Policy 0460: Local Control And Accountability Plan

Status: DRAFT

Original Adopted Date: 10/01/2017 | **Last Revised Date:** 06/23/2021

The Governing Board desires to ensure the most effective use of available funding to improve outcomes for all students. A comprehensive, data-driven planning process shall be used to identify annual goals and specific actions which are aligned with the district budget and facilitate continuous improvement of district practices.

The Board shall adopt a districtwide local control and accountability plan (LCAP), based on the template adopted by the State Board of Education (SBE), that addresses the state priorities in Education Code 52060 and any local priorities adopted by the Board. The LCAP shall be updated on or before July 1 of each year and, like the district budget, shall cover the next fiscal year and two subsequent fiscal years. (Education Code 52060, 52064; 5 CCR 15494-15497)

The LCAP shall focus on improving outcomes for all students, particularly those who are "unduplicated students" or are part of any numerically significant student subgroup that is at risk of or is underperforming.

Unduplicated students include students who are eligible for free or reduced-price meals, English learners, and foster youth, as defined in Education Code 42238.01 for purposes of the local control funding formula (LCFF). (Education Code 42238.02)

Numerically significant student subgroups include ethnic subgroups, socioeconomically disadvantaged students, English learners, students with disabilities, foster youth, and homeless students, when there are at least 30 students in the subgroup or at least 15 foster youth or homeless students. (Education Code 52052)

Beginning July 1, 2025, if the district is identified by the California Department of Education (CDE) as needing an improvement plan pursuant to 34 CFR 300.600-300.647, the Board shall adopt, and update on an annual basis, an Individual with Disabilities Education Act (IDEA) Addendum, based on the template adopted by SBE. However, if the district adopts an improvement plan after being identified, but before July 1, 2025, the IDEA Addendum shall be developed upon expiration of the adopted improvement plan, but no later than July 1, 2028, whichever occurs first. The IDEA addendum shall be developed, reviewed, and approved in conjunction with and in the same manner as the LCAP and the annual update to the LCAP, and shall be submitted to CDE within 15 days of adoption by the Board. (Education Code 52064.3)

The Superintendent or designee shall review the school plan for student achievement (SPSA) submitted by each district school pursuant to Education Code 64001 to ensure that the specific actions included in the LCAP are consistent with strategies included in the SPSA. (Education Code 52062)

The LCAP shall also be aligned with other district and school plans, to the extent possible, in order to minimize duplication of effort and provide clear direction for program implementation.

As part of the LCAP adoption and annual update to the LCAP, the Board shall separately adopt an LCFF budget overview for parents/guardians, based on the template developed by SBE, which includes specified information relating to the district's budget. The budget overview shall be adopted, reviewed, and approved in the same manner as the LCAP and the annual update. (Education Code 52064.1)

Any complaint that the district has not complied with legal requirements pertaining to the LCAP may be filed pursuant to AR 1312.3 - Uniform Complaint Procedures. (Education Code 52075)

Plan Development

The Superintendent or designee shall gather data and information needed for effective and meaningful plan development and present it to the Board and community. Such data and information shall include, but not be limited to, data regarding the number of students in student subgroups, disaggregated data on student achievement levels, and information about current programs and expenditures.

The Board shall consult with teachers, principals, administrators, other school personnel, employee bargaining units, parents/guardians, and students in developing the LCAP. Consultation with students shall enable unduplicated students and other numerically significant student subgroups to review and comment on LCAP development and may include surveys of students, student forums, student advisory committees, and/or meetings with student government bodies or other groups representing students. (Education Code 52060; 5 CCR 15495)

Public Review and Input

The Board shall establish a parent advisory committee to provide advice on the LCAP. The committee shall be composed of a majority of parents/guardians and shall include parents/guardians of unduplicated students as defined above and parents/guardians of students with disabilities. (Education Code 52063; 5 CCR 15495)

Beginning July 1, 2024, unless a student advisory committee is established to provide advice to the Board and Superintendent, two students shall be included as full members of the parent advisory committee. The students shall serve for a renewable term of one full school year. (Education Code 52063)

Student members of the parent advisory committee or the student advisory committee shall represent the diversity of the district's students, including geographical, socioeconomic, cultural, physical, and educational diversity, and particular effort shall be made to reach out to at-risk or disadvantaged students to serve as members of such committees. (Education Code 52063)

Whenever district enrollment includes at least 15 percent English learners, with at least 50 students who are English learners, the Board shall establish an English learner parent advisory committee composed of a majority of parents/guardians of English learners to review and comment on the LCAP. (Education Code 52063; 5 CCR 15495)

The Superintendent or designee shall present the LCAP to the committee(s) before it is submitted to the Board for adoption, and shall respond in writing to comments received from the committee(s).

The Superintendent or designee shall notify members of the public of the opportunity to submit written comments regarding the specific actions and expenditures proposed to be included in the LCAP. The notification shall be provided using the most efficient method of notification possible, which may not necessarily include producing printed notices or sending notices by mail. All written notifications related to the LCAP shall be provided in the primary language of parents/guardians when required by Education Code 48985. (Education Code 52062)

As part of the parent/guardian and community engagement process, the district shall solicit input on effective and appropriate instructional methods, including, but not limited to, establishing language acquisition programs to enable all students, including English learners and native English speakers, to have access to the core academic content standards and to become proficient in English. (Education Code 305-306)

The Superintendent or designee shall consult with the administrator(s) of the special education local plan area of which the district is a member to ensure that specific actions for students with disabilities are included in the LCAP and are consistent with strategies included in the annual assurances support plan for the education of students with disabilities. (Education Code 52062)

The Board shall hold at least one public hearing to solicit the recommendations and comments of members of the public regarding the specific actions and expenditures proposed to be included in the LCAP. The public hearing shall be held at the same meeting as the budget hearing required pursuant to Education Code 42127 and AR 3100 - Budget. (Education Code 42127, 52062)

Adoption of the Plan

The Board shall adopt the LCAP prior to adopting the district budget, but at the same public meeting. This meeting shall be held after the public hearing described above, but not on the same day as the hearing. (Education Code 52062)

The Board may adopt revisions to the LCAP at any time during the period in which the plan is in effect, provided the Board follows the process to adopt the LCAP pursuant to Education Code 52062 and the revisions are adopted in a public meeting. (Education Code 52062)

Submission of Plan to County Superintendent of Schools

Not later than five days after adoption of the LCAP, the district budget, and the budget overview for parents/guardians, the Board shall file the LCAP, the budget, and the budget overview with the County Superintendent of Schools. (Education Code 42127, 52064.1, 52070)

If the County Superintendent sends, by August 15, a written request for clarification of the contents of the LCAP, the Board shall respond in writing within 15 days of the request. If the County Superintendent then submits recommendations for amendments to the LCAP within 15 days of receiving the Board's response, the Board shall consider those recommendations in a public meeting within 15 days of receiving the recommendations. (Education Code 52070)

If the County Superintendent does not approve the district's LCAP, the Board shall accept technical assistance from the County Superintendent focused on revising the plan so that it can be approved. (Education Code 52071)

Monitoring Progress

The Superintendent or designee shall report to the Board, at least annually in accordance with the timeline and indicators established by the Superintendent and the Board, regarding the district's progress toward attaining each goal identified in the LCAP. Evaluation shall include, but not be limited to, an assessment of district and school performance reported on the California School Dashboard. Evaluation data shall be used to recommend any necessary revisions to the LCAP.

The Superintendent or designee shall seek and/or accept technical assistance or other intervention that may be required pursuant to Education Code 52071 or 52072 when a school or a numerically significant student subgroup is not making sufficient progress toward the goals in the LCAP.

The Board shall regularly assess the district's financial position and communicate the results to the public, and shall use financial reports to determine the actions and budget amendments, if any, that are needed to ensure the district's financial stability. If district conditions predict fiscal distress or indicate that the district might not be able to meet its fiscal obligations, the Board and Superintendent or designee shall take action to resolve these conditions without delay. The Board shall work cooperatively with the County Superintendent of Schools to improve the district's fiscal health and may contract with an external individual or organization to provide the district with needed advice or fiscal management or training.

Original Adopted Date: 03/01/2008 | **Last Revised Date:** 06/23/2021

Possession of Weapons

The Board prohibits any student from possessing weapons, imitation firearms, or other dangerous instruments, as defined in law and administrative regulation, in school buildings, on school grounds, when using district provided transportation, at school-related or school-sponsored activities away from school, or while going to or coming from school.

If a student is in possession of a prohibited weapon, imitation firearm, or dangerous instrument which creates a threat or perceived threat of a homicidal act, any employee or other school official who is alerted to or observes such threat shall immediately report the threat to law enforcement.

Under the power granted to the Board to protect the safety of students, staff, and others on district property and to maintain order and discipline in the schools, any school employee is authorized to confiscate any prohibited weapon, imitation firearm, or dangerous instrument from any student on school grounds.

The principal or designee shall notify law enforcement authorities when any student possesses a firearm, explosive, or other prohibited weapon or dangerous instrument without permission, sells or furnishes a firearm, or commits any act of assault with a firearm or other weapon. (Education Code 48902; Penal Code 245, 626.9, 626.10; 20 USC 7961)

All staff shall be made aware of their responsibilities regarding the reporting of potential homicidal acts to law enforcement, and receive training in the assessment and reporting of such threats.

Advance Permission for Possession of a Weapon for Educational Purposes

The parent/guardian of a student who desires to possess a firearm, imitation firearm, or other prohibited weapon on school grounds for an educational purpose shall submit a written request to the principal, at least five school days in advance of the planned possession which explains the planned use of the weapon and the duration, together with a written explanation from the staff person responsible for the school-sponsored activity or class.

Factors that shall be considered include, but are not limited to, the planned use of the weapon, the duration and location of the planned use, whether an audience is expected, and any perceived adverse effects to the safety and well-being of students or staff. If the principal grants such permission, the student and staff person shall be provided with a written explanation regarding any limitations and the permissible duration of the student's possession.

