leave shall be allowed for the parent/guardian who first gives notice to the district. Simultaneous absence by another parent/guardian of the child may be granted by the Superintendent or designee. (Labor Code 230.8)

Upon request by the Superintendent or designee, the employee shall provide documentation from the school or licensed child care provider that the employee engaged in permitted child-related activities on a specific date and at a particular time. (Labor Code 230.8)

Service on Education Boards and Committees

Upon request, a certificated employee shall be granted up to 20 school days of paid leave per school year for service performed within the state on any education board, commission, committee, or group authorized by Education Code 44987.3 provided that all of the following conditions are met: (Education Code 44987.3)

1. The service is performed within the state.
2. The board, commission, organization, or group informs the district in writing of the service.
3. The board, commission, organization, or group agrees, prior to the service, to reimburse the district, upon the district's request, for compensation paid to the employee's substitute and for actual related administrative costs.

Employee Organization Activities

Upon request, any certificated or classified employee shall be granted a leave of absence without loss of compensation, to serve as an elected officer of a district employee organization or any statewide or national employee organization with which the employee organization is affiliated. Such leave shall be in addition to any other leave to which the employee may be entitled by other laws or a memorandum of understanding or collective bargaining agreement. (Education Code 44987, 45210)

The leave shall include, but is not limited to, absence for purposes of attending periodic, stated, special, or regular meetings of the body of the organization on which the employee serves as an officer. (Education Code 44987, 45210)

Upon request of an employee organization in the district or its state or national affiliate, a reasonable number of

unelected classified employees shall be granted a leave of absence without loss of compensation for the purpose of attending important organizational activities authorized by the employee organization. The employee organization shall provide reasonable notification to the Superintendent or designee when requesting a leave of absence for employees for this purpose. (Education Code 45210)

When leave is granted for any of the above purposes, the employee organization shall reimburse the district within 10 days after receiving the district's certification of payment of compensation to the employee. (Education Code 44987, 45210)

Religious Leave

The Superintendent or designee may grant an employee up to three days of leave per year for religious purposes, provided that the leave is requested in advance and that it does not cause additional district expenditures, the neglect of assigned duties, or any other unreasonable hardship on the district.

The Superintendent or designee shall deduct the cost of hiring a substitute, when required, from the wages of the employee who takes religious leave.

No employee shall be discriminated against for using this leave or any additional days of unpaid leave granted for religious observances at the discretion of the Superintendent or designee.

Spouse on Leave from Military Deployment

An employee who works an average of 20 hours or more per week and whose spouse is a member of the United States Armed Forces, National Guard, or reserves may take up to 10 days of unpaid leave during a period that the employee's spouse is on leave from deployment during a military conflict, as defined in Military and Veterans Code 395.10. (Military and Veterans Code 395.10)

Within two business days of receiving official notice that the employee's spouse will be on leave from deployment, the employee shall provide the Superintendent or designee with notice of the intention to take the leave. The employee shall submit written documentation certifying that the employee's spouse will be on leave from deployment during the time that the leave is requested. (Military and Veterans Code 395.10)

Leave for Emergency Duty

An employee may take time off to perform emergency duty as a volunteer firefighter, a reserve peace officer, or emergency rescue personnel. (Labor Code 230.3)

Any employee who performs duty as a volunteer firefighter, reserve peace officer, or emergency rescue personnel shall be permitted to take temporary leaves of absence, not to exceed an aggregate total of 14 days per calendar year, for the purpose of engaging in fire, law enforcement, or emergency rescue training. (Labor Code 230.4)

Civil Air Patrol Leave

An employee may take up to 10 days of unpaid leave per calendar year, beyond any leave otherwise available to the employee, to respond to an emergency operational mission of the California Civil Air Patrol, provided that the employee has been employed by the district for at least a 90-day period immediately preceding the leave. Such leaves shall not exceed three days for a single mission, unless an extension is granted by the governmental entity authorizing the mission and is approved by the Superintendent or designee. (Labor Code 1501, 1503)

The employee shall give the district as much advance notice as possible of the intended dates of the leave. The Superintendent or designee may require certification from the proper Civil Air Patrol authority to verify the eligibility of the employee for the leave and may deny the leave if the employee fails to provide the required certification. (Labor Code 1503)

Regulation 4161.5: Military Leave

Status: ADOPTED

Original Adopted Date: 03/01/2004 | **Last Revised Date:** 09/01/2022 | **Last Reviewed Date:** 09/01/2022

Military leave shall be granted in accordance with applicable state and federal law to employees performing military duties on a voluntary or involuntary basis in a uniformed service, including active duty, active duty for training, initial active duty for training, inactive duty training, full-time National Guard duty, examination to determine fitness for duty, and performance of funeral honors duty. (Education Code 44800; Military and Veterans Code 395, 395.01, 395.02, 395.05, 395.1, 395.2, 395.9; 38 USC 4301, 4303, 4316)

Any district employee who needs to be absent from the district service to fulfill military service shall provide advance written or verbal notice to the Superintendent or designee, unless the giving of such notice is precluded by military necessity or is otherwise impossible or unreasonable. (38 USC 4312; 20 CFR 1002.85, 1002.86)

Salary/Compensation

The district shall pay an employee's salary or compensation for the first 30 days of any one absence for military leave or during one fiscal year, under any of the following conditions:

