The Governing Board recognizes that adequate nutrition is essential to the development, health and well-being, and learning of all students. The Superintendent or designee shall facilitate and encourage the participation of all students in the district's food service program.

Each school day, the district shall make available, free of charge, one nutritionally adequate breakfast and one nutritionally adequate lunch for any student who requests a meal. (Education Code 49501.5)

After a student has been provided a school meal at no cost, the district may sell the student the entrée from an additional nutritiously adequate meal that qualifies for federal reimbursement, from the same meal service. (Education Code 49431)

To provide optimal nutrition and ensure that schools receive maximum federal meal reimbursement, the Superintendent or designee shall assess the eligibility of district schools to operate a federal universal meal service provision, such as Provision 2 or the Community Eligibility Provision, pursuant to 42 USC 1759a. The Superintendent or designee shall submit an application to operate a federal universal meal provision to the California Department of Education (CDE) on behalf of any district school that meets the definition of a "high poverty school." (Education Code 49564.3)

The Superintendent or designee shall ensure that meals served under the school nutrition program meet applicable state and/or federal nutritional standards, as specified in law and district-adopted guidelines.

All applications and records related to eligibility for the free and reduced-price meal program shall be confidential and may not be disclosed except as provided by law and authorized by the Board or pursuant to a court order. (Education Code 49558)

The Board authorizes designated employees to use records pertaining to an individual student's eligibility for the free and reduced-price meal program for the following purposes: (Education Code 49558)

2. Identification of students eligible for services under the federal Elementary and Secondary Education Act pursuant to 20 USC 6301-6576
3. Facilitation of targeted educational services and supports to individual students based on the local control accountability plan

If a student transfers from the district to another district, charter school, county office of education program, or private school, the Superintendent or designee may share the student's meal eligibility information to the other educational agency to assist that other educational agency in ensuring that the student continues to receive school meals.

The Superintendent or designee may release the name and eligibility status of a student participating in the free or reduced-price meal program to another school district, charter school, or county office of education that is serving a student living in the same household for purposes related to program eligibility and data used in local control funding

The Superintendent or designee also may release information on the school lunch application to the local agency that determines eligibility for CalFresh or another nutrition assistance program authorized under 7 CFR 210.1 if the student has been approved for free or reduced-price meals. Information may be released for these purposes only if the student's parent/guardian consents to the sharing of information and the district has entered into a memorandum of understanding with the local agency which, at a minimum, includes the roles and responsibilities of the district and local agency and the process for sharing the information. After sharing information with the local agency for purposes of determining eligibility for that program, no further information shall be shared unless otherwise authorized by law. 2. Violation or attempted violation of Penal Code 187, prohibiting murder or attempted murder
3. Any offense involving the unlawful sale, use, or exchange to minors of controlled substances as listed in Health and Safety Code 11054, 11055, and 11056

The Superintendent or designee may place on an immediate compulsory leave of absence a certificated employee who is charged with an "optional leave of absence offense," defined as a controlled substance offense specified in Education Code 44011 and Health and Safety Code 11357-11361, 11363, 11364, and 11370.1, except as it relates to marijuana, mescaline, peyote, or tetrahydrocannabinol. (Education Code 44940)

If an employee is charged with an offense that falls into both the mandatory and optional leave of absence

definitions, the offense shall be treated as a mandatory leave of absence offense. (Education Code 44940)

An employee's compulsory leave for a mandatory or optional leave of absence offense may extend for not more than 10 days after the entry of judgment in the criminal proceedings. However, the compulsory leave may be extended if the Board gives notice, within 10 days after the entry of judgment in the proceedings, that the employee will be dismissed within 30 days from the date of service of the notice unless a hearing is demanded. (Education Code 44830.1)

Policy 4140: Bargaining Units

Status: DRAFT

Original Adopted Date: 11/01/2011 | **Last Revised Date:** 09/13/2023

The Governing Board recognizes the right of district employees to form a bargaining unit and to select an employee organization as the exclusive representative for the employees in the employees' employment relationship with the district. The Board is committed to negotiating in good faith with the exclusive representative and respecting the rights of employees and employee organizations.

The district shall not dominate or interfere with the formation or administration of any employee organization or contribute financial or other support to it. (Government Code 3543.5)

Employees shall not be prohibited from wearing union buttons, insignia, or other pictorial or written messages that favor or oppose the formation of a bargaining unit or any matter that is the subject of negotiations.