When the principal or designee grants permission, all necessary precautions shall be taken to ensure the safety of all persons on school grounds and the safe keeping of the weapon, including, but not limited to, inspecting a firearm to verify that no live ammunition is present. Any permitted weapon shall be stored in a locked vehicle or in an appropriate, locked container before and after its authorized use.

Any student granted permission to possess a weapon may be suspended and/or expelled if the weapon is possessed or used inappropriately.

To prevent potential misuse that may harm students or staff, students are prohibited from carrying tear gas or tear gas weapons such as pepper spray on campus or at school activities.

Reporting of Dangerous Objects

The Board encourages students to promptly report the presence of weapons, injurious objects, or other suspicious activity to school authorities. The identity of a student who reports such activity shall remain confidential to the extent permitted by law.

The Superintendent or designee shall develop strategies designed to facilitate student reporting of the presence of injurious objects on school grounds, such as tip hotlines, electronic transmissions, or other methods that preserve the student's anonymity. Incident reports and records shall not identify the student who reported the possession. The Superintendent or designee shall also inform staff, students, and parents/guardians that students who report the presence of injurious objects on school campuses are to be protected and their identity shielded.

Status: DRAFT

Original Adopted Date: 06/01/1996 | **Last Revised Date:** 06/23/2021

Cautionary Notice: Government Code 17581.5 relieves districts from the obligation to perform specified mandated activities, including scoliosis screening, when the Budget Act does not provide reimbursement during that fiscal year. As a result, districts should determine whether the Budget Act for the current fiscal year allows for the suspension of these requirements, and if so, suspend certain provisions of the following administrative regulation related to scoliosis screening. For more information, the district should consult CSBA's District and County Offices of Education Legal Services or district legal counsel.

The principal at each school shall notify parents/guardians of the rights of students and parents/guardians related to health examinations. (Education Code 48980; 20 USC 1232h)

A parent/guardian may annually file with the principal a written statement withholding consent to the child's physical examination. Any such student shall be exempt from any physical examination but shall be subject to exclusion from attendance when contagious or infectious disease is reasonably suspected. (Education Code 49451; 20 USC 1232h)

Vision Tests

Each student's vision shall be appraised, by the school nurse or other personnel authorized under Education Code 49452, during the kindergarten year or upon first enrollment or entry in a district elementary school and subsequently in grades 2, 5, and 8. However, a student who is tested upon first enrollment or entry in the district in grade 4 or 7 shall not be required to be appraised in the next immediate year. (Education Code 49455)

The vision appraisal shall include tests for visual acuity, including near vision. Male students shall also be tested once for color vision in grade 1 or later and the results of the appraisal shall be entered in the student's health record. (Education Code 49455)

Appraisal of a student's vision may be waived under either of the following conditions: (Education Code 49455)

2. The student's parents/guardians file with the principal a written statement that they adhere to the faith or teachings of any well-recognized religious sect, denomination, or organization and, in accordance with its creed, tenets, or principles depend for healing upon prayer in the practice of their religion.

Visual defects or any other defects found as a result of the vision examination shall be reported to the parent/guardian with a request that remedial action be taken to correct or cure the defect. The report of a visual defect, if made in writing, shall be made on a form prescribed by the Superintendent of Public Instruction. The report shall not include a referral to any private practitioner. However, the student may be referred to a public clinic or diagnostic and treatment center operated by a public hospital or by the state, county, or city department of public health. (Education Code 49456)

In addition to the vision appraisals described above, the school nurse and/or classroom teacher shall continually and regularly observe students' eyes, appearance, behavior, visual performance, and perception that may indicate vision difficulties. (Education Code 49455)

Eye Examinations for the Purpose of Eyeglasses

In addition to the vision appraisals described above, the district may enter into a memorandum of understanding with a nonprofit eye examination provider, including a mobile provider, to provide noninvasive eye examinations at a district school exclusively for the purpose of providing eyeglasses. (Education Code 49455.5)

Prior to any eye examination, the school shall notify parents/guardians of the upcoming eye examination and include

Parents/guardians whose child receives an eye examination shall be provided a report by the provider in accordance with Education Code 49456. (Education Code 49455.5)

Hearing tests may be given more frequently as needed, based on the individualized education program team's evaluation of the student. (17 CCR 2951)

A follow-up hearing threshold test shall be administered to any student who fails to respond to any of the required frequencies in the screening test or is otherwise determined to need further evaluation. (17 CCR 2951)

The Superintendent or designee shall provide written notification of test results to the parents/guardians of any student who fails the hearing tests. When the test results fall within the levels specified in 17 CCR 2951 or there is evidence of pathology, such as an infection of the outer ear, chronic drainage, or a chronic earache, the notification shall include a recommendation that a further medical and audiological evaluation be obtained. Policy 5148.3: Preschool/Early Childhood Education

Status: DRAFT

Original Adopted Date: 11/01/2012 | **Last Revised Date:** 06/23/2021

The Governing Board recognizes the value of high-quality preschool experiences to enhance children's social-emotional development and acquisition of instructional knowledge, skills, and abilities. The Board desires to provide a supervised and cognitively rich learning environment designed to facilitate the transition to kindergarten for three- and four-year-old children.

The Superintendent or designee shall collaborate with the local child care and development planning council, the county office of education, other public agencies, organizations, and/or private preschool providers to assess the availability of preschool programs in the community and the extent to which the community's preschool needs are being met. The Board encourages the development of a comprehensive districtwide and/or countywide plan to increase children's access to high-quality preschool programs.

The Superintendent or designee shall provide information about preschool options in the community to parents/guardians upon request.

To receive preschool services, a child and the child's parent(s)/guardian(s) shall be required to provide evidence of residency in California. However, any person identified as experiencing homelessness shall only be required to submit a declaration that the person resides in California. (5 CCR 17745)

Preschool eligibility determinations shall be made without regard to a child's immigration status or that of the child's parent(s)/guardian(s) unless the child or the child's parent(s)/guardian(s) are under a final order of deportation from the United States Department of Homeland Security. (5 CCR 17745)

District Preschool Programs

When the Board determines that it is feasible, the district may contract with the California Department of Education (CDE) to provide preschool services in facilities at or near district schools, either directly or through a subcontract with a public or private provider.

District preschool programs shall comply with all health and safety laws and regulations, including, when applicable, licensure requirements pursuant to 22 CCR 101156.

Preschool classroom needs shall be addressed in the district's facilities master plan, including an assessment as to whether adequate and appropriate space exists on school sites. As necessary, the Superintendent or designee shall provide information to the Board regarding facilities financing options for preschool classrooms and/or facilities available through partnering organizations or agencies.

skills and knowledge.

The district's preschool program shall provide appropriate services to support the needs of at-risk children.

To maximize the ability of children to succeed in the preschool program, the program shall support children's health through proper nutrition and physical activity and shall provide or make referrals to available health and social services as needed.

The district shall encourage volunteerism by families participating in the program and shall communicate frequently with parents/guardians of enrolled children regarding their child's progress.

The Superintendent or designee shall ensure that administrators, teachers, and paraprofessionals in district preschool programs possess the appropriate permit(s) issued by the Commission on Teacher Credentialing, meet any additional qualifications established by the Board, and participate in professional development opportunities designed to continually enhance their knowledge and skills.

Preschool admissions policies and procedures shall be in writing and available to the public. Such policies and procedures shall include criteria designating those children whose needs can be met by the program and services, the ages of children who will be accepted, program activities, any supplementary services provided, any field trip provisions, any transportation arrangements, food service provisions, and a health examination requirement. (5 CCR 17743; 22 CCR 101218.1)

The Superintendent or designee shall ensure that subsidized preschool is provided to eligible families to the extent that state and/or federal funding is available and shall establish enrollment priorities in accordance with Education Code 8208, 8210, and 8211 and 5 CCR 17746-17748.

However, licensed programs shall refer complaints alleging health and safety violations to the California Department of Social Services. (Education Code 8212; 5 CCR 4610, 4611, 4690-4694, 17781)

The Superintendent or designee shall regularly report to the Board regarding enrollment in district preschool programs and the effectiveness of the programs in preparing preschoolers for transition into the elementary education program.

 - c. Information on working with families, including the use of on-site coaching, for guided practice in interactive literacy activities
 - d. Providing targeted interventions for all young children to improve kindergarten readiness upon program completion

Eligibility Criteria for Part-Day CSPP Programs

A three- or four-year-old child is eligible for a part-day CSPP program if the child's family is one of the following: (Education Code 8208)

1. A current aid recipient
2. Income eligible
3. Homeless
4. One whose children are recipients of child protective services, or whose children have been identified as being abused, neglected, or exploited, or at risk of being abused, neglected or exploited
5. One who has children with exceptional needs, as defined in Education Code 8205
6. One with a household member who is certified to receive benefits from Medi-Cal, CalFresh, the California Food Assistance Program, the California Special Supplemental Nutrition Program for Women, Infants, and Children, the federal Food Distribution Program on Indian Reservations, Head Start, Early Head Start, or any other designated means-tested government program, as determined by CDE

After all eligible three- and four-year-old children have been enrolled as provided above, a part-day CSPP program may provide services to children in families whose income is no more than 15 percent above the income eligibility threshold, as described in Education Code 8213. No more than 10 percent of all the children enrolled in the CSPP program shall be from families above the income eligibility threshold. (Education Code 8208)

In addition, after all otherwise eligible children have been enrolled as provided in the paragraphs above, a part-day CSPP program may provide services to three- and four-year-old children in families whose income is above the income eligibility threshold if those children are children with exceptional needs. Such children with exceptional needs shall not count towards the 10-percent limit on enrollment of families with income above the income eligibility threshold described above. (Education Code 8208)

A CSPP program operating within the attendance boundary of a school where at least 80 percent of students are eligible for free and reduced-price lunch may enroll three- and four-year-old children after all otherwise eligible children have been enrolled as provided in the paragraphs above. (Education Code 8208 and 8217)

