In the event that a teacher with prior approval of the District Board schedules, plans and implements an overnight field trip for their class, they will receive a \$500 stipend for that trip in recognition of fundraising and supervision duties related to the educational trip. Teachers with prior Site Administrator approval, who plan and lead a full-day field trip outside of Point Arena in conjunction with a fundraiser will receive a \$250 stipend (excluding trips planned and/or

funded at the Administrative level ex. Blaire Day).

NOTE: It is understood that Arena Elementary School District and Point Arena Joint Union High School District are two separate districts and AUTO cannot negotiate for PAHSTA or vice versa; however, the intent of this language is that a certificated employee from AUTO and PAHSTA who is working as CELDT Coordinator for both districts will receive a stipend of \$2500. If there are separate coordinators for each site, they will each get \$1250.

Assignments for these duties shall be voluntary and annually offered to certificated personnel first. In the event two or more certificated personnel volunteer, the same criteria as voluntary reassignment will be applied. In the event that no certificated personnel apply, the position may be offered to non-certificated persons.

Effective July 1, 2021, unit members serving in specific stipend positions (noted above) shall be able to opt to receive the stipend or the District unit(s) (toward advancement on the salary schedule). The unit member may not split the stipend amount and the number of unit(s). The unit member must notify Huma Resources of their irrevocable election (between the stipend and the District unit) by August 31. If the unit member does not meet this deadline, the default will be the stipend amount. The unit member must complete the year of service in order to receive the District unit.

If more than one (1) unit member serves in a single stipend position, the stipend (or number of District units) shall be pro-rated.