Formation of Bargaining Units

Certificated and classified employees shall not be included in the same bargaining unit. (Government Code 3545)

A bargaining unit of certificated or classified supervisory employees may only be recognized if the bargaining unit includes all certificated or classified supervisory employees, respectively, and is not represented by the same employee organization that represents district employees who are supervised by the supervisory employees. (Government Code 3545)

For this purpose, supervisory employee means any employee, regardless of job description, having authority, in the interest of the district, to hire, transfer, suspend, lay off, recall, promote, discharge, assign, reward, or discipline other employees, or the responsibility to assign work to, direct, or adjust grievance of other employees, or effectively recommend that action, when the exercise of that authority is not of a merely routine or clerical nature, but requires the use of independent judgment. (Government Code 3540.1)

Employees serving in management, senior management, or confidential positions shall not be represented by an exclusive representative. In the employment relationship with the district, employees who serve in a management, senior management, or confidential position may represent themselves or be represented by an employee organization whose membership is composed entirely of employees designated as holding those positions. However, an employee organization representing management, senior management, or confidential employees shall not be permitted to meet and negotiate with the district on behalf of the employees. (Education Code 45100.5, Government Code 3543.4)

Management employee means an employee in a position having significant responsibilities for formulating district policies or administering district programs. (Government Code 3540.1)

Confidential employee means any employee who is required to develop or present management positions with respect to employer-employee relations or whose duties normally require access to confidential information that is used to contribute significantly to the development of management positions. (Government Code 3540.1)

Membership

The district shall not deter or discourage employees or job applicants from becoming or remaining members of an employee organization, authorizing representation by an employee organization, or authorizing dues or fee deductions to an employee organization. In addition, the district shall not impose or threaten to impose reprisals on employees, discriminate or threaten to discriminate against employees, or otherwise interfere with, restrain, or coerce employees because of their membership or nonmembership in an employee organization. (Government Code 3543.5, 3550, 3551.5)

District Communications to Employees

The Superintendent or designee may communicate with district employees regarding their rights to join and/or support or to refrain from joining or supporting an officially recognized employee organization. Such communications shall be factual and accurate and may not promise a benefit, threaten a reprisal, or in any way deter or discourage employees from joining an employee organization or paying dues.

The district may disseminate written documents, recorded messages, or other mass communications to actual or perspective employees represented by an exclusive representative concerning their rights to join and/or support, or refrain from joining and/or supporting, an employee organization only after the Superintendent or designee meets and confers with the exclusive representative concerning the content of the mass communication. If the district and exclusive representative do not come to agreement on the content of the mass communication and the district still chooses to disseminate it, the Superintendent or designee shall request that the exclusive representative provide a communication of reasonable length to the district that shall be disseminated to the employees at the same time as the district's own mass communication. (Government Code 3556)

Access to New Employee Orientations

The district shall permit each exclusive representative access to new employee orientation or onboarding process where newly hired employees represented by the exclusive representative are advised, whether in person, online, or through other means or mediums, of their employment status, rights, benefits, duties, responsibilities, or any other employment-related matters. The district shall provide the exclusive representative at least 10 days' notice in advance of an orientation, except that a shorter notice may be provided where there is an urgent need critical to the district's operations that was not reasonably foreseeable. (Government Code 3556)

Following a request to negotiate by either party, the structure, time, and manner of access to new employee orientations shall be determined by mutual agreement of the district and the exclusive representative. If the district and exclusive representative fail to reach an agreement, the structure, time, and manner of access to the new employee orientation shall be subject to compulsory interest arbitration. The district and the exclusive representative may mutually agree to submit any dispute to compulsory interest arbitration at any time. In addition, if any dispute arises during negotiations and is not resolved within 45 days after the first meeting or within 60 days after the initial request to negotiate, whichever is earlier, either party may make a demand for compulsory interest arbitration. When any such dispute arises during the summer when the district's administrative office is closed, the timeline shall commence on the first day the administrative office reopens. The arbitrator's decision shall be issued within 10 days and shall be final and binding on the parties. (Government Code 3556, 3557)

The date, time, and place of a new employee orientation shall not be disclosed to anyone other than employees, the exclusive representative, or a vendor that is contracted to provide a service for purposes of the orientation. (Government Code 3556)