1. **Active Military Training or Exercises:** The employee is granted a temporary military leave of absence to engage in ordered military duty for purposes of active military training, encampment, naval cruises, special exercises, or like activity as a member of the reserve corps or force of the United States Armed Forces, National Guard, or Naval Militia, provided that: (Military and Veterans Code 389, 395, 395.01)
 - a. The employee has been employed by the district for at least one year immediately prior to the day the military leave begins.
 - b. The ordered duty does not exceed 180 days, including time involved in going to and returning from such duty.
2. **Active Military Duty:** The employee is on military leave, other than a temporary military leave, to engage in active military duty as a member of the reserve corps or force of the United States Armed Forces, the National Guard, or the Naval Militia, provided that the employee has been employed by the district for at least one year immediately prior to the day the military leave begins. (Military and Veterans Code 389, 395.02)
3. **War or Other Emergency:** The employee, however long employed by the district, is a member of the National Guard who is engaged in military or naval duty during a state of extreme emergency as declared by the Governor, or during such time as the National Guard may be on active duty in situations described in Military and Veterans Code 146, including travel time to and from such duty. (Military and Veterans Code 395.05)
4. **Inactive Duty Training:** The employee is a member of the reserve corps or force of the United States Armed Forces, National Guard, or Naval Militia who is engaged in temporary inactive duty training, provided that the employee has been employed by the district for at least one year immediately prior to the day the military leave begins and the ordered duty does not exceed 180 days, including time involved in going to and returning from such duty.

In determining the length of district employment when necessary to determine eligibility for compensation for military leave, all recognized military service performed during and prior to district employment shall be included.

For classified employees, 30 days' compensation shall be one month's salary. For certificated employees, 30 days' compensation shall be one-tenth of the employee's annual salary. (Education Code 45059)

During the period of military leave, an employee may request to use any vacation or similar paid leave accrued before the commencement of the military leave in order to continue receiving compensation for the employee's employment with the district. The district shall not require the employee to use such leave. (38 USC 4316; 20 CFR 1002.153)

Benefits

An employee may elect to continue health plan coverage during the military leave. The maximum period of coverage for the employee and any dependents shall be either 24 months from the beginning of the leave or until the day after the employee fails to apply for or return to employment, whichever is less. (38 USC 4317; 20 CFR 1002.164)

An employee on military leave may be required to pay the employee cost, if any, of any funded benefit to the extent that other employees on leave are so required. (38 USC 4316)

An employee absent for 30 days or fewer shall not be required to pay more than the employee share for such coverage. An employee absent for 31 days or more may be required to pay not more than 102 percent of the full premium under the plan. (38 USC 4317; 20 CFR 1002.166)

Any employee called into active military duty as a member of the California National Guard or a United States Military Reserve organization shall receive, for up to 180 days, the difference between the amount of the employee's military pay and the amount the employee would have received from the district and all benefits that the employee would have received had the employee not been called to active military duty, unless the benefits are prohibited or limited by vendor contracts. (Education Code 44018)

Vacation and Sick Leave Accrual

An employee on temporary military leave under the conditions described in Item #1 in the section entitled "Salary/Compensation" above, shall continue to accrue the same vacation, sick leave, and holiday privileges to which the employee would otherwise be entitled if not absent. (Military and Veterans Code 395)

An employee on military leave who is serving in active duty in time of war, national emergency, or United Nations military or police operation shall not accrue sick leave or vacation leave during the period of such leave. (Military and Veterans Code 395.1)

However, an employee who is a National Guard member on active duty as described in Item #3 in the section entitled "Salary/Compensation" above, shall not suffer any loss or diminution of vacation or holiday privileges because of the employee's leave of absence. (Military and Veterans Code 395.05)

Pension Plan Service Credit

Pension plan service credit and vesting shall continue during an employee's military leave as though no break in service had occurred. Payment of employer and employee contributions shall be made in accordance with law for members of the State Teachers' Retirement System or Public Employees' Retirement System. (Education Code 22850-22856; Government Code 20990-21013)

Employment Status

Absence for military leave shall not affect the classification of any employee. In the case of a probationary employee, the period of such absence shall not count as part of service required to obtain permanent status, but shall not be construed as a break in the continuity of service for any purpose. (Education Code 44800; Military and Veterans Code 395; 20 CFR 1002.149)

Reinstatement Rights

At the conclusion of the military duty, an employee shall be promptly reinstated in the position held at the beginning of the leave, at the salary to which the employee would otherwise have been entitled, except under the conditions noted below in this section. (Education Code 44800; Military and Veterans Code 395, 395.2; 38 USC 4304, 4313; 20 CFR 1002.180-1002.181)

Any employee who performs active military duty in time of war, national emergency, or United Nations military or police operation has a right to return to the position held prior to the military service, during terminal leave prior to the employee's discharge, separation, or release from the armed forces, or within six months of the employee's release, separation, honorable discharge, or placement on inactive duty. Reinstatement rights shall not be extended

to any such employee who fails to return within 12 months after the first date upon which the employee could terminate or could cause to have terminated active service. (Education Code 44800; Military and Veterans Code 395.1)

When an employee has been on military leave for reasons other than war or national emergency, the time frame for seeking reinstatement shall depend on the length of military service as follows: (38 USC 4312; 20 CFR 1002.115, 1002.118)

1. For a leave of 30 days or fewer, the employee shall report for duty no later than the beginning of the first full work day following the completion of the military service plus a period of eight hours of rest following a period for safe transportation to the employee's residence.
2. For a leave of 31-180 days, the employee shall submit a written or verbal application for reinstatement not later than 14 days after the completion of military service.
3. For a leave of more than 180 days, the employee shall submit a written or verbal application for reinstatement within 90 days after the completion of military service.