The district shall certify eligibility and enroll families into the part-day preschool program within 120 calendar days prior to the first day of the beginning of the new preschool year. Subsequent to a child's enrollment, the child shall be deemed eligible for the part-day CSPP program for the remainder of the program year and for the following program year, provided applicable age-eligibility requirements are met, as specified in Education Code 8205 and 48000. (Education Code 8208)

Enrollment Priorities for Part-Day CSPP Programs

The district shall give priority for part-day CSPP programs as follows: (Education Code 8210)

1. The first priority for services shall be given to three- or four-year-old children who are recipients of child protective services or who are at risk of being neglected, abused, or exploited and for whom there is a written referral from a legal, medical, or social service agency. If the district is unable to enroll a child in this first priority category, the district shall refer the child's parent/guardian to local resources and referral services so that services for the child can be located.
2. When the number of three- or four-year old children with exceptional needs required to be enrolled pursuant to Education Code 8208 have been enrolled and there are additional children with exceptional needs who are interested in enrolling, the second priority for services shall be given to all three- and four-year old children with exceptional needs from families with incomes below the income eligibility threshold, as described in Education Code 8213. Within this priority category, children with exceptional needs from families with the lowest income according to the income ranking on the most recent schedule of income ceiling eligibility table, as published by the Superintendent of Public Instruction (SPI) at the time of enrollment, shall be enrolled first.
3. The third priority shall be given to eligible four-year-old children who are not enrolled in a state-funded transitional kindergarten (TK) program. This priority shall not include children eligible for enrollment as children with exceptional needs pursuant to Education Code 8208 (a)(1)(E), who are from families with incomes above the income eligibility threshold, as described in Education Code 8213. Within this priority category, eligible children with the lowest income according to the income ranking on the most recent schedule of income ceiling eligibility table, as published by the SPI at the time of enrollment, shall be enrolled first.

If two or more families have the same income ranking according to the most recent schedule of income ceiling eligibility table, a child from a family in which the primary home language is a language other than English shall be enrolled first. If there are no children from such a family, the child that has been on the waiting list for the longest time shall be admitted first.

4. The fourth priority shall be given to eligible three-year-old children. This priority shall not include children eligible for enrollment as children with exceptional needs pursuant to Education Code 8208 (a)(1)(E), who are from families with incomes above the income eligibility threshold, as described in Education Code 8213. Enrollment determinations within this priority category shall be made in the same way as for third priority in Item #3 above.
5. The fifth priority, after all otherwise eligible children have been enrolled, shall be given to children from families whose income is no more than 15 percent above the eligibility income threshold, as described in Education Code 8213. Within this priority category, priority shall be given to three- and four-year-old children with exceptional needs interested in enrolling beyond those already enrolled in the 10 percent of funded enrollment set aside pursuant to Education Code 8208, then to four-year old children before three-year-old children without exceptional needs.
6. After all otherwise eligible children have been enrolled in the first through fifth priority categories, as described in Items #1-5 above, the district may enroll other children in the following order:
 - a. A CSPP program site operating within the attendance boundary of a school where at least 80 percent of students are eligible for free and reduced-price meals as described in Education Code 8217 may enroll any three- or four-year-old children whose families reside within the attendance boundary of the qualified elementary school. These children shall, to the extent possible, be enrolled by lowest to highest income according to the most recent schedule of income ceiling eligibility table.
 - b. Children enrolling in a CSPP program that provides expanded learning and care to TK or kindergarten students, pursuant to Education Code 48000

Regardless of the priorities listed above, until the district attains the percent of funded enrollment set aside for children with exceptional needs pursuant to Education Code 8208, children with exceptional needs shall be enrolled without regard to the priorities listed above. Within this category, eligible children with the lowest income according to the income ranking on the most recent schedule of income ceiling eligibility table, as published by the SPI at the time of enrollment, shall be enrolled first. If two or more families have the same income ranking, the child that has been on the waiting list for the longest time shall be admitted first. (Education Code 8210)

Eligibility and Enrollment Priorities for Full-Day CSPP Programs

A three- or four-year-old child is eligible for a full-day CSPP program if the family meets both of the following requirements: (Education Code 8208)

1. The child's family is one of the following:
 - a. A current aid recipient, income eligible, or homeless
 - b. One whose children are recipients of child protective services, or whose children have been identified as being abused, neglected, or exploited, or at risk of being abused, neglected, or exploited
 - c. One who has children with exceptional needs, as defined in Education Code 8205
 - d. One with a household member who is certified to receive benefits from Medi-Cal, CalFresh, the California Food Assistance Program, the California Special Supplemental Nutrition Program for Women, Infants, and Children, the federal Food Distribution Program on Indian Reservations, Head Start, Early Head Start, or any other designated means-tested government program, as determined by CDE
2. The child's family needs the childcare services because of either the following:
 - a. The child is identified by a legal, medical, or social services agency, the district liaison for homeless students, a Head Start program, or an emergency or transitional shelter as being a recipient of protective services; as being or at risk of being neglected, abused, or exploited; or as being homeless
 - b. The parents/guardians are participating in vocational training leading directly to a recognized trade, paraprofession, or profession; are engaged in an educational program for English language learners or to attain a high school diploma or general educational development certificate; are employed or seeking employment; are seeking permanent housing for family stability; or are incapacitated

After all eligible three- and four-year-old children have been enrolled as provided above, a full-day CSPP program may provide services to children in families whose income is no more than 15 percent above the income eligibility threshold, as described in Education Code 8213. No more than 10 percent of all the children enrolled in the CSPP program shall be from families above the income eligibility threshold. (Education Code 8208)

After all families meeting the criteria specified in the paragraphs above have been enrolled, a full-day CSPP program may provide services to three- and four-year-old children in families who do not meet at least one of the criteria in Item #2 above. (Education Code 8208)

After all otherwise eligible children have been enrolled as provided above, a CSPP program operating within the attendance boundary of a school where at least 80 percent of students are eligible for free and reduced-price meals as described in Education Code 8217 may enroll any four-year-old child. (Education Code 8208)

For full-day CSPP programs, the district shall use the same priority ranking specified in Items #1-#4 of "Enrollment Priorities for Part-Day CSPP Programs" above, and the following: (Education Code 8211)

1. After all otherwise eligible children based on Items 1-4 of "Enrollment Priorities for Part-Day CSPP Programs" have been enrolled, fifth priority shall be given to children from families whose income is no more than 15 percent above the eligibility income threshold, as described in Education Code 8213. Within this priority category, priority shall be given to three- and four-year-old children with an IFSP or IEP, then to four-year old children before three-year-old children without IFSP or IEP.
2. After all otherwise eligible children based on Items 1-4 of "Enrollment Priorities for Part-Day CSPP Programs" and Item #1 above have been enrolled, the district may enroll other children in the following order:
 - a. Three- and four-year old children from families who do not meet at least one of the need requirements in Item #2 above. Within this priority, families shall be enrolled in income ranking order, lowest to highest, and within income ranking order, four-year old children before three-year old children

- b. When a CSPP program site operates within the attendance boundary of a school where at least 80 percent of students are eligible for free and reduced-price meals as described in Education Code 8217, three- or four-year-old children whose families reside within the attendance boundary of the school may be enrolled without establishing eligibility or a need for services. Such children shall, to the extent possible, be enrolled by lowest to highest income ranking order.

Regardless of the priorities listed above, until the district attains the percent of funded enrollment set aside for children with exceptional needs pursuant to Education Code 8208, children with exceptional needs shall be enrolled without regard to the priorities listed above. Within this category, eligible children with the lowest income according to the income ranking on the most recent schedule of income ceiling eligibility table, as published by the SPI at the time of enrollment, shall be enrolled first. If two or more families have the same income ranking, the child that has been on the waiting list for the longest time shall be admitted first. (Education Code 8211)

Upon establishing initial eligibility or ongoing eligibility for a full-day CSPP program, a family shall be considered to meet all eligibility and need requirements for those services for not less than 24 months. Such families shall receive those services for not less than 24 months before having eligibility or need recertified, and shall not be required to report changes to income or other changes for at least 24 months. If the eligibility period ends before the end of a program year, eligibility shall be extended until the end of the program year, provided age-eligibility requirements are met, as specified in Education Code 8205. However, a family that establishes initial eligibility or ongoing eligibility on the basis of income shall report increases in income that exceed the threshold for ongoing income eligibility, as described in Education Code 8213, and the family's ongoing eligibility for services shall at that time be recertified. In addition, a family may, at any time, voluntarily report income or other changes. This information shall be used, as applicable, to reduce the family's fees, increase the family's services, or extend the period of the family's eligibility before recertification. (Education Code 8208)

Waiting List

The Superintendent or designee shall consult the county's centralized eligibility list, when available, or shall maintain a district waiting list in accordance with applicable enrollment priorities. As vacancies occur, applicant families shall be contacted in order of priority on the waiting list. (5 CCR 17744)

Combined Preschool/Transitional Kindergarten Classroom

When a child is eligible for both the preschool program and the district's TK program, the district may place the child in a classroom which is commingled with children from both programs as long as the commingled program meets all of the requirements of each program as well as the following requirements: (Education Code 8207, 48000)

1. An early childhood environment rating scale, as specified in 5 CCR 18281, shall be completed for the classroom.
2. All children enrolled for 10 or more hours per week shall be evaluated using the Desired Results Developmental Profile, as specified in 5 CCR 18272.
3. The classroom shall be taught by a teacher who holds a credential issued by the Commission on Teacher Credentialing in accordance with Education Code 44065 and 44256.
4. The classroom shall comply with the adult-child ratio specified in Education Code 8264.8.
5. Contractors of the district shall report the services, revenues, and expenditures for children in the preschool program in accordance with 5 CCR 18068.
6. The classroom shall not include children enrolled in TK for a second year or children enrolled in a regular kindergarten classroom.

Fees and Charges

Fees for participation in the district's full-day CSPP program shall be assessed and collected in accordance with the fee schedule established by the SPI in conjunction with the California Department of Social Services. (Education

Code 8252)

However, for the 2022-2023 school year, family fees shall not be collected as specified in Education Code 8252.