Until June 30, 2025, unless the district and the exclusive representative have agreed otherwise, when the district has not conducted an in-person orientation within 30 days of hiring a new employee, the Superintendent or designee shall permit the exclusive representative to schedule an in-person meeting during employment hours at the new employee's worksite, during which the new employee shall have the opportunity to attend and shall be relieved of other duties for the purpose of attending the meeting. The district shall provide appropriate space at the worksite within seven calendar days of receiving a request from the exclusive representative. (Government Code 3556, 3557)

During this meeting, the exclusive representative shall be permitted to communicate directly with the new employees for up to 30 minutes of paid time. (Government Code 3556)

Access to Employee Contact Information

The Superintendent or designee shall provide an exclusive representative with the name, job title, department, work location, telephone numbers (work, home, and personal cell phone), of all employees represented by the exclusive representative on file with the district. An employee's personal email address shall only be disclosed if it used by the employee to conduct district business.

Such information shall be provided within 30 days of hire or by the first pay period of the month following hire for all

new employees represented by the exclusive representative, unless the exclusive representative has agreed to a different interval for the provision of the information. Additionally, the Superintendent or designee shall provide the exclusive representative with the same information for all employees represented by the exclusive representative every 120 days, unless more frequent disclosure is required by agreement with the exclusive representative. (Government Code 3558, 7928.300)

However, the Superintendent or designee shall not disclose: (Government Code 3558, 6205-6210, 6215-6216, 7928.300)

1. The home address and any phone numbers on file for employees performing law enforcement-related functions
2. The home address, home telephone or personal cell phone number(s), or personal email address(es) of any employee who is a participant in the Safe at Home address confidentiality program pursuant to Government Code 6205-6210 and 6215-16
3. The employee's home address, home telephone and personal cell phone numbers, and personal email address of an employee not performing law enforcement related functions if the employee has submitted a written request to the district to keep such information private. In such instances, the Superintendent or designee shall also remove the employee's home address, home telephone number, and personal cell phone number from any mailing list maintained by the district unless the list is only used by the district to contact the employee.

Within 20 calendar days after an exclusive representative notifies the Superintendent or designee that a list of employees provided by the district is inaccurate or incomplete, the Superintendent or designee shall take steps to correct the list and provide a new list of employees to the exclusive representative. (Government Code 3558)

The Superintendent or designee shall review the list of contact information for district employees at the beginning of each school year, or more often as appropriate.

Communications with Employees by Employee Organizations

Subject to reasonable regulation by the district, employee organizations shall have access, at reasonable times, to the work areas of employees represented by the employee organization and to district facilities for the purpose of meeting with employees represented by the employee organization. Access may be limited in instances where it would be disruptive to district operations. (Government Code 3543.1)

Additionally, subject to reasonable regulation by the district, employee organizations shall have the ability to use institutional bulletin boards, mailboxes, and other means of communication to communicate with employees represented by the employee organization. (Government Code 3543.1)

Membership Dues or Other Payments to an Employee Organization

When drawing an order for the salary or wage payment of a bargaining unit employee of an employee organization, the district shall deduct any amount that has been requested by the employee in a revocable written authorization for the purpose of paying dues or other payments for any service, program, or committee provided or sponsored by the employee organization. (Education Code 45060, 45168)

When an employee organization has certified to the district that it has and will maintain individual employee authorizations for payroll deductions, the district shall rely on information from the employee organization regarding the amounts of such payroll deductions and the employees to whom they apply and shall not handle or process employee written authorizations for the employees represented by such employee organization. The district also shall not require a copy of the written authorization to be submitted by the employee organization, except when there is a dispute about the existence or terms of the written authorization. (Education Code 45060, 45168)

A written authorization shall remain in effect until expressly revoked in writing by the employee and pursuant to the terms of the written authorization. Employee requests to cancel or change authorizations for payroll deductions for employee organizations shall be directed to the employee organization that represents the employee rather than the district. The employee organization shall be responsible for processing these requests. The district shall rely on the

information provided by the employee organization regarding whether deductions for an employee organization were properly canceled or changed. The employee organization shall be required to indemnify the district for any claims made by an employee for deductions made by the district in reliance on information from the employee organization. (Education Code 45060, 45168)

When an employee organization has declined to certify that it will handle and process written authorizations from employee(s) represented by the employee organization and makes a request for payroll deductions, the district shall request a copy of the written authorization for an employee before making the payroll deductions for that employee. (Education Code 45060, 45168)