Where an employee's reporting or application for reinstatement within the periods specified in Items #1 and #2 above is impossible or unreasonable through no fault of the employee, the report or application shall be made as soon as possible after the expiration of the period. In the case of Items #2 and #3 where an application is required, the employee's application may be made orally or in writing and need not follow any particular format. (38 USC 4312; 20 CFR 1002.115, 1002.117, 1002.118)

An employee who is hospitalized for, or convalescing from, an illness or injury incurred in or aggravated during the performance of military service shall report for duty or submit an application for reinstatement at the end of the period that is necessary to recover from such illness or injury, but no more than two years after the completion of military service unless circumstances beyond the employee's control make reporting within the two-year period impossible or unreasonable. (38 USC 4312; 20 CFR 1002.116)

Upon receiving an application for reinstatement, the Superintendent or designee shall reinstate the employee as soon as practicable under the circumstances of the case, but within a time period not to exceed two weeks, absent unusual circumstances. (20 CFR 1002.181)

If the employee's previous position has been abolished, the district shall reinstate the employee in a position of like seniority, status, and pay, if such position exists, or to a comparable vacant position for which the employee is qualified. (Military and Veterans Code 395, 395.1; 38 USC 4313; 20 CFR 1002.192)

An employee who fails to report or apply for reinstatement within the appropriate period does not automatically forfeit the entitlement to reinstatement but shall be subject to the district's rules and/or practices governing unexcused absences. (38 USC 4312)

The Superintendent or designee may elect not to reinstate an employee following military leave if any of the following conditions exists:

1. The district's circumstances have so changed as to make such re-employment impossible or unreasonable, such as a reduction in force that would have included the employee. (38 USC 4312; 20 CFR 1002.139)
2. The accommodation, training, or effort described in 38 USC 4313(a)(3), (a)(4), or (b)(2)(B) would impose an undue hardship on the district as defined in 20 CFR 1002.5 or 1002.198. (38 USC 4312; 20 CFR 1002.139)
3. The employee's position was for a brief, nonrecurrent period and there was no reasonable expectation that such employment will continue indefinitely or for a significant period. (38 USC 4312; 20 CFR 1002.139)
4. The employee's cumulative length of absence and length of all previous military leave while employed with the district exceeds five years, excluding those training and service obligations specified in 38 USC 4312(c). (38 USC 4312; 20 CFR 1002.99-1002.103)
5. The employee was separated from military service with a disqualifying discharge or under other than honorable conditions. (Military and Veterans Code 395.1; 20 USC 4304, 4312; 20 CFR 1002.134-1002.138)

Notices

The Superintendent or designee shall provide employees a notice of the rights, benefits, and obligations of employees granted military leave and of the district under the Uniformed Services Employment and Reemployment Rights Act (USERRA), 38 USC 4301-4334. (38 USC 4334)

This requirement may be met by posting the notice where the district customarily places notices for employees. (38 USC 4334)

Policy 4216: Probationary/Permanent Status

Status: ADOPTED

Original Adopted Date: 06/01/1996 | **Last Revised Date:** 09/01/2022 | **Last Reviewed Date:** 09/01/2022

The Governing Board desires to employ and retain highly qualified classified personnel to support the district's educational program and operations. Newly hired classified employees shall serve a probationary period during which the Board shall determine their suitability for long-term district employment.

A probationary employee who has been employed by the district for six months or 130 days of paid service, whichever is longer, shall be classified as a permanent employee of the district. (Education Code 45113, 45301)

However, in order to receive permanent classified service status, a full-time district police officer or public safety dispatcher who operates a dispatch center certified by the Commission on Peace Officer Standards and Training shall serve in a probationary status for not less than one year from the date of appointment. (Education Code 45113, 45301)

Probationary employees shall receive written performance evaluations by their supervisor during the probationary period. These evaluations shall indicate whether the evaluator is satisfied or not satisfied with the employee's ability, performance, and compatibility with the job.

The district may, without cause, dismiss a new employee during the probationary period.

Permanent employees promoted to a higher classification shall be considered probationary in their new position until they have satisfactorily completed the probationary period.

A permanent employee who accepts a promotion and fails to complete the probationary period for that promotional position shall be employed in the classification from which the employee was promoted. (Education Code 45113, 45301)

This policy shall be made available to classified employees and the public. (Education Code 45113)

Status: ADOPTED

Original Adopted Date: 07/01/2019 | **Last Revised Date:** 09/01/2022 | **Last Reviewed Date:** 09/01/2022

The Governing Board expects all employees to perform their jobs satisfactorily and to exhibit professional and appropriate conduct. A classified employee may be disciplined for unprofessional conduct or unsatisfactory performance in accordance with law or any applicable collective bargaining agreement, Board policy, or administrative regulation.

Disciplinary actions shall be based on the particular facts and circumstances involved and the severity of the employee's conduct or performance. An employee's private exercise of personal beliefs and activities, including religious, political, cultural, social, or other beliefs or activities, or lack thereof, shall not be grounds for disciplinary action against the employee, provided that the beliefs or activities do not involve coercion of students or any other violation of law, Board policy, or administrative regulation.

In addition, an employee shall not be suspended, disciplined, reassigned, transferred, dismissed, or otherwise retaliated against solely for acting to protect a student engaged in exercising any free speech or press right authorized by, or for refusing to infringe upon a student's conduct protected pursuant to, Education Code 48907 or 48950.

Disciplinary actions may include, but are not limited to, verbal and written warnings, involuntary reassignment, demotion, suspension without pay, reduction of pay step in class, compulsory leave, and dismissal.

The Superintendent or designee shall ensure that disciplinary actions are taken in a consistent, nondiscriminatory manner and are appropriately documented.

A probationary classified employee may be dismissed without cause at any time prior to the expiration of the probationary period.

Permanent classified employees shall be subject to disciplinary action only for cause as specified in the accompanying administrative regulation. (Education Code 45113)

Procedures for Serious Disciplinary Proceedings

The Superintendent or designee shall develop disciplinary procedures for use when dismissal, suspension, demotion, involuntary reassignment, or other serious disciplinary action is contemplated against an employee. The procedures for such discipline shall include an opportunity for an employee for whom any such disciplinary action is recommended to meet with, or respond in writing to, a designated district official ("Skelly officer") who will determine whether the recommended discipline should proceed further or be modified or withdrawn.