In addition, no fee shall be charged to an eligible family whose child is enrolled in a part-day preschool program or a family that is receiving CalWORKs cash aid. (Education Code 8253; 5 CCR 17735)

A family may be exempt from the fees for up to 12 months for any child enrolled in full-day preschool on the basis of being the recipient of child protective services or as being, or at risk of being, abused or neglected. (Education Code 8253)

The Superintendent or designee shall establish a process that involves parents/guardians in determining whether to require parents/guardians to provide diapers and/or whether and how much to charge parents/guardians for field trip expenses, within the limit specified in law. A child shall not be denied participation in a field trip due to the parent/guardian's inability or refusal to pay the fee, and no adverse action shall be taken against a parent/guardian for that inability or refusal. (Education Code 8254)

Disenrollment Based on Reduced Funding

When necessary to disenroll families from subsidized preschool services, families shall be disenrolled in reverse order of the priority for services specified in Education Code 8210 and 8211 and as described above in the sections "Enrollment Priorities for Part-Day CSPP Programs" and "Eligibility and Enrollment Priorities for Full-Day CSPP Programs." (Education Code 8214; 5 CCR 17744)

Expulsion/Unenrollment and Suspension Based on Behavior

A district preschool program shall not expel or unenroll a child or persuade or encourage a child's parents/guardians to voluntarily unenroll from the program based on the child's behavior, unless the district first takes the following actions to address the child's behavior: (Education Code 8489.1)

1. In writing, inform the parents/guardians of the child's persistent and serious challenging behaviors and consult with the parents/guardians and teacher in an effort to maintain the child's safe participation in the program
2. If the child has an IFSP or IEP, contact, with written parent/guardian consent, the agency or district employee responsible for such plan or program to seek consultation in regard to serving the child
3. If appropriate, consider completing a comprehensive screening of the child, including, but not limited to, screening the child's social and emotional development, referring the parents/guardians to community resources, and implementing behavior supports within the program

If the district has taken the actions specified in Items #1-3 above and the child's continued enrollment would present a serious safety threat to the child or other enrolled children, the district shall refer the parents/guardians to other potentially appropriate placements, the local child care resource and referral agency, or any other referral service available in the local community. The district shall, to the greatest extent possible, support direct transition to a more appropriate placement. The district may then unenroll the child. The district shall have up to 180 days to complete the actions described above. (Education Code 8489.1)

A child shall not be suspended from a CSPP program, nor shall a child's parent/guardian be encouraged or persuaded to prematurely pick up a child before the program day ends, except as a last resort in extraordinary circumstances, when a safety threat exists that cannot be eliminated or reduced without the removal of the child.

Before determining that a suspension is necessary, the district shall collaborate with the child's parents/guardians and, as needed, shall use appropriate community resources to determine that no other reasonable option is appropriate.

When suspension is deemed necessary, the district shall help the child return to full participation in the program as soon as possible while ensuring safety, by doing the following:

1. Continuing to engage with the child's parents/guardians and continuing to use appropriate community resources
2. Developing a written plan to document the action and supports needed
3. Providing referrals to appropriate community resources
4. If the child has an IFSP or IEP, contacting, with written parent/guardian consent, the agency responsible for the child's IFSP or IEP, to seek consultation on servicing the child

Upon enrollment, the parents/guardians of each child shall be notified, in writing, of the limitations on expulsion, suspension, or any form of disenrollment and how the parents/guardians may file an appeal to CDE in the event of expulsion or suspension. If the district suspends or expels a child from any CSPP program, the district shall, at least 24 hours before the effective date of the suspension or expulsion, issue the child's parents/guardians a written "Notice of Action, Recipient of Services," as described in 5 CCR 17783, informing the parents/guardians of the right to file an appeal of the action directly with CDE no later than 14 calendar days after receiving the notice.

Children with exceptional needs may only be suspended or expelled in conformance with the procedures and limitations of the Individuals with Disabilities Education Act.

Notice of Action

Upon receiving a parent/guardian's application for services, the Superintendent or designee shall review the application and documentation and shall certify the eligibility of the family or child.

The district's decision to approve or deny a child's enrollment shall be communicated to the family through a written Notice of Action mailed or delivered within 30 days from the date the application is signed by the parent/guardian. (5 CCR 17782)

Subsequently, the Superintendent or designee shall mail or deliver a Notice of Action to a parent/guardian at least 14 calendar days before any intended change in services, including, but not limited to, an increase or decrease in fees, an increase or decrease in the amount of services, or termination of services, due to any of the following circumstances: (5 CCR 17783)

1. A determination during recertification or update of the application that the need or eligibility requirements are no longer being met or the fee or amount of service needs to be modified
2. Failure of the parent/guardian to document the family's need or eligibility after the district requested such documentation in writing
3. An indication by the parent/guardian that the parent/guardian no longer wants the service
4. The death of a parent/guardian or child
5. The conclusion of a limited-term agreement, provided that the parent/guardian has been informed in writing of the date that the services would terminate

For each child enrolled in the district's preschool program, the Superintendent or designee shall maintain a family data file including, but not limited to, a completed and signed application for services, documentation of income eligibility, and a copy of all Notices of Action. For each child not receiving subsidized services, the family data file shall also include records of the specific reason(s) for enrolling each child, the child's family income, and evidence that the district has made a diligent search for children eligible for subsidized services. (5 CCR 17758)

Parent Hearing

If a parent/guardian disagrees with any district action to deny the child's eligibility for subsidized preschool services, disenroll the child due to a funding shortage, increase or decrease fees, increase or decrease the amount of services,

terminate services, or otherwise change the level of services, the parent/guardian may file a request for a hearing with the Superintendent or designee within 14 calendar days of the date the Notice of Action was received. Within 10 calendar days of receiving the request for a hearing, the Superintendent or designee shall notify the parent/guardian of the time and place of the hearing, which, to the extent possible, shall be convenient for the parent/guardian. (5 CCR 17784)

The hearing shall be conducted in accordance with the procedures specified in 5 CCR 17784 by a district administrator who is at a staff level higher in authority than the staff person who made the contested decision. Within 10 calendar days after the hearing, the district administrator shall mail or deliver a written decision to the parent/guardian. If the parent/guardian disagrees with the written decision, the parent/guardian may, within 14 calendar days, appeal the decision to CDE. (5 CCR 17785-17786)

Policy 6146.1: High School Graduation Requirements

Status: DRAFT

Original Adopted Date: 12/01/2017 | **Last Revised Date:** 04/06/2022

The Governing Board desires to prepare all students to successfully complete the high school course of study and obtain a diploma that represents their educational achievement and increases their opportunities for postsecondary education and employment.

District students shall complete graduation course requirements as specified in Education Code 51225.3 and those adopted by the Board, except for students who are exempted as provided in "Exemptions from District-Adopted Graduation Requirements," below. Students who are exempted from district-adopted graduation requirements shall be eligible to participate in any graduation ceremony and school activity related to graduation in which other students are eligible to participate.

Course Requirements

To obtain a high school diploma, students shall complete the following courses in grades 9-12, with each course being one year unless otherwise specified:

1. Three courses in English (Education Code 51225.3)
2. Two courses in mathematics (Education Code 51225.3)

Students shall complete at least one mathematics course that meets the state academic content standards for Algebra I or Mathematics I. Students may complete such coursework prior to grade 9 provided that they also complete two mathematics courses in grades 9-12. (Education Code 51224.5)

3. Successful completion of an approved computer science course that is classified as a "category C" course based on the University of California (UC) and California State University (CSU) "A-G" admission requirements shall be counted toward the satisfaction of additional graduation requirements in mathematics. (Education Code 51225.3, 51225.35)
4. Two courses in science, including biological and physical sciences (Education Code 51225.3)
5. Three courses in social studies, including United States (U.S.) history and geography; world history, culture, and geography; a one-semester course in American government and civics; and a one-semester course in economics (Education Code 51225.3)
6. One course in visual or performing arts, world language, or career technical education (CTE). For purposes of this requirement, a course in American Sign Language shall be deemed a course in world language. (Education Code 51225.3)

To be counted towards meeting graduation requirements, a CTE course shall be aligned to the CTE model curriculum standards and framework adopted by the State Board of Education. (Education Code 51225.3)

7. Two courses in physical education, unless the student has been otherwise exempted pursuant to other sections of the Education Code (Education Code 51225.3)
8. Beginning with the 2024-25 school year, a one-semester course in ethnic studies (Education Code 51225.3)
9. |

Class of	Community Service Hours	School Service Hours
2023	10	2.5
2024	20	5
2025	30	7.5
2026	40	10

Because the prescribed course of study may not accommodate the needs of some students, the Board shall provide

alternative means for the completion of prescribed courses in accordance with law.

Exemptions from District-Adopted Graduation Requirements

Prior to the beginning of grade 10, the individualized education program (IEP) team for each student with disabilities shall determine whether the student is eligible for exemption from all coursework and other requirements adopted by the Board in addition to the statewide course requirements for high school graduation, and if so, shall notify the student's parent/guardian of the exemption. A student with disabilities shall be eligible for the exemption, if the student's IEP provides for both of the following requirements: (Education Code 51225.31)

1. That the student take the alternate assessment aligned to alternate achievement standards in grade 11 as described in Education Code 60640
2. That the student complete state standards aligned coursework to meet the statewide coursework specified in Education Code 51225.3

In addition, a foster youth, homeless student, former juvenile court school student, child of a military family, or migrant student who transfers into the district or between district schools any time after completing the second year of high school, or a newly arrived immigrant student who is in the third or fourth year of high school and is participating in a newcomer program, shall be exempted from any graduation requirements adopted by the Board that are in addition to statewide course requirements. This exemption shall not apply if the Superintendent or designee makes a finding that the student is reasonably able to complete the requirements in time to graduate by the end of the fourth year of high school.