Membership Dues or Other Payments to an Employee Organization

When drawing an order for the salary or wage payment of a bargaining unit employee of an employee organization, the district shall deduct any amount that has been requested by the employee in a revocable written authorization for the purpose of paying dues or other payments for any service, program, or committee provided or sponsored by the employee organization. (Education Code 45060, 45168)

When an employee organization has certified to the district that it has and will maintain individual employee authorizations for payroll deductions, the district shall rely on information from the employee organization regarding the amounts of such payroll deductions and the employees to whom they apply and shall not handle or process employee written authorizations for the employees represented by such employee organization. The district also shall not require a copy of the written authorization to be submitted by the employee organization, except when there is a dispute about the existence or terms of the written authorization. (Education Code 45060, 45168)

A written authorization shall remain in effect until expressly revoked in writing by the employee and pursuant to the terms of the written authorization. Employee requests to cancel or change authorizations for payroll deductions for employee organizations shall be directed to the employee organization that represents the employee rather than the district. The employee organization shall be responsible for processing these requests. The district shall rely on the

information provided by the employee organization regarding whether deductions for an employee organization were properly canceled or changed. The employee organization shall be required to indemnify the district for any claims made by an employee for deductions made by the district in reliance on information from the employee organization. (Education Code 45060, 45168)

When an employee organization has declined to certify that it will handle and process written authorizations from employee(s) represented by the employee organization and makes a request for payroll deductions, the district shall request a copy of the written authorization for an employee before making the payroll deductions for that employee. (Education Code 45060, 45168)

Policy 4218: Dismissal/Suspension/Disciplinary Action

Status: DRAFT

Original Adopted Date: 07/01/2019 | **Last Revised Date:** 06/07/2023

The Governing Board expects all employees to perform their jobs satisfactorily, to exhibit professional and appropriate conduct, and serve as positive role models both at school and in the community. A classified employee may be disciplined for unprofessional conduct or unsatisfactory performance in accordance with law or any applicable collective bargaining agreement, Board policy, or administrative regulation.

Disciplinary actions shall be based on the particular facts and circumstances involved and the severity of the employee's conduct or performance.

The Superintendent or designee shall ensure that disciplinary actions are taken in a consistent, nondiscriminatory manner. In addition, an employee shall not be suspended, disciplined, reassigned, transferred, dismissed, or otherwise retaliated against solely for engaging in protected activities, or for acting to protect a student engaged in exercising any free speech or press right authorized by, or for refusing to infringe upon a student's conduct protected pursuant to, Education Code 48907 or 48950.

Disciplinary actions may include, but are not limited to, verbal and written warnings, involuntary reassignment, demotion, suspension or leave without pay, reduction of wages, or dismissal.

A probationary classified employee may be dismissed without cause anytime before the probationary period expires.

Permanent classified employees shall be subject to disciplinary action only for cause as specified in the accompanying administrative regulation. (Education Code 45113)

Procedures for Serious Disciplinary Proceedings

The Superintendent or designee shall develop disciplinary procedures for use when dismissal, suspension, demotion, involuntary reassignment, or other serious disciplinary action is contemplated against an employee. The procedures for such discipline shall include an opportunity for an employee for whom any such disciplinary action is recommended to meet with, or respond in writing to, a designated district official ("Skelly officer") who will determine whether the recommended discipline should proceed further or be modified or withdrawn.

After meeting with the employee or considering the employee's written response, if the Skelly officer determines that the recommended discipline should proceed, the Superintendent or designee shall send the employee a notice of the recommended disciplinary action, a statement of charges, and the results of the Skelly review process. The notice shall include a statement advising the employee of the right to request a Board hearing on the matter. (Education Code 45113, 45116)

If the employee fails to request a hearing within the time specified in the notice, the employee is deemed to have waived the right to do so, and the Board may order the recommended disciplinary action into effect immediately.

If a timely request is submitted, a hearing shall be conducted by the Board or by a third-party hearing officer, in accordance with law. (Education Code 45113, 45312)

A classified employee who timely requests a hearing may only be suspended, demoted, or dismissed pending the outcome of the hearing in accordance with Education Code 45113 and as specified in the accompanying administrative regulation.