After meeting with the employee or considering the employee's written response, if the Skelly officer determines that the recommended discipline should proceed, the Superintendent or designee shall send the employee a notice of the recommended disciplinary action, a statement of charges, and the results of the Skelly hearing. The notice shall include a statement advising the employee of the right to request a Board hearing on the matter.

If the employee fails to request a hearing within the time specified in the notice, the employee is deemed to have waived the right to do so, and the Board may order the recommended disciplinary action into effect immediately.

If a timely request is submitted, a hearing shall be conducted by the Board. (Education Code 45113, 45312)

The hearing shall be held at the earliest convenient date, taking into consideration the established schedule of the Board and the availability of legal counsel and witnesses. The employee shall be notified of the time and place of the hearing.

The hearing shall be held in closed session, unless the employee requests that the matter be heard in an open session meeting. (Government Code 54957)

The employee shall be entitled to appear personally, produce evidence, and be represented by legal counsel.

The Board may use the services of its legal counsel in ruling upon procedural questions, objections to evidence, and issues of law. The Board may review and consider the records of any prior personnel action proceedings against the employee in which a disciplinary action was ultimately sustained and any records contained in the employee's personnel files and introduced into evidence at the hearing. The Board shall not be bound by rules of evidence used in California courts. Informality in any such hearing shall not invalidate any order or decision made by the Board.

At any time before a matter is submitted to the Board for decision, the Superintendent or designee may, with the consent of the Board, serve on the employee and file with the Board an amended or supplemental recommendation of disciplinary action. If the amended or supplemental recommendation includes new causes or allegations, the employee shall be afforded a reasonable opportunity to prepare a defense. Any new causes or allegations shall be deemed controverted and any objections to the amended or supplemental causes or allegations may be made orally at the hearing and shall be noted on the record.

Following the hearing or, if the employee has not requested a hearing, after reviewing the Superintendent or designee's recommendation for disciplinary action, the Board shall affirm, modify, or reject the recommended disciplinary action. The decision of the Board shall be in writing and shall contain findings of fact and the disciplinary action approved, if any. The decision of the Board shall be final.

Within 10 working days of the Board's final decision, a copy of the decision shall be delivered to the employee and/or designated representative personally or by registered mail.

Except for an allegation of egregious misconduct in which a minor is involved, the Board may delegate the authority to determine whether sufficient cause exists for disciplinary action to an impartial third-party hearing officer. When a matter is heard by a third-party hearing officer, the Board shall review the determination and adopt or reject the recommended decision. (Education Code 45113)

When any matter involves an allegation of egregious misconduct as defined in Education Code 44932 and involves a witness who is a minor, the matter shall be referred to an administrative law judge to determine whether sufficient cause exists for disciplinary action against the employee. In such cases, the ruling of the administrative law judge shall be binding on the district and the employee. (Education Code 45113)

Status: ADOPTED

Original Adopted Date: 06/01/1994 | **Last Revised Date:** 09/01/2022 | **Last Reviewed Date:** 09/01/2022

Causes for Disciplinary Action

A permanent classified employee may be subject to suspension, demotion, involuntary reassignment, or dismissal for one or more of the following causes:

1. Immoral conduct, including, but not limited to, egregious misconduct that is the basis for a sex offense as defined in Education Code 44010, a controlled substance offense as defined in Education Code 44011, or child abuse and neglect as described in Penal Code 11165.2-11165.6
2. Conduct that constitutes a violent or serious felony as defined in Penal Code 667.5(c) or 1192.7(c)
3. Unlawful discrimination, including harassment, against any student or other employee
4. Violation of or refusal to obey state or federal law or regulation, Board policy, or district or school procedure
5. Falsification of any information supplied to the district, including, but not limited to, information supplied on application forms, employment records, or any other school district records
6. Unsatisfactory performance
7. Unprofessional conduct
8. Dishonesty
9. Neglect of duty or absence without leave
10. Insubordination
11. Use of alcohol or a controlled substance while on duty or in such close time proximity thereto as to affect the employee's performance
12. Destruction or misuse of district property
13. Failure to fulfill any ongoing condition of employment including, but not limited to, maintenance of any license, certificate, or other similar requirement specified in the employee's class specification or otherwise necessary for the employee to perform the duties of the position
14. A physical or mental condition which precludes the employee from the proper performance of duties and responsibilities as determined by competent medical authority, except as otherwise provided by a contract or by law
15. Retaliation against any person who, in good faith, reports, discloses, divulges, or otherwise brings to the attention of any appropriate authority any information relative to an actual or suspected violation of state or federal law occurring on or directly related to the job
16. Violation of Education Code 45303 or Government Code 1028 prohibiting the advocacy or teaching of communism
17. Any other misconduct which is of such nature that it causes discredit or injury to the district or the employee's position

No disciplinary action shall be taken for any cause which arose before the employee became permanent, nor for any cause which arose more than two years before the date of the filing of the notice of cause unless this cause was concealed or not disclosed by the employee when it could be reasonably assumed that the employee would have disclosed the facts to the district. (Education Code 45113)

Initiation and Notification of Charges

The Superintendent or designee shall provide notice to the employee of a recommendation for discipline, which includes the charges and materials upon which the recommendation is based. The notification shall identify an impartial district official ("Skelly officer") with whom the employee may meet at a specified time and place or to whom the employee may provide a written response to the recommendation of discipline. After meeting with the employee or considering any response from the employee, the Skelly officer shall recommend to the Superintendent or designee whether to proceed with the recommendation for discipline.

The Superintendent or designee shall file any final recommendation for a disciplinary action in writing with the Governing Board. A copy of the recommendation shall be served upon the employee either personally or by registered or certified mail, return receipt requested, at the employee's last known address.