Within 30 days of the transfer into a school by a foster youth, homeless student, former juvenile court school student, child of a military family, migrant student, or a newly arrived immigrant student, or of the commencement of participation in a newcomer program, as applicable, the Superintendent or designee shall notify any eligible student, and others as required by law, of the availability of the exemption from local graduation requirements and whether the student qualifies for it. (Education Code 51225.1)

Retroactive Diplomas

Any student who completed grade 12 in the 2003-04 through 2014-15 school year and met all applicable graduation requirements other than the passage of the high school exit examination shall be granted a high school diploma. (Education Code 51413)

In addition, the district may retroactively grant high school diplomas to former students who: (Education Code 48204.4, 51430, 51440)

1. Departed California against their will while in grade 12 and did not receive a diploma because the departure interrupted their education, provided that they were in good academic standing at the time of the departure

Persons may be considered to have departed California against their will if they were in custody of a government agency and were transferred to another state, were subject to a lawful order from a court or government agency that authorized their removal from California, were subject to a lawful order and were permitted to depart California before being removed from California pursuant to the lawful order, were removed or were permitted to depart voluntarily pursuant to the federal Immigration and Nationality Act, or departed due to other circumstances determined by the district that are consistent with the purposes of Education Code 48204.4.

In determining whether to award a diploma under these circumstances, the Superintendent or designee shall consider any coursework that may have been completed outside of the U.S. or through online or virtual courses.

2. Were interned by order of the federal government during World War II or are honorably discharged veterans of World War II, the Korean War, or the Vietnam War, provided that they were enrolled in a district high school immediately preceding the internment or military service and did not receive a diploma because their education was interrupted due to the internment or military service in those wars

Deceased former students who satisfy these conditions may be granted a retroactive diploma to be received by their next of kin.

3. Are veterans who entered the military service of the U.S. while in grade 12 and who had satisfactorily completed the first half of the work required for grade 12 in a district school
4. Were in their senior year of high school during the 2019-20 school year, were in good academic standing and on track to graduate at the end of the 2019-20 school year as of March 1, 2020, and were unable to complete the statewide graduation requirements as a result of the COVID-19 crisis

Honorary Diplomas

The Board may grant an honorary high school diploma to: (Education Code 51225.5)

1. An international exchange student who has not completed the course of study ordinarily required for graduation and who is returning to the student's home country following the completion of one academic school year in the district
2. A student who is terminally ill

The honorary diploma shall be clearly distinguishable from the regular diploma of graduation awarded by the district. (Education Code 51225.5)

Regulation 6164.4: Identification And Evaluation Of Individuals For Special Education

Status: DRAFT

Original Adopted Date: 03/01/2007 | **Last Revised Date:** 06/23/2021

The Superintendent or designee shall ensure that the district's child find process includes the collection of data and, at reasonable intervals, the screening of such data to determine if students are making adequate progress, as appropriate.

A student shall be referred for special education instruction and services only after the resources of the regular education program have been considered and used where appropriate. (Education Code 56303)

However, the district shall ensure that evaluations of children suspected of having a disability are not delayed or denied because of the implementation of response to intervention strategies.

A parent/guardian or the district may initiate a request for an initial evaluation to determine if the student is a student with a disability. (34 CFR 300.301)

When a verbal referral is made, staff shall offer assistance to the individual to make the request in writing and shall assist the individual if the individual requests such assistance. (5 CCR 3021)

All referrals from school staff for an initial evaluation shall include a brief reason for the referral and description of the regular program resources that were considered and/or modified for use with the student and, when appropriate, the results of intervention. This documentation shall not delay the timelines for completing the assessment plan or assessment. (5 CCR 3021)

Initial Evaluation for Special Education Services

Before the initial provision of special education and related services to a student with a disability, the district shall conduct an individual initial evaluation of the student's educational needs related to all areas of suspected disability. (Education Code 56320; 34 CFR 300.301)

Upon receipt of a referral of any student for special education and related services, a proposed evaluation plan shall be developed within 15 calendar days, not counting days between the student's regular school sessions or terms or calendar days of school vacation in excess of five school days, unless the parent/guardian agrees, in writing, to an extension. If the referral is made within 10 days or less prior to the end of the student's regular school year or term, the proposed evaluation plan shall be developed within 10 days after the beginning of the next regular school year or term. (Education Code 56043, 56321)

The proposed evaluation plan shall meet all of the following requirements: (Education Code 56321)

1. Be in a language easily understood by the general public
2. Be provided in the native language of the parent/guardian or other mode of communication used by the parent/guardian unless it is clearly not feasible
3. Explain the types of evaluation to be conducted
4. State that no individualized education program (IEP) will result from the evaluation without parent/guardian consent

A copy of the notice of a parent/guardian's rights and procedural safeguards shall be attached to the evaluation plan. (Education Code 56321)

The proposed written evaluation plan shall include a description of recent assessments conducted, including available independent assessments and assessment information requested by the parent/guardian to be considered, as well as information indicating the student's primary language and the student's primary language proficiency as determined by Education Code section 52164.1. (5 CCR 3022)

Before conducting an initial evaluation, the district shall provide the parent/guardian with prior written notice in accordance with 34 CFR 300.503. In addition, as part of the evaluation plan, the parent/guardian shall receive written notice that includes all of the following information: (Education Code 56329; 34 CFR 300.304, 300.502, 300.504)

1. Upon completion of the administration of tests and other evaluation materials, an IEP team meeting that includes the parent/guardian or the parent/guardian's representative shall be scheduled pursuant to Education Code 56341. At this meeting, the team shall determine whether or not the student is a student with disabilities, as defined in Education Code 56026, and shall discuss the evaluation, the educational recommendations, and the reasons for the recommendations.
2. When making a determination of eligibility for special education, the district shall not determine that the student is disabled if the primary factor for such determination is lack of appropriate instruction in reading, including the essential components of reading instruction as defined in 20 USC 6368, lack of appropriate instruction in mathematics, or limited English proficiency, if the student does not otherwise meet the eligibility criteria under 34 CFR 300.8.
3. A copy of the evaluation report and the documentation of determination of eligibility shall be given to the parent/guardian.
4. If the parent/guardian disagrees with an evaluation obtained by the district, the parent/guardian has the right to obtain, at public expense, an independent educational evaluation (IEE) of the student from qualified specialists, in accordance with 34 CFR 300.502. The parent/guardian is entitled to only one such evaluation at public expense each time the district conducts an assessment with which the parent/guardian disagrees.

If the district observed the student in conducting its evaluation, or if its evaluation procedures make it permissible to have in-class observation of the student, an equivalent opportunity shall apply to the IEE. This equivalent opportunity shall apply to the student's current placement and setting as well as observation of the district's proposed placement and setting, if any, regardless of whether the IEE is initiated before or after the filing of a due process hearing proceeding.

5. The district may initiate a due process hearing pursuant to Education Code 56500-56508 to show that its evaluation is appropriate. If the final decision resulting from the due process hearing is that the evaluation is appropriate, the parent/guardian maintains the right for an IEE, but not at public expense.

If the parent/guardian obtains an IEE at private expense, the results of the IEE shall be considered by the district with respect to the provision of a free appropriate public education (FAPE) to the student, and may be presented as evidence at a due process hearing regarding the student. If the district observed the student in conducting its evaluation, or if its evaluation procedures make it permissible to have in-class observation of a student, an equivalent opportunity shall apply to an IEE of the student in the student's current educational placement and setting and in any educational placement and setting proposed by the district, regardless of whether the IEE is initiated before or after the filing of a due process hearing.

6. If the parent/guardian proposes a publicly financed placement of the student in a nonpublic school, the district shall have an opportunity to observe the proposed placement and, if the student has already been unilaterally placed in the nonpublic school by the student's parent/guardian, the student in that proposed placement. Any such observation shall only be of the student who is the subject of the observation and shall not include the observation or evaluation of any other student in the proposed placement unless that other student's parent/guardian consents to the observation or evaluation. The results of any observation or evaluation of another student in violation of Education Code 56329(d) shall be inadmissible in any due process or judicial proceeding regarding FAPE of that other student.

Parent/Guardian Consent for Evaluations

Consent means that the parent/guardian: (Education Code 56021.1; 34 CFR 300.9)

1. Has been fully informed, in the parent/guardian's native language or other mode of communication, of all information relevant to the activity for which consent is sought
2. Understands and agrees, in writing, to the carrying out of the activity for which parent/guardian consent is sought and the consent describes that activity and lists the records (if any) that will be released and to whom

3. Understands that the granting of consent is voluntary on the parent/guardian's part and may be revoked at any time
4. Understands that if the parent/guardian revokes consent, that revocation is not retroactive (i.e., it does not negate an action that has occurred after the consent was given and before the consent was revoked). The district is not required to amend the education records of a student to remove any reference to the student's receipt of special education and services if the student's parent/guardian submits a written revocation of consent after the initial provision of special education and related services to the student.