The hearing shall be held at the earliest convenient date, taking into consideration the established schedule of the Board and the availability of legal counsel and witnesses. The employee shall be notified of the time and place of the hearing.

The hearing shall be held in closed session unless the employee requests that the matter be heard in an open session meeting. (Government Code 54957)

The employee shall be entitled to appear personally, produce evidence, and be represented by legal counsel.

The Board may use the services of its legal counsel in ruling upon procedural questions, objections to evidence, and issues of law. The Board may review and consider the records of any prior personnel action proceedings against the employee in which disciplinary action was ultimately sustained, and any records contained in the employee's personnel files and introduced into evidence at the hearing. The Board shall not be bound by rules of evidence used in California courts. Informality in any such hearing shall not invalidate any order or decision made by the Board.

At any time before a matter is submitted to the Board for decision, the Superintendent or designee may, with the consent of the Board, serve on the employee and file with the Board an amended or supplemental recommendation of disciplinary action. If the amended or supplemental recommendation includes new causes or allegations, the employee shall be afforded a reasonable opportunity to prepare a defense. Any new causes or allegations shall be deemed controverted and any objections to the amended or supplemental causes or allegations may be made orally at the hearing and shall be noted on the record.

Following the hearing or, if the employee has not requested a hearing, after reviewing the Superintendent or designee's recommendation for disciplinary action, the Board shall affirm, modify, or reject the recommended disciplinary action. The decision of the Board shall be in writing and shall contain findings of fact and the disciplinary action approved, if any. The decision of the Board shall be final.

Within 10 working days of the Board's final decision, a copy of the decision shall be delivered to the employee and/or designated representative personally or by registered mail.

Except for an allegation of egregious misconduct in which a minor is involved, the Board may delegate the authority to determine whether sufficient cause exists for disciplinary action to an impartial third-party hearing officer. When a matter is heard by a third-party hearing officer, the Board shall review the determination and adopt or reject the recommended decision. (Education Code 45113)

When any matter involves an allegation of egregious misconduct as defined in Education Code 44932 and involves a witness who is a minor, the matter shall be referred to an administrative law judge to determine whether sufficient cause exists for disciplinary action against the employee. In such cases, the ruling of the administrative law judge shall be binding on the district and the employee. (Education Code 45113)

Compulsory Leave of Absence

Upon being informed that a classified employee has been charged with a mandatory leave of absence offense, the Superintendent or designee shall immediately place the employee on a compulsory leave of absence. (Education Code 44940, 44940.5, 45304)

16. Violation of Education Code 45303 or Government Code 1028 prohibiting the advocacy or teaching of communism
17. Any other misconduct which is of such nature that it causes discredit or injury to the district or the employee's position

No disciplinary action shall be taken for any cause that arose before the employee became permanent, nor for any cause that arose more than two years before the date of the filing of the notice of cause unless this cause was concealed or not disclosed by the employee when it could be reasonably assumed that the employee would have disclosed the facts to the district. (Education Code 45113)

Initiation and Notification of Charges

The Superintendent or designee shall provide notice to the employee of a recommendation for discipline, which includes the charges and materials upon which the recommendation is based. The notification shall identify an impartial district official ("Skelly officer") with whom the employee may meet at a specified time and place or to whom the employee may provide a written response to the recommendation of discipline. After meeting with the employee or considering any response from the employee, the Skelly officer shall recommend to the Superintendent or designee whether to proceed with the recommendation for discipline.

The Superintendent or designee shall file any final recommendation for disciplinary action in writing with the Governing Board. A copy of the recommendation shall be served upon the employee either personally or by registered or certified mail, return receipt requested, at the employee's last known address.

The notice shall, in ordinary and concise language, inform the employee of the specific charge(s) or cause(s) for the disciplinary action, the specific acts and omissions upon which the action is based, and, if applicable, the district rule or regulation that the employee has allegedly violated. In addition, the notice shall include the employee's right to a hearing on those charges, the time within which the hearing may be requested, which shall be not less than five days after service of the notice to the employee, and a card or paper which the employee may sign and file to deny the charges and request a hearing. (Education Code 45113, 45116)

Request for Board Hearing

Within the time specified in the notice of the recommendation of disciplinary action, the employee may request a hearing on the charges by signing and filing the card or paper included with the notice. (Education Code 45113)

Any other written document signed and appropriately filed within the specified time limit by the employee shall constitute sufficient notice of the request for a hearing. The request shall be delivered to the office of the Superintendent or designee during normal work hours of that office. If mailed to the office of the Superintendent or designee, it must be received or postmarked no later than the time limit specified by the district. In cases where an order of suspension without pay has been issued in conjunction with a recommendation of dismissal, any request for a hearing on the dismissal shall also constitute a request to hear the suspension order, and the necessity of the suspension order shall be an issue in the hearing.