The notice shall, in ordinary and concise language, inform the employee of the specific charge(s) or cause(s) for the disciplinary action, the specific acts and omissions upon which the action is based, and, if applicable, the district rule or regulation that the employee has allegedly violated. In addition, the notice shall include the employee's right to a hearing on those charges, the time within which the hearing may be requested which shall be not less than five days after service of the notice to the employee, and a card or paper which the employee may sign and file to deny the charges and request a hearing. (Education Code 45113, 45116)

Request for Board Hearing

Within the time specified in the notice of the recommendation of disciplinary action, the employee may request a hearing on the charges by signing and filing the card or paper included with the notice. (Education Code 45113)

Any other written document signed and appropriately filed within the specified time limit by the employee shall constitute a sufficient notice of the request for a hearing. The request shall be delivered to the office of the Superintendent or designee during normal work hours of that office. If mailed to the office of the Superintendent or designee, it must be received or postmarked no later than the time limit specified by the district. In cases where an order of suspension without pay has been issued in conjunction with a recommendation of dismissal, any request for a hearing on the dismissal shall also constitute a request to hear the suspension order, and the necessity of the suspension order shall be an issue in the hearing.

Employment Status Pending a Hearing

A classified employee against whom a recommendation of disciplinary action has been issued shall remain on active duty status pending any hearing on the charges, unless the Superintendent or designee determines that the employee's continuance in active duty would present an unreasonable risk of harm to students, staff, or property. The Superintendent or designee may, in writing, order the employee immediately suspended from duty without pay and shall state the reasons that the suspension is deemed necessary. The suspension order shall be served upon the employee either personally or by registered or certified mail, return receipt requested, immediately after issuance.

Compulsory Leave of Absence

Upon being informed by law enforcement that a classified employee has been charged with a "mandatory leave of absence offense," the Superintendent or designee shall immediately place the employee on a leave of absence. A mandatory leave of absence offense includes:

1. Any sex offense as defined in Education Code 44010
2. Violation or attempted violation of Penal Code 187 prohibiting murder or attempted murder
3. Any offense involving the unlawful sale, use, or exchange to minors of controlled substances as listed in Health and Safety Code 11054, 11055, and 11056

The Superintendent or designee may place on an immediate compulsory leave of absence a classified employee who is charged with an "optional leave of absence offense," defined as a controlled substance offense specified in

Education Code 44011 and Health and Safety Code 11357-11361, 11363, 11364, and 11370.1 except as it relates to marijuana, mescaline, peyote, or tetrahydrocannabinols.

An employee's compulsory leave for a mandatory or optional leave of absence offense may extend for not more than 10 days after the entry of judgment in the criminal proceedings. However, the compulsory leave may be extended if the Board gives notice, within 10 days after the entry of judgment in the proceedings, that the employee will be dismissed within 30 days from the date of service of the notice unless the employee demands a hearing on the dismissal.

The Governing Board expects all employees to perform their jobs satisfactorily and exhibit professional and appropriate conduct. A classified employee may be disciplined for unprofessional conduct or unsatisfactory performance in accordance with law, any applicable collective bargaining agreement, and the rules of the personnel commission.

Disciplinary actions shall be based on the particular facts and circumstances involved and the severity of the employee's conduct or performance. An employee's private exercise of personal beliefs and activities, including religious, political, cultural, social, or other beliefs or activities, or lack thereof, shall not be grounds for disciplinary action against the employee, provided that the beliefs or activities do not involve coercion of students or any other violation of law, Board policy, or administrative regulation.

In addition, an employee shall not be suspended, disciplined, reassigned, transferred, dismissed, or otherwise retaliated against solely for acting to protect a student engaged in exercising any free speech or press right authorized by, or for refusing to infringe upon a student's conduct protected pursuant to, Education Code 48907 or 48950.

Disciplinary actions may include, but are not limited to, verbal and written warnings, involuntary reassignment, demotion, suspension without pay, reduction of pay step in class, compulsory leave, and dismissal.

The Superintendent or designee shall ensure that disciplinary actions are taken in a consistent, nondiscriminatory manner and are appropriately documented.

A probationary classified employee may be dismissed without cause at any time prior to the expiration of the probationary period.

A permanent classified employee shall be subject to suspension, demotion, or dismissal only for one or more of the causes designated by rule of the personnel commission. (Education Code 45302, 45304)

When such serious disciplinary action is being contemplated against an employee, the district shall adhere to disciplinary procedures developed by the personnel commission. Due process shall be afforded to the employee, including proper notice, an opportunity for the employee to meet with a designated district official ("Skelly officer") or to respond in writing to the charges, and an opportunity to appeal the district's decision with the personnel commission in accordance with Education Code 45305-45307. If the matter is addressed in a hearing before the personnel commission, the decision of the personnel commission shall be final.

However, if the matter involves an allegation of egregious misconduct as defined in Education Code 44932 and involves a witness who is a minor, the matter shall be referred to an administrative law judge to determine whether sufficient cause exists for disciplinary action against the employee. The ruling of the administrative law judge shall be binding on the district and the employee. (Education Code 45312)

Policy 6158: Independent Study

Status: ADOPTED

Original Adopted Date: 03/01/2005 | **Last Revised Date:** 09/01/2022 | **Last Reviewed Date:** 09/01/2022

The Governing Board authorizes independent study as an optional alternative instructional strategy for students whose needs may be best met through study outside of the regular classroom setting. Independent study shall offer a means of individualizing the educational plan to serve students who desire a more challenging educational experience, whose health or other personal circumstances make classroom attendance difficult, who are unable to access course(s) due to scheduling problems, and/or who need to make up credits or fill gaps in their learning. As necessary to meet student needs, independent study may be offered for short- or long-term placements, on a full-time or part-time basis, and/or in conjunction with part- or full-time classroom study.

The Board shall hold a public hearing when considering the scope of its existing or prospective use of independent study as an instructional strategy, its purposes in authorizing independent study, and factors bearing specifically on the maximum realistic lengths of assignments and acceptable number of missed assignments for specific populations of students or adult education students. (Education Code 51747; 5 CCR 11701)

The Superintendent or designee may provide a variety of independent study opportunities, including, but not limited to, through a program or class within a comprehensive school, an alternative school or program of choice, a charter school, and an online course.