Upon receiving the proposed evaluation plan, the parent/guardian shall have at least 15 days to decide whether to consent to the initial evaluation. The district shall not interpret parent/guardian consent for initial evaluation as consent for initial placement or initial provision of special education services. (Education Code 56321; 34 CFR 300.300)

The district shall make reasonable efforts to obtain the consent of the parent/guardian for an initial evaluation or reevaluation of a student. (Education Code 56321; 34 CFR 300.300, 300.322)

The district shall maintain a record of its attempts to obtain consent, such as: (Education Code 56341.5)

1. Detailed records of telephone calls made or attempted and the results of those calls
2. Copies of correspondence sent to the parent/guardian and any responses received
3. Detailed records of visits made to the parent/guardian's home or place of employment and the results of those visits

If a parent/guardian refuses to consent to the initial evaluation or fails to respond to a request to provide consent, the district may, but is not required to, pursue an evaluation by utilizing the procedural safeguards, including the mediation and due process procedures pursuant to 20 USC 1415 and 34 CFR 300.506-300.516. (Education Code 56321; 34 CFR 300.300)

For a student who is a ward of the state and not residing with the student's parent/guardian, the district shall make reasonable efforts to obtain the consent from the parent/guardian of the student for an initial evaluation to determine whether the student is a student with a disability. The district may conduct an initial evaluation without obtaining consent if any of the following situations exists: (Education Code 56321.1; 20 USC 1414; 34 CFR 300.300)

1. Despite reasonable efforts to do so, the district cannot discover the whereabouts of the parent/guardian of the student
2. The rights of the parent/guardian of the student have been terminated in accordance with state law
3. The rights of the parent/guardian to make educational decisions have been subrogated by a judge in accordance with state law and consent for an initial evaluation has been given by an individual appointed by the judge to represent the student

The district need not obtain parent/guardian consent before reviewing existing data as part of an evaluation or reevaluation, or before administering a test or other evaluation that is administered to all students, unless consent is required from the parents/guardians of all students. (Education Code 56321; 34 CFR 300.300)

Conduct of the Evaluation

Within 60 calendar days of receiving parental consent for the initial assessment of a student, not counting days between the student's regular school sessions, terms, or days of school vacation in excess of five schooldays, a determination whether the student is eligible for special education and the educational needs of the student shall be made, an IEP team meeting shall occur, and an IEP shall be developed, unless the parent/guardian agrees in writing to an extension, pursuant to Education Code 56344. If the 60-day time is interrupted by a student school vacation, the 60-day time shall recommence on the date that student schooldays reconvene and a meeting to develop an IEP for the student shall be conducted within 30 days of a determination that the student needs special education and

related services. (Education Code 56043, 56344)

However, when a referral has been made for a student 30 days or less prior to the end of the regular school year, an IEP required as a result of an assessment of the student shall be developed within 30 days after the commencement of the subsequent regular school year. (Education Code 56043, 56344; 34 CFR 300.301, 300.323)

The evaluation shall be conducted by qualified personnel who are competent to perform the assessment as determined by the district. (Education Code 56322)

In addition, evaluations and reevaluations shall be administered by qualified personnel who are competent in the oral or sign language skills and written skills of the student's primary language or mode of communication and have a knowledge and understanding of the cultural and ethnic background of the student. If it is clearly not feasible to do so, an interpreter shall be used, and the assessment report shall document this condition and note that the validity of the assessment may have been affected. The normal process of second-language acquisition, as well as manifestations of dialect and sociolinguistic variance shall not be diagnosed as a disabling condition. (5 CCR 3023)

The screening of a student by a teacher or specialist to determine appropriate instructional strategies for curriculum implementation shall not be considered to be an evaluation for eligibility for special education and related services. (Education Code 56321; 20 USC 1414; 34 CFR 300.302)

In conducting the evaluation, the district shall use a variety of assessment tools and strategies to gather relevant functional, developmental, and academic information about the student. The district shall also use any information provided by the parent/guardian that may assist the district in making the determination as to whether the student is a student with a disability and, if so, the necessary components of the student's IEP when the IEP is developed, including information related to enabling the student to be involved in and to progress in the general education curriculum. (34 CFR 300.304)

The district's evaluation shall not use any single measure or assessment as the sole criterion for determining whether a student is a student with a disability and for determining the appropriate educational program for the student. The assessment shall use technically sound instruments that may assess the relative contribution of cognitive and behavioral factors in addition to physical or developmental factors. (Education Code 56320; 34 CFR 300.304)

The district shall also ensure that assessments and other evaluation materials provide relevant information that assists in determining the student's educational needs and are: (Education Code 56320; 34 CFR 300.304)

1. Selected and administered so as not to be discriminatory on a racial, cultural, or sexual basis
2. Provided and administered in the student's native language or other mode of communication and in the form most likely to yield accurate information on what the student knows and can do academically, developmentally, and functionally, unless it is clearly not feasible to so provide or administer
3. Used for the purposes for which the assessments or measures are valid and reliable
4. Administered by trained and knowledgeable personnel except that individually administered tests of intellectual or emotional functioning shall be administered by a credentialed school psychologist
5. Administered in accordance with any instructions provided by the producer of the assessments
6. Tailored to assess specific areas of educational need and not merely designed to provide a single general intelligence quotient
7. If administered to a student with impaired sensory, manual, or speaking skills, selected and administered to best ensure that the results accurately reflect the student's aptitude or achievement level or whatever other factors the test purports to measure, rather than reflecting the child's impaired sensory, manual, or speaking skills (unless those skills are the factors that the test purports to measure).

Students shall be assessed in all areas related to the suspected disability, including, if appropriate, health and development, vision (including low vision), hearing, motor abilities, language function, general intelligence, academic performance, communicative status, self-help, orientation and mobility skills, career and vocational abilities and interests, and social and emotional status. When appropriate, a developmental history shall be obtained. For students with residual vision, a low vision assessment shall be provided in accordance with guidelines established pursuant to Education Code 56136. The district shall ensure that the evaluation is sufficiently comprehensive to

identify all of the student's special education and related service needs, whether or not commonly linked to the disability category in which the student has been classified. (Education Code 56320; 34 CFR 300.304)

As part of the initial evaluation and any reevaluation, the IEP team and other qualified professionals shall, if appropriate, review existing evaluation data on the student, including evaluations and information provided by the parents/guardians, current classroom-based local or state assessments and classroom-based observations, and observations by teachers and related services providers. On the basis of that review and input from the student's parent/guardian, the team shall identify what additional data, if any, are needed to determine: (Education Code 56381; 34 CFR 300.305)

1. Whether the student is a student with a disability, or in the case of a reevaluation, whether the student continues to have a disability, and the educational needs of the student
2. The present levels of academic achievement and related developmental needs of the student
3. Whether the student needs, or continues to need, special education and related services
4. Whether any additions or modifications to the special education and related services are needed to enable the student to meet the measurable annual goals set out in the student's IEP and to participate, as appropriate, in the general education curriculum

If a student has transferred from another district in the same school year or leaves this district, the district shall coordinate with the student's prior or subsequent district as necessary and as expeditiously as possible to ensure prompt completion of full evaluations. (Education Code 56320; 34 CFR 300.304)

Evaluation Report

The personnel who evaluate the student shall prepare a written report of the results of each evaluation. The report shall include, but not be limited to, the following: (Education Code 56327)

1. Whether the student may need special education and related services
2. The basis for making the determination
3. The relevant behavior noted during the observation of the student in an appropriate setting
4. The relationship of that behavior to the student's academic and social functioning
5. The educationally relevant health, developmental, and medical findings, if any
6. For students with learning disabilities, whether there is such a discrepancy between achievement and ability that it cannot be corrected without special education and related services
7. A determination concerning the effects of environmental, cultural, or economic disadvantage, where appropriate
8. The need for specialized services, materials, and equipment for students with low incidence disabilities, consistent with Education Code 56136

Eligibility Determination

Upon completion of the administration of assessments and other evaluation measures, a group of qualified professionals and the parent/guardian shall determine whether the student is a student with a disability as defined in 5 CCR 3030 and 34 CFR 300.8 and, if so, the student's educational needs. In interpreting the data, the group shall draw information from a variety of sources, including aptitude and achievement tests, parent/guardian input, and teacher recommendations, as well as information about the student's physical condition, social or cultural background, and adaptive behavior. The group shall ensure that the information obtained from these sources is documented and carefully considered. (34 CFR 300.306)

When making a determination of eligibility for special education and related services, the district shall not determine

that a student is disabled if the primary factor for such determination is a lack of appropriate instruction in reading, including the essential components of reading instruction pursuant to 20 USC 6368, lack of instruction in mathematics, limited English proficiency, or that the student does not otherwise meet the eligibility criteria. (Education Code 56329; 34 CFR 300.306)

The normal process of second-language acquisition, as well as manifestations of dialect and sociolinguistic variance, shall not be diagnosed as a disabling condition. (5 CCR 3023)

Independent Educational Evaluation

An *independent educational evaluation* is defined as an evaluation conducted by a qualified examiner who is not employed by the district. (34 CFR 300.502)

Public expense means that the district either pays for the full cost of the IEE or ensures that the evaluation is otherwise provided at no cost to the parent/guardian. (34 CFR 300.502)

The parents/guardians of a student with a disability have the right to obtain an IEE at public expense under the same criteria, including the location of the evaluation and the qualifications of the examiner, that the district uses for a district-initiated evaluation. (34 CFR 300.502)

The parent/guardian is entitled to only one IEE at public expense each time the district conducts an evaluation with which the parent/guardian disagrees. (Education Code 56329; 34 CFR 300.502)

If a parent/guardian has requested an IEE, the district may ask for the reason that the parent/guardian objects to the district's evaluation. However, the parent/guardian is not required to provide an explanation and the district may not unreasonably delay either providing the IEE at public expense or filing a due process complaint to request a due process hearing to defend the public evaluation. (34 CFR 300.502)

Upon receiving the request for an IEE, the district shall, without unnecessary delay, either: (34 CFR 300.502)

1. File a due process complaint to request a hearing to show that its evaluation is appropriate
2. Ensure that an IEE is provided at public expense, unless the district demonstrates at a hearing that the evaluation obtained by the parent/guardian did not satisfy the district's criteria

If a due process hearing decision determines that the district's evaluation is appropriate, then the parent/guardian may obtain an IEE but not at public expense. (Education Code 56329; 34 CFR 300.502)

In any decision made with respect to providing FAPE to a student with a disability, the result of any IEE obtained by the student's parent/guardian shall be considered by the district if it meets district criteria. Any such result also may be presented as evidence at a hearing on a due process complaint. (Education Code 56329; 34 CFR 300.502)

Coordinating Transitions

The district designates the individual listed below as the main point of contact for coordinating and completing, with other agencies and persons, the transition of a child and family from infant/toddler programs to preschool (Part C to Part B of the federal Individuals with Disabilities Education Act), including establishing practices to educate and support families during the transition: (Government Code 95008)

Mendocino County Office of Education
SELPA
2240 Old River Rd.
Ukiah, CA 95482
(707) 467-5166

Reevaluation

A reevaluation shall be conducted when the district determines that the educational or related service needs of the student, including improved academic achievement and functional performance, warrant a reevaluation or if the

student's parent/guardian or teacher requests reevaluation. Such reevaluations shall occur every three years, unless the parent/guardian and district agree in writing that a reevaluation is unnecessary. A reevaluation may not occur more than once a year, unless the parent/guardian and the district agree otherwise. (Education Code 56043, 56381; 34 CFR 300.303)

The district shall ensure that any reevaluations of the student are conducted in accordance with the evaluation procedures pursuant to 34 CFR 300.304-300.311. (34 CFR 300.303)

Before entering kindergarten or first grade, as the case may be, children with disabilities who are in a preschool program shall be reevaluated to determine if they still need special education and services. IEP teams shall identify a means of monitoring the continued success of children who are determined to be eligible for less intensive special education programs. (Education Code 56445)

The district's point of contact for coordinating and completing the transition of a child and family from infant/toddler programs to preschool, may coordinate the reevaluation and monitoring as described above for kindergarten or first grade.