Employment Status Pending a Disciplinary Hearing

A classified employee against whom a recommendation for disciplinary action has been issued may remain on active duty or may be placed on paid leave pending a hearing on the charges. The employee shall not be suspended without pay, suspended or demoted with a reduction in pay, or dismissed pending the outcome of a timely requested hearing, except as specified below. (Education Code 45113)

However, the disciplinary action may be imposed prior to the decision if the Board, or an impartial third-party hearing officer provided pursuant to a collective bargaining agreement, finds by a preponderance of the evidence that at the time discipline was imposed, the employee (1) engaged in criminal misconduct, (2) engaged in misconduct that presents a risk of harm to students, staff, or property, or (3) committed habitual violations of the district's policies or regulations. Such finding(s) must be made at the conclusion of the Skelly review process. (Education Code 45113)

In such cases where the disciplinary action is imposed prior to the decision, the employee shall be given written notice of the disciplinary action and the findings made at the conclusion of the Skelly review process. Such written notice shall be served upon the employee personally.

In addition, the district may cease paying the employee if a decision has not been rendered by an impartial third-party hearing officer, pursuant to a collective bargaining agreement, or the Board within 30 days of the date the hearing was requested. (Education Code 45113)

Compulsory Leave of Absence

Upon being informed that a classified employee has been charged with a "mandatory leave of absence offense," the Superintendent or designee shall immediately place the employee on a leave of absence. A mandatory leave of absence offense includes: (Education Code 44940, 45304)

1. Any sex offense as defined in Education Code 44010
2. Violation or attempted violation of Penal Code 187, prohibiting murder or attempted murder
3. Any offense involving the unlawful sale, use, or exchange to minors of controlled substances as listed in Health and Safety Code 11054, 11055, and 11056

The Superintendent or designee may place on an immediate compulsory leave of absence a classified employee who is charged with an "optional leave of absence offense," defined as a controlled substance offense specified in Education Code 44011 and Health and Safety Code 11357-11361, 11363, 11364, and 11370.1 except as it relates to marijuana, mescaline, peyote, or tetrahydrocannabinol. (Education Code 44940, 44940.5, 45304)

An employee's compulsory leave for a mandatory or optional leave of absence offense may extend for not more than 10 days after the entry of judgment in the criminal proceedings. However, the compulsory leave may be extended if the Board gives notice, within 10 days after the entry of judgment in the proceedings, that the employee will be dismissed within 30 days from the date of service of the notice unless the employee demands a hearing on the dismissal. (Education Code 44940, 44940.5)

Policy 5141.21: Administering Medication And Monitoring Health Conditions

Status: DRAFT

Original Adopted Date: 11/01/2011 | **Last Revised Date:** 06/23/2021

The Governing Board believes that regular school attendance is critical to student learning and that students who need to take medication prescribed or ordered for them by their authorized health care providers should be able to participate in the educational program.

Any medication prescribed for a student with a disability who is qualified to receive services under the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act of 1973 shall be administered in accordance with the student's individualized education program or Section 504 services plan, as applicable.

For the administration of medication to other students during school or school-related activities, the Superintendent or designee shall develop protocols which shall include options for allowing parents/guardians to administer medication to their child at school, designate other individuals to do so on their behalf, and, with the student's authorized health care provider's approval, request the district's permission for the student to self-administer a medication or self-monitor and/or self-test for a medical condition. Such processes shall be implemented in a manner that preserves campus security, minimizes instructional interruptions, and promotes student safety and privacy.

The Superintendent or designee shall make epinephrine auto-injectors available at each school for providing emergency medical aid to any person suffering, or reasonably believed to be suffering, from an anaphylactic reaction. (Education Code 49414)

In accordance with law, the Superintendent or designee may make naloxone hydrochloride or another opioid antagonist and stock albuterol inhalers available at each school for providing emergency medical aid to any person suffering or reasonably believed to be suffering from opioid overdose or respiratory distress. (Education Code 49414.3, 49414.7)

Because of the conflict between state and federal law regarding the legality of medicinal cannabis, the Board prohibits the administration of medicinal cannabis to students on school grounds by parents/guardians or school personnel.