Student participation in independent study shall be voluntary and no student shall be required to participate. (Education Code 51747, 51749.5, 51749.6)

Independent study for each student shall be under the general supervision of a district employee who possesses a valid certification document pursuant to Education Code 44865 or an emergency credential pursuant to Education Code 44300. Students' independent study shall be coordinated, evaluated, and documented, as prescribed by law and reflected in the accompanying administrative regulation. (Education Code 51747.5)

The minimum period of time for any independent study option shall be three consecutive school days. (Education Code 46300)

General Independent Study Requirements

The Superintendent or designee may offer and approve independent study for an individual student upon determining that the student is prepared to meet the district's requirements for participation and is likely to succeed as well as or better than the student would in the regular classroom setting.

The minimum instructional minutes shall be the same for all students at each school including students participating in independent study, except as otherwise permitted by law. (Education Code 46100)

Because excessive leniency in the duration of independent study assignments may result in a student falling behind peers and increase the risk of dropping out of school, independent study assignments shall be completed no more than one week after assigned for all grade levels and types of programs. When necessary based on the specific circumstances of the student's approved program, the Superintendent or designee may allow for a longer period of time between the date an assignment is made and when it is due. However, in no event shall the due date of an assignment be extended beyond the termination date specified in the student's written agreement.

An evaluation shall be conducted to determine whether it is in a student's best interest to remain in independent study whenever the student fails to make satisfactory educational progress and/or misses three assignments. Satisfactory educational progress shall be determined based on all of the following indicators: (Education Code 51747)

1. The student's achievement and engagement in the independent study program, as indicated by the student's performance on applicable student-level measures of student achievement and engagement specified in

Education Code 52060

3. Learning of required concepts, as determined by the supervising teacher
4. Progress towards successful completion of the course of study or individual course, as determined by the supervising teacher

The Superintendent or designee shall ensure that students participating in independent study are provided with content aligned to grade level standards at a level of quality and intellectual challenge substantially equivalent to in-person instruction. For high schools, this shall include access to all courses offered by the district for graduation and approved by the University of California (UC) or the California State University (CSU) as creditable under the A-G admissions criteria. (Education Code 51747)

2. For students in grades 4-8, opportunities for both daily live interaction and at least weekly synchronous instruction
3. For students in grades 9-12, opportunities for at least weekly synchronous instruction

The Superintendent or designee shall ensure that procedures for tiered reengagement strategies are used for all students participating in an independent study program for 15 school days or more who are: (Education Code 51747)

1. Not generating attendance for more than ten percent of required minimum instructional time over four continuous weeks of the district's approved instructional calendar
2. Not participating in synchronous instructional offerings pursuant to Education Code 51747.5 for more than 50 percent of the scheduled times of synchronous instruction in a school month as applicable by grade span

(Education Code 51747)

When any student enrolled in classroom-based instruction is participating in independent study due to necessary medical treatment or inpatient treatment for mental health or substance abuse under the care of appropriately licensed professionals, the student shall be exempt from the live interaction and/or synchronous instruction, tiered reengagement strategies, and transition back to in-person instruction requirements specified above. In such cases, evidence from appropriately licensed professionals, of the student's need to participate in independent study, shall be submitted to the Superintendent or designee. (Education Code 51747)

The Superintendent or designee shall ensure that a written agreement exists for each participating student as prescribed by law. (Education Code 51747, 51749.5)

Upon the request of the parent/guardian of a student, and before signing a written agreement as described below in the section "Master Agreement," the district shall conduct a telephone, videoconference, or in-person student-parent-educator conference or other meeting during which the student, parent/guardian, and, if requested by the parent/guardian an advocate, may ask questions about the educational options, including which curriculum offerings and nonacademic supports will be available to the student in independent study. 10. Before the commencement of independent study projected to last for 15 school days or more, or within ten school days of the first day of enrollment for independent study for less than 15 school days, the agreement shall be signed and dated by the student, the student's parent/guardian or caregiver if the student is under 18 years of age, the certificated employee responsible for the general supervision of independent study, and for students with disabilities, the certificated employee designated as having responsibility for the special education programming of the student

If satisfactory educational progress in one or more independent study courses is not being made, the teacher providing instruction shall notify the student and, if the student is under 18 years of age, the student's parent/guardian. The teacher shall conduct an evaluation to determine whether it is in the student's best interest to remain in the course or whether the student should be referred to an alternative program, which may include, but is not limited to, a regular school program. A written record of the evaluation findings shall be treated as a mandatory interim student record maintained for three years from the date of the evaluation. If

the student transfers to another California public school, the record shall be forwarded to that school.

Procedures for tiered reengagement strategies shall be used for all students who are not making satisfactory educational progress in one or more courses or who are in violation of the written learning agreement, as described in the section "Learning Agreement for Course-Based Independent Study" below. These procedures shall include, but are not necessarily limited to, the verification of current contact information for each enrolled student, a plan for outreach from the school to determine student needs, including connection with health and social services as necessary, and a clear standard for requiring a student-parent-educator conference to review a student's written agreement and reconsider the independent study program's impact on the student's achievement and well-being.