Bylaw 9220: Governing Board Elections

Status: DRAFT

Original Adopted Date: 11/01/2006 | **Last Revised Date:** 06/23/2021

Board Member Qualifications

Any person is eligible to be a member of the Governing Board, without further qualifications, if the person is 18 years of age or older, a citizen of California, a resident of the school district or, if applicable, the trustee area, a registered voter, and not legally disqualified from holding civil office. Any person who has been convicted of a felony involving the giving, accepting, or offering of a bribe, embezzlement or theft of public funds, extortion, perjury, or conspiracy to commit any such crime, under California law or the law of another state, the United States of America, or another country, is not eligible to be a candidate for office or elected as a Board member except when the person has been granted a pardon in accordance with law. (Education Code 35107; Elections Code 20)

A district employee elected to the Board shall resign from district employment before being sworn in or shall have the employment automatically terminated upon being sworn into office. (Education Code 35107)

The Board encourages all candidates to become knowledgeable about the role of board members. The Superintendent or designee shall provide all candidates with information that will enable them to understand the responsibilities and expectations of being a Board member, including information regarding available workshops, seminars, and/or training. The Superintendent or designee shall provide all candidates with the county election official's contact information and general information about school programs, district operations, and Board responsibilities.

Recalling a Board Member

A Board member may be recalled as permitted by Elections Code 11000. Proponents of a recall are required to serve, file, and publish or post a notice of intention to circulate the recall petition and to comply with other applicable law and formalities and county elections official directives. The petition, pursuant to Elections Code 11041, is required to be in the format provided by the Secretary of State and to include an estimate of the cost of conducting the special election, as determined by the county elections official, in consultation with the district.

Within 14 days after the meeting at which the Board receives a certificate of sufficiency of signatures on a recall petition from the county elections official, the Board shall order an election to be held to determine whether the Board member named in the petition shall be recalled. The election shall be held not less than 88, nor more than 125, days after the date that the Board orders the election. However, the election may be conducted within 180 days after the issuance of the Board's order to consolidate the election with a regularly scheduled election.

Recall elections shall be conducted in accordance with Elections Code 11381-11386.

Consolidation of Elections

To reduce costs associated with conducting elections, the Board may consolidate Board elections with the local municipal or statewide primary or general election in accordance with Elections Code 1302.

In addition, if a regularly scheduled Board election held other than on a statewide election date results in a decrease in local voter turnout of 25 percent or more compared to the average local turnout for the previous four statewide general elections, the Board shall take action to consolidate Board elections with statewide elections. (Elections Code 14051, 14052)

In order to consolidate elections based on either circumstance described above, the Board shall adopt a resolution and submit it to the County Board of Supervisors for approval not later than 240 days prior to the date of the currently scheduled district election. (Elections Code 10404.5)

Whenever a regularly scheduled Board election is changed due to consolidation of elections, the terms of office of incumbent Board members shall be extended to align with the next applicable election. (Elections Code 10404.5)

Elections Process and Procedures

Board members may reside anywhere within the district's boundaries and shall be elected by all voters in the district.

To ensure ongoing compliance with the California Voting Rights Acts, the Board may review the district's Board election method to determine whether any modification is necessary due to changes in the district's population or any of its racial, color, or language minority group composition. The review shall be based on the Superintendent or designee's report to the Board after the release of each decennial federal census.

When the district's election method is to be changed, the Board shall hold public hearings in accordance with Elections Code 10100 before adopting a resolution at an open meeting specifying the change(s), and shall, in accordance with Education Code 5019, obtain approval from the county committee on school district organization having jurisdiction over the district.

The election method or trustee-area boundaries in effect at the beginning of a Board member's term shall be used when any vacancy that occurs during that term is to be filled, even if, during the term, the district has adopted "by-trustee area" election method or trustee area boundaries have been adjusted.

Any petition for a special election ordered pursuant to Education Code 5091 shall contain the county election official's estimate of the cost of conducting the special election, expressed on a per-student basis. (Education Code 5091)

Campaign Conduct

All candidates, including current Board members running as incumbents, shall abide by local, county, state, and federal requirements regarding campaign donations, funding, and expenditures.

A Board member shall not expend, and a candidate shall not accept, any public money for the purpose of seeking elective office. However, the district may establish a dedicated fund for those seeking election to the Board, provided that the funds are available to all candidates who are qualified pursuant to Education Code 35107 without regard to incumbency or political preference. (Government Code 85300)

In order to help protect the public's trust in the electoral process as well as the public's confidence in the Board and district, the Board encourages all candidates to sign and adhere to the principles in the Code of Fair Campaign Practices pursuant to Elections Code 20440.

Statement of Qualifications

On the 125th day prior to the day fixed for the general district election, the Board secretary or designee shall deliver a notice, bearing the secretary's signature and district seal, to the county elections official describing both of the following: (Elections Code 10509)

1. The elective offices of the district to be filled at the general election and which offices, if any, are for the balance of an unexpired term
2. Whether the district or the candidate is to pay for the publication of a statement of qualifications pursuant to Elections Code 13307

Candidates for the Board may submit a candidate statement to the elections official for inclusion in the voter's pamphlet. Candidate statements shall be limited to no more than 200 words. (Elections Code 13307)

When the elections official allows for the electronic distribution of candidate statements, a candidate for the Board may, in addition to or instead of submitting a candidate statement for inclusion in the mailed voter's pamphlet, prepare and submit a candidate statement for electronic distribution.

The district shall assume no part of the cost of printing, handling, translating, mailing, or electronically distributing candidate statements filed pursuant to Elections Code 13307. As a condition of having candidate statements included in the hard copy and/or electronic voter's pamphlet, the district may require candidates to pay their estimated pro rata share of these costs to the district in advance pursuant to Elections Code 13307.

Tie Votes in Board Member Elections

Whenever a tie makes it impossible to determine which of two or more candidates has been elected to the Board, the Board shall immediately notify the candidates who received the tie votes of the time and place where the candidates or their representatives should appear before the Board. The Board at that time shall determine the winner by lot. (Education Code 5016)

Bylaw 9223: Filling Vacancies

Status: DRAFT

Original Adopted Date: 08/01/2014 | **Last Revised Date:** 06/23/2021

Events Causing a Vacancy

A vacancy on the Governing Board may arise from any of the following events:

1. The death of an incumbent (Government Code 1770)
2. The adjudication pursuant to a quo warranto proceeding declaring that an incumbent is physically or mentally incapacitated due to disease, illness, or accident and that there is reasonable cause to believe that the incumbent will not be able to perform the duties of the office for the remainder of the term (Government Code 1770)
3. A Board member's resignation (Government Code 1770)

A vacancy resulting from resignation occurs when the written resignation is filed with the County Superintendent of Schools having jurisdiction over the district, except where a deferred effective date is specified in the resignation so filed, in which case the resignation shall become operative on that date. A Board member may not defer an effective date of resignation for more than 60 days after the date the resignation is filed with the County Superintendent. Upon being filed with the County Superintendent, a written resignation, whether specifying a deferred effective date or otherwise, shall be irrevocable. (Education Code 5090, 5091)

4. A Board member's removal from office by recall (Elections Code 11000; Government Code 1770)
5. A Board member's ceasing to be a resident of the district (Government Code 1770)
6. A Board member's absence from the state for more than 60 days, except in the following situations: (Government Code 1064, 1770)
 - a. Upon district business with the approval of the Board
 - b. With the consent of the Board for an additional period not to exceed a total absence of 90 days
 - c. In the case of illness or other urgent necessity, and upon a proper showing thereof, the time limited for absence from the state may be extended by the Board
 - d. For federal military deployment, not to exceed an absence of a total of six months, as a member of the armed forces of the United States or the California National Guard

If the absence of the Board member for this purpose exceeds six months, the Board may approve an additional six-month absence upon a showing that there is a reasonable expectation that the member will return within the second six-month period, and the Board may appoint an interim member to serve during the absence. If two or more members of the Board are absent by reason of these circumstances, and those absences result in the inability to establish a quorum at a regular meeting, the Board may immediately appoint one or more interim members as necessary to enable the Board to conduct business and discharge its responsibilities. The term of an interim member appointed in these circumstances shall not extend beyond the return of the absent Board member or beyond the next regularly scheduled election for that office, whichever occurs first.

7. A Board member's ceasing to discharge the duties of the office for the period of three consecutive months, except when prevented by illness or when absent from the state with the permission required by law (Government Code 1770)
8. A Board member's conviction of a felony or any offense involving a violation of official duties or conviction of a designated crime resulting in a forfeiture of office (Government Code 1770, 3000-3003)
9. A Board member's refusal or neglect to file the required oath within the time prescribed (Government Code 1770)
10. The decision of a competent tribunal declaring void a Board member's election or appointment (Government Code 1770)

11. A Board member's commitment to a hospital or sanitarium as a drug addict, dipsomaniac, inebriate, or stimulant addict by a court of competent jurisdiction, in which case the office shall not be deemed vacant until the order of commitment has become final (Government Code 1770)
12. A "failure to elect" in which no candidate or an insufficient number of candidates have filed to run for a Board seat(s) (Education Code 5090, 5326, 5328)

Timelines for Filling a Vacancy

When a vacancy occurs, the Board shall take the following action, as appropriate:

1. When a vacancy occurs within four months of the end of a Board member's term, the Board shall take no action. (Education Code 5093)
2. When a vacancy occurs from six months to 130 days before a regularly scheduled Board election at which the position is not scheduled to be filled, a special election to fill the position shall be consolidated with the regular election. The person so elected shall take office at the first regularly scheduled Board meeting following the certification of the election and shall serve only until the end of the term of the position which the person was elected to fill. (Education Code 5093)
3. When a vacancy occurs outside of the statutory time windows identified in Items #1 and #2 above, the Board shall, within 60 days of the date of the vacancy or the filing of the member's deferred resignation, either order an election or make a provisional appointment. (Education Code 5091, 5093)

Eligibility

In order to be appointed or elected to fill a vacancy on the Board, a person must meet the eligibility requirements specified in Education Code 35107, as described in BB 9220 - Governing Board Elections.