The Superintendent or designee shall collaborate with city and county emergency responders, including local public health administrators, to design procedures or measures for addressing an emergency such as a public disaster or epidemic.

Administration of Medication by School Personnel

When allowed by law, medication prescribed to a student by an authorized health care provider may be administered by a school nurse or, when a school nurse or other medically licensed person is unavailable and the physician has authorized administration of medication by unlicensed personnel for a particular student, by other designated school personnel with appropriate training. School nurses and other designated school personnel shall administer medications to students in accordance with law, Board policy, administrative regulation, and, as applicable, the written statement provided by the student's parent/guardian and authorized health care provider. Such personnel shall be afforded appropriate liability protection.

The Superintendent or designee shall ensure that school personnel designated to administer any medication receive appropriate training and, as necessary, retraining from qualified medical personnel before any medication is administered. At a minimum, the training shall cover how and when such medication should be administered, the recognition of symptoms and treatment, emergency follow-up procedures, and the proper documentation and storage of medication. Such trained, unlicensed designated school personnel shall be supervised by, and provided with immediate communication access to, a school nurse, physician, or other appropriate individual.

The Superintendent or designee shall maintain documentation of the training and ongoing supervision, as well as annual written verification of competency of other designated school personnel.

Policy 5144: Discipline

Status: DRAFT

Original Adopted Date: 04/01/2014 | **Last Revised Date:** 06/23/2021

The Governing Board is committed to providing a safe, supportive, and positive school environment which is conducive to student learning and achievement and desires to prepare students for responsible citizenship by fostering self-discipline and personal responsibility. The Board believes that high expectations for student behavior, use of effective school and classroom management strategies, provision of appropriate intervention and support, and parent/guardian involvement can minimize the need for disciplinary measures that exclude students from instruction as a means for correcting student misbehavior.

The Superintendent or designee shall develop effective, age-appropriate strategies for maintaining a positive school climate and responding appropriately to student misbehavior at district schools. The strategies shall focus on providing students with needed supports; communicating clear, appropriate, and consistent expectations and consequences for student conduct; and ensuring equity and continuous improvement in the implementation of district discipline policies and practices.

In addition, the Superintendent or designee's strategies for responding to student misconduct shall reflect the Board's preference for the use of positive interventions and alternative disciplinary measures over exclusionary discipline measures.

Disciplinary measures that may result in loss of instructional time or cause students to be disengaged from school, such as detention, suspension, and expulsion, shall be imposed only when required or permitted by law or when other means of correction have been documented to have failed. (Education Code 48900.5)

School personnel and volunteers shall not allow any disciplinary action taken against a student to result in the denial or delay of a school meal. (Education Code 49557.5)

A student shall not be denied recess unless the student's participation poses an immediate threat to the physical safety of the student or to the physical safety of one or more of the student's peers. If, due to such immediate threat, a student is denied recess, staff shall make all reasonable efforts to resolve the threat and minimize the student's exclusion from recess, to the greatest extent practicable. (Education Code 49056)

Seclusion and behavioral restraint are prohibited as a means of discipline and shall not be used to correct student behavior except as permitted pursuant to Education Code 49005.4 and in accordance with district regulations. (Education Code 49005.2)

The Superintendent or designee shall create a model discipline matrix that lists violations and the consequences for each as allowed by law.

The principal or designee at each school may develop disciplinary rules to meet the school's particular needs consistent with law, Board policy, and administrative regulations. The Board, at an open meeting, may review the approved school discipline rules for consistency with Board policy and state law. Site-level disciplinary rules shall be included in the district's comprehensive safety plan. (Education Code 32282, 35291.5)

At all times, the safety of students and staff, providing interventions and supports to students, as well as the maintenance of an orderly school environment, shall be priorities in determining appropriate discipline. When misconduct occurs, staff shall attempt to identify the causes of the student's behavior and implement appropriate support and/or discipline. When choosing between different disciplinary strategies, staff shall consider the effect of each option on the student's health, well-being, and opportunity to learn.

Staff shall enforce disciplinary rules fairly, consistently, and in accordance with the district's nondiscrimination policies.