6. Examinations shall be administered by a proctor

Synchronous instruction means classroom-style instruction or designated small group or one-on-one instruction delivered in-person, or in the form of Internet or telephonic communications, and involving live two-way communication between the teacher and student. Synchronous instruction shall be provided by a teacher or teachers of record for that student pursuant to Education Code 51747.5 or the certificated employee providing instruction for course-based independent study. (Education Code 51745.5)

Educational Opportunities

Educational opportunities offered through independent study may include, but are not limited to: (Education Code 51745)

1. Special assignments extending the content of regular courses of instruction
2. Individualized study in a particular area of interest or in a subject not currently available in the regular school curriculum
3. Continuing and special study during travel
4. Volunteer community service activities and leadership opportunities that support and strengthen student achievement
5. Individualized study for a student whose health, as determined by the student's parent/guardian, would be put at risk by in-person instruction or for a student who is unable to attend in-person instruction due to a quarantine due to exposure to, or infection with, COVID-19, pursuant to local or state public health guidance

In addition, when requested by a parent/guardian due to an emergency or illness, independent study may be used on a short-term basis to ensure that the student is able to maintain academic progress in the student's regular classes.

No course required for high school graduation shall be offered exclusively through independent study. (Education Code 51745)

Equivalency

The district's independent study option shall be substantially equivalent in quality and quantity to classroom instruction to enable participating students to complete the district's adopted course of study within the customary timeframe. Students in independent study shall have access to the same services and resources that are available to other students in the school and shall have equal rights and privileges. (5 CCR 11700, 11701.5)

Students participating in independent study shall have access to Internet connectivity and devices adequate to participate in the educational program and complete assigned work. (Education Code 51747)

The district shall not provide independent study students and their parents/guardians with funds or items of value that are not provided for other students and their parents/guardians. Providing access to Internet connectivity and district-owned devices adequate to participate in an independent study program and complete assigned work

consistent with Education Code 51747, or to participate in an independent study course, as authorized by Education Code 51749.5, shall not be considered funds or other things of value. (Education Code 46300.6, 51747.3)

Eligibility for Independent Study

To participate in independent study, a student shall be enrolled in a district school. (Education Code 51748)

The Superintendent or designee may approve the participation of a student who demonstrates the motivation, commitment, organizational skills, and academic skills necessary to work independently provided that experienced certificated staff are available to effectively supervise students in independent study. The Superintendent or designee may also approve the participation of a student whose health would be put at risk by in-person instruction. A student whose academic performance is not at grade level may participate in independent study only if the program is able to provide appropriate support, such as supplemental instruction, tutoring, counseling, ongoing diagnostic assessments, and/or differentiated materials, to enable the student to be successful. For an elementary student, the Superintendent or designee may consider the parent/guardian's level of commitment to assist the student.

A student participating in independent study must be a resident of the county or an adjacent county. Full-time independent study shall not be available to students whose district residency status is based on their parent/guardian's employment within district boundaries pursuant to Education Code 48204. (Education Code 46300.2, 51747.3)

A student with disabilities, as defined in Education Code 56026, may participate in independent study if the student's individualized education program (IEP) specifically provides for such participation. If a parent/guardian of a student with disabilities requests independent study because the student's health would be put at risk by in-person instruction, the student's IEP team shall make an individualized determination as to whether the student can receive a free appropriate public education (FAPE) in an independent study placement. A student's inability to work independently, need for adult support, or need for special education or related services shall not preclude the IEP team from determining that the student can receive FAPE in an independent study placement. (Education Code 51745)

In addition, any student with disabilities who receives services from a nonpublic, nonsectarian school through a virtual program may be permitted to participate in independent study if the student's IEP team determines that FAPE can be provided to the student by means of the virtual program and other conditions of law are satisfied.

A temporarily disabled student shall not receive individual instruction pursuant to Education Code 48206.3 through independent study. (Education Code 51745)

Except for students participating in independent study due to an emergency as described in Education Code 41422 and 46392 and pregnant and parenting students who are the primary caregiver for their child(ren), no more than 10 percent of the students enrolled in a continuation high school or opportunity school or program shall be enrolled in independent study. (Education Code 51745)

Monitoring Student Progress

The independent study administrator and/or supervising teacher shall promptly and directly address any failure by the student to meet the terms of the student's written agreement. The following supportive strategies may be used:

1. A letter to the student and/or parent/guardian
2. A meeting between the student and the teacher and/or counselor
3. A meeting between the student and the independent study administrator, including the parent/guardian if appropriate

4. An increase in the amount of time the student works under direct supervision

When the student has failed to make satisfactory educational progress or missed the number of assignments specified in the written agreement as requiring an evaluation, the Superintendent or designee shall conduct an evaluation to determine whether independent study is in the student's best interest. This evaluation may result in termination of the independent study agreement and the student's return to the regular classroom program or other alternative program. (Education Code 51747, 51749.5; 5 CCR 11701)

A written record of the findings of any such evaluation shall be treated as a mandatory interim student record which shall be maintained for three years from the date of the evaluation, and if the student transfers to another public school in California, the record shall be forwarded to that school. (Education Code 51747, 51749.5)

Responsibilities of Independent Study Administrator

The responsibilities of the independent study administrator include, but are not limited to:

2. Approving or denying the participation of students requesting independent study
3. Facilitating the completion of written independent study agreements
4. Ensuring a smooth transition for students into and out of the independent study mode of instruction
5. Approving all credits earned through independent study
6. Completing or coordinating the preparation of all records and reports required by law, Board policy, or administrative regulation

(Education Code 44865, 51747.5; 5 CCR 11700)

The ratio of student average daily attendance for independent study students age 18 years or younger to full-time equivalent certificated employees responsible for independent study shall not exceed the equivalent ratio for all other education programs in the district, unless a new higher or lower ratio for all other educational programs offered is negotiated in a collective bargaining agreement or the district enters into a memorandum of understanding that indicates an existing collective bargaining agreement contains an alternative ratio. (Education Code 51745.6)

The responsibilities of the supervising teacher shall include, but are not limited to:

1. Completing designated portions of the written independent study agreement and signing the agreement
2. Supervising and approving coursework and assignments
3. Maintaining records of student assignments showing the date the assignment is given and the date the assignment is due
4. Maintaining a daily or hourly attendance register in accordance with Item #4 in the section on "Records" in the accompanying Board policy
5. Providing direct instruction and counsel as necessary for individual student success
6. Regularly meeting with the student to discuss the student's progress

Policy 7110: Facilities Master Plan

Status: ADOPTED

Original Adopted Date: 02/01/1996 | **Last Revised Date:** 09/01/2022 | **Last Reviewed Date:** 09/01/2022

The Governing Board recognizes the importance of long-range planning for school facilities in order to address changes in student enrollment, teacher housing needs, and the district's educational program. The Superintendent or designee shall develop, for Board approval, a master plan for district facilities which describes the district's anticipated short- and long-term facilities needs and priorities.