Provisional Appointments

When authorized by law to make a provisional appointment to fill a vacancy on the Board, the Board shall advertise in the local media to solicit candidate applications or nominations. A committee consisting of less than a quorum of the Board shall ensure that applicants are eligible for Board membership and announce the names of the eligible candidates. The Board shall interview the candidates at a public meeting, accept oral or written public input, and select the provisional appointee by majority vote.

Within 10 days after the appointment is made, the Board shall post notices of the actual vacancy, or the filing of a deferred resignation, and the provisional appointment. The notice shall be published in the local newspaper pursuant to Government Code 6061 and posted in at least three public places within the district. (Education Code 5092)

The notice shall contain: (Education Code 5092)

1. The date of the occurrence of the vacancy or the date of the filing of, and the effective date of, the resignation
2. The full name of the appointee
3. The date of appointment
4. A statement notifying the voters that unless a petition calling for a special election pursuant to Education Code 5091 is filed in the office of the County Superintendent within 30 days of the provisional appointment, it shall become an effective appointment

The person appointed shall hold office until the next regularly scheduled election for district Board members and shall be afforded all the powers and duties of a Board member upon appointment. (Education Code 5091)

If within 30 days of the Board's appointment, registered voters of the district or, where elections are by trustee areas, of the trustee area submit a petition for special election which the County Superintendent determines to be

legally sufficient, the provisional appointment is terminated, and a special election shall be held in accordance with Education Code 5091 to fill the vacancy.

Appointment Due to Failure to Elect

When a vacancy occurs because no candidate or an insufficient number of candidates have been nominated (i.e., a failure to elect) and a district election will not be held, the Board shall appoint a qualified person to the office. This appointment shall be made at a meeting prior to the day fixed for the election and the appointee shall be seated at the organizational meeting as if elected at the district election. (Education Code 5328)

When an appointment is being made because of a failure to elect, the district shall publish a notice once in a newspaper of general circulation published in the district, or if no such newspaper exists, in a newspaper having general circulation within the district. This notice shall state that the Board intends to make an appointment and shall inform persons of the procedure available for applying for the appointment. (Education Code 5328.5)

The procedure for selecting and interviewing candidates shall be the same as the procedures for "Provisional Appointments," as specified above.

Bylaw 9323: Meeting Conduct

Status: DRAFT

Original Adopted Date: 11/01/2006 | **Last Revised Date:** 06/23/2021

Meeting Procedures

All Governing Board meetings shall begin on time and shall be guided by an agenda prepared in accordance with Board bylaws and posted and distributed in accordance with the Ralph M. Brown Act (open meeting requirements) and other applicable laws.

The Board president shall conduct Board meetings in accordance with Board bylaws and procedures that enable the Board to efficiently consider issues and carry out the will of the majority.

The Board believes that late night meetings deter public participation, can affect the Board's decision-making ability, and can be a burden to staff. Regular Board meetings shall be adjourned by 7:30 p.m. unless extended to a specific time determined by a majority of the Board. The meeting shall be extended no more than once and, if necessary, may subsequently be adjourned to a later date.

Quorum and Abstentions

The Board shall act by majority vote of all of the membership constituting the Board. (Education Code 35164)

The Board believes that when no conflict of interest requires abstention, its members have a duty to vote on issues before them. When a member abstains, the abstention shall not be counted for purposes of determining whether a majority of the membership of the Board has taken action.

Provided the Board typically has seven members and there are no more than two vacancies on the Board, the vacant position(s) shall not be counted for purposes of determining how many members of the Board constitute a majority. In addition, whenever any provisions of the Education Code require unanimous action of all or a specific number of the members, the vacant position(s) shall not be counted for purposes of determining the total membership constituting the Board. (Education Code 35165)

Public Participation

Members of the public are encouraged to attend Board meetings and to address the Board concerning any item on the agenda or within the Board's jurisdiction. So as not to inhibit public participation, persons attending Board meetings shall not be requested to sign in, complete a questionnaire, or otherwise provide their name or other information as a condition of attending the meeting, except that if the meeting is conducted using remote public participation or with a Board member attending remotely pursuant to Government Code 54953, a member of the public desiring to provide comment through the use of a third party internet website or online platform may be required to register as required by the third party provider.

In order to conduct district business in an orderly and efficient manner, the Board requires that public presentations to the Board comply with the following procedures:

1. The Board shall give members of the public an opportunity to address the Board on any item of interest to the public that is within the subject matter jurisdiction of the Board, either before or during the Board's consideration of the item. (Education Code 35145.5; Government Code 54954.3)
2. At a time so designated on the agenda at a regular meeting, members of the public may bring before the Board matters that are not listed on the agenda. The Board shall take no action or discussion on any item not appearing on the posted agenda, except as authorized by law. (Education Code 35145.5; Government Code 54954.2)

3. Without taking action, Board members or district staff members may briefly respond to statements made or questions posed by the public about items not appearing on the agenda. Additionally, on their own initiative or in response to questions posed by the public, Board members or staff members may ask a question for clarification, make a brief announcement, or make a brief report on their own activities. (Government Code 54954.2)

Furthermore, the Board or a Board member may provide a reference to staff or other resources for factual information, ask staff to report back to the Board at a subsequent meeting concerning any matter, or take action directing staff to place a matter of business on a future agenda. (Government Code 54954.2)

4. The Board need not allow the public to speak on any item that has already been considered by a committee composed exclusively of Board members at a public meeting where the public had the opportunity to address the committee on that item. However, if the Board determines that the item has been substantially changed since the committee heard the item, the Board shall provide an opportunity for the public to speak. (Government Code 54954.3)
5. A person wishing to be heard by the Board shall first be recognized by the president and shall then proceed to comment as briefly as the subject permits.

In general, individual speakers will be allowed three minutes to address the Board on each agenda or nonagenda item, and the Board will limit the total time for public input on each item to 20 minutes. However, in exceptional circumstances when necessary to ensure full opportunity for public input, the Board president may, with Board consent, adjust the amount of time allowed for public input and/or the time allotted for each speaker. Any such adjustment shall be done equitably so as to allow a diversity of viewpoints. The president may also ask members of the public with the same viewpoint to select a few individuals to address the Board on behalf of that viewpoint.

In order to ensure that non-English speakers receive the same opportunity to directly address the Board, any member of the public who utilizes a translator shall be provided at least twice the allotted time to address the Board, unless simultaneous translation equipment is used to allow the Board to hear the translated public testimony simultaneously. (Government Code 54954.3)

6. The Board president may rule on the appropriateness of a topic, subject to the following conditions:
 - a. If a topic would be suitably addressed at a later time, the Board president may indicate the time and place when it should be presented.
 - b. The Board shall not prohibit public criticism of its policies, procedures, programs, services, acts, or omissions. (Government Code 54954.3)
 - c. The Board shall not prohibit public criticism of district employees. However, whenever a member of the public initiates specific complaints or charges against an individual employee, the Board president shall inform the complainant of the appropriate complaint procedure.
7. The Board president shall not permit actual disruption of Board meetings. Actual disruption by an individual or group or any conduct or statements that threaten the safety of any person(s) at the meeting shall be grounds for the president to terminate the privilege of addressing the Board and remove the individual from the meeting.

The Board President or designee may remove an individual for actually disrupting the meeting. Prior to removal, the individual shall be warned that their behavior is disrupting the meeting and that failure to cease the disruptive behavior may result in removal. If, after being warned, the individual does not promptly cease the disruptive behavior, the Board president, or designee, may then remove the individual from the meeting. (Government Code 54957.95)

When an individual's behavior constitutes the use of force or a true threat of force, the individual shall be removed from a Board meeting without a warning. (Government Code 54957.95)

Disrupting means engaging in behavior during a Board meeting that actually disrupts, disturbs, impedes, or renders infeasible the orderly conduct of the meeting and includes, but is not limited to, a failure to comply with reasonable and lawful regulations adopted by a legislative body pursuant to Section 54954.3 or any other law, or engaging in behavior that constitutes use of force or a true threat of force. (Government Code 54957.95)

True threat of force means a threat that has sufficient indicia of intent and seriousness, that a reasonable observer would perceive it to be an actual threat to use force by the person making the threat. (Government Code 54957.95)

Additionally, the Board may order the room cleared if necessary. In this case, members of the media not participating in the disturbance shall be allowed to remain, and individuals not participating in such disturbances may be allowed to remain at the discretion of the Board. When the room is ordered cleared due to a disturbance, further Board proceedings shall concern only matters appearing on the agenda. (Government Code 54957.9)

When disruptive conduct occurs, the Board may decide to recess the meeting to help restore order, or if removing the disruptive individual(s) or clearing the room is infeasible, move the meeting to another location. The Board may direct the Superintendent or designee to contact local law enforcement as necessary.

Recording by the Public

Members of the public may record an open Board meeting using an audio or video recorder, still or motion picture camera, cell phone, or other device, provided that the noise, illumination, or obstruction of view does not persistently disrupt the meeting. The Superintendent or designee may designate locations from which members of the public may make such recordings without causing a distraction.

If the Board finds that noise, illumination, or obstruction of view related to these activities would persistently disrupt the proceedings, these activities shall be discontinued or restricted as determined by the Board. (Government Code 54953.5, 54953.6)