Plan Development

The district's facilities master plan shall be based on an assessment of the condition and adequacy of existing facilities, a projection of future enrollments, and alignment of facilities with the district's vision for the instructional program.

To solicit broad input into the planning process, the Superintendent or designee may establish a facilities advisory committee consisting of staff, parents/guardians, and business, local government, and other community representatives. The Superintendent or designee shall ensure that the public is informed of the need for construction and modernization of facilities and of the district's plans for facilities.

At least 45 days prior to completion of any facilities plan that relates to the potential expansion of existing school sites or the necessity to acquire additional school sites, the Superintendent or designee shall notify and provide copies of the plan or any relevant and available information to the planning commission or agency of the city or county with land use jurisdiction within the district. (Government Code 65352.2)

If the city or county commission or agency requests a meeting, the Superintendent or designee shall meet with the commission or agency within 15 days following the notification. Items that the parties may discuss at the meeting include, but are not limited to, methods of coordinating planning with proposed revitalization efforts and recreation and park programs, options for new school sites, methods of maximizing the safety of persons traveling to and from the site, and opportunities for financial assistance. (Government Code 65352.2)

The master plan shall be regularly reviewed and updated as necessary to reflect changes in the educational program, existing facilities, finances, or demographic data.

Plan Components

The facilities master plan shall include:

1. A statement of purpose, including district goals, philosophy, and related policies
2. A description of the planning process
3. Demographics of the community, such as economic trends, migration patterns, employment base, residential base, socioeconomic makeup, historical school enrollments, and inventory of physical resources and needs
4. A description of the educational program, such as grade-level organization, class size, staffing patterns, technology plans, special programs and support services, and other educational specifications
5. Analysis of the safety, adequacy, and equity of existing facilities and potential for expansion, including the adequacy of classrooms, school cafeterias and food preparation areas, physical activity areas, playgrounds, parking areas, and other school grounds
6. Site selection criteria and process
7. Development of a capital planning budget and identification of potential funding sources
8. Policy for reviewing and updating the plan

Planning shall ensure that school facilities meet the following minimum standards: (5 CCR 14001)

1. Are aligned with the district's educational goals and objectives
2. Provide for maximum site enrollment at school facilities
3. Are located on a site that meets California Department of Education standards as specified in 5 CCR 14010
4. Are designed for the environmental comfort and work efficiency of the occupants
5. Are designed to require a practical minimum of maintenance
6. Are designed to meet federal, state, and local statutory requirements for structure, fire, and public safety
7. Are designed and engineered with flexibility to accommodate future need

Plans for the design and construction of new school facilities shall also meet the standards described in 5 CCR 14030, the California Green Building Standards Code, Title 24, Part 11 of the California Code of Regulations ("CALGreen"), the Americans with Disabilities Act (ADA) pursuant to 42 USC 12101-12213, and any other requirements applicable to the funding source and type of project.

However, plans for residential housing, which includes any building used or intended to be used by the district as a personal residence by a teacher or employee of the district, is not considered to be a "school building" and does not require approval by the Department of General Services regarding earthquake safety and/or the ADA. (Education Code 17283.5; Government Code 4454.5)

To facilitate the efficient use of public resources when planning for new construction or modernization of school facilities, the district may consider designs that facilitate joint use of the facility with a local governmental agency, public postsecondary institution, or nonprofit organization.

Original Adopted Date: 02/01/1999 | **Last Revised Date:** 09/01/2022 | **Last Reviewed Date:** 09/01/2022

The Governing Board believes that a school site should serve the district's educational needs in accordance with the district's master plan, as well as show potential for contributing to other community needs.

The Board recognizes the importance of community input in the site selection process. To this end, the Board will solicit community input whenever a school site is to be selected and shall provide public notice and hold public hearings in accordance with law.

The Superintendent or designee shall establish a site selection process which complies with law and ensures that the best possible sites are acquired and developed in a cost-effective manner.

Before acquiring property for a new school or an addition to an existing school site, the Board, at a public hearing, shall either evaluate the property using state site selection standards specified in 5 CCR 14010 or, if a district advisory committee was appointed to evaluate the property, receive the committee's report of findings based on those standards. (Education Code 17211, 17251)

Environmental Impact Investigation for the Site Selection Process

The Superintendent or designee shall determine whether any proposed development project is subject to the requirements of the California Environmental Quality Act (CEQA) and shall ensure compliance with this Act, including any web site posting requirements. When evaluating district projects, the CEQA guidelines shall be used.

Environmental review documents, including a draft environmental impact report, environmental impact report, negative declaration or mitigated negative declaration, and public notice of the preparation and availability of such documents, shall be posted on the district's web site. (Public Resources Code 21082.1, 21092, 21092.2)

Agricultural Land

If the proposed site is in an area designated in a city, county, or city and county general plan for agricultural use and zoned for agricultural production, the Board shall determine all of the following: (Education Code 17215.5)

1. That the district has notified and consulted with the city, county, or city and county within which the prospective site is to be located
2. That the Board has evaluated the final site selection based on all factors affecting the public interest and not limited to selection on the basis of the cost of the land
3. That the district shall attempt to minimize any public health and safety issues resulting from the neighboring agricultural uses that may affect students and employees at the site