The Superintendent or designee shall provide professional development as necessary to assist staff in developing the skills needed to effectively and equitably implement the disciplinary strategies adopted for district schools, including,

but not limited to, knowledge of school and classroom management skills and their consistent application, effective accountability and positive intervention techniques, and the tools to form strong, cooperative relationships with parents/guardians.

District goals for improving school climate, based on suspension and expulsion rates, surveys of students, staff, and parents/guardians regarding their sense of school safety and connectedness to the school community, and other local measures, shall be included in the district's local control and accountability plan, as required by law.

At the beginning of each school year, the Superintendent or designee may report to the Board regarding disciplinary strategies used in district schools in the immediately preceding school year and their effect on student learning.

1. Parents/guardians
2. Teachers
3. School administrators
4. School security personnel, if any
5. Students in grades seven through twelve

Annually, site-level discipline rules shall be reviewed and, if necessary, updated to align with any changes in state law, district discipline policies and regulations, and/or goals for school safety and climate as specified in the district's local control and accountability plan. A copy of the rules shall be filed with the Superintendent or designee for inclusion in the comprehensive safety plan.

School rules shall be communicated to students clearly and in an age-appropriate manner.

It shall be the duty of each employee of the school to enforce the school rules on student discipline. (Education Code 35291.5)

Disciplinary Strategies

To the extent possible, staff shall use disciplinary strategies that keep students in school and participating in the instructional program. Except when students' presence causes a danger to themselves or others or they commit a single act of a grave nature or an offense for which suspension or expulsion is required by law, suspension, supervised suspension, or expulsion shall be used only when other means of correction have failed to bring about proper conduct. Disciplinary strategies may include, but are not limited to:

1. Discussion or conference between school staff, the student, and the student's parents/guardians
2. Referral of the student to the school counselor or other school support service personnel for case management and counseling
3. Convening of a study team, guidance team, resource panel, or other intervention-related team to assess the behavior and develop and implement an individual plan to address the behavior in partnership with the student and the student's parents/guardians

9. Participation in a program that is sensitive to the traumas experienced by students, focuses on students' behavioral health needs, and addresses those needs in a proactive manner
10. After-school programs that address specific behavioral issues or expose students to positive activities and behaviors, including, but not limited to, those operated in collaboration with local parent and community groups
11. Detention after school hours as provided in the section below entitled "Detention After School"

14. Reassignment to an alternative educational environment
15. Suspension and expulsion in accordance with law, Board policy, and administrative regulation

When, by law or district policy, other means of correction are required to be implemented before a student could be suspended or expelled, any other means of correction implemented shall be documented and retained in the student's records. (Education Code 48900.5)

When a student has been suspended, or other means of correction have been implemented against the student, for an incident of racist bullying, harassment, or intimidation, the principal or designee shall engage both the victim and perpetrator in a restorative justice practice suitable to the needs of the students. The principal or designee shall also require the perpetrator to engage in a culturally sensitive program that promotes racial justice and equity and combats racism and ignorance and shall regularly check on the victim to ensure that the victim is not in danger of suffering from any long-lasting mental health issues. (Education Code 48900.5)

Staff shall enforce disciplinary rules fairly, consistently, and in accordance with the district's nondiscrimination policies.

When disciplining a student who has been identified for special education and related services, the procedures specified in Administrative Regulation 5144.2 - Suspension And Expulsion/Due Process (Students With Disabilities) shall be applied. If a student has not been identified as a student with a disability and the district suspects the behavior that resulted in discipline may be based in an unidentified disability, the district shall conduct an evaluation to determine if the student has a disability which requires an IEP or 504 plan. (U.S.C. 1412(a)(3))

Detention After School

Students may be detained for disciplinary reasons for up to one hour after the close of the maximum school day, or until the departure of the school bus to which they have been assigned if applicable. (5 CCR 307, 353)

The student shall not be detained unless the principal or designee notifies the parent/guardian.

Students shall remain under the supervision of a certificated employee during the period of detention.

Students may be offered the choice of serving their detention on Saturday rather than after school.

Community Service

As part of or instead of disciplinary action, the Board, Superintendent, principal, or principal's designee may require a student to perform community service during nonschool hours on school grounds or, with written permission of the student's parent/guardian, off school grounds. Such service may include, but is not limited to, community or school outdoor beautification, community or campus betterment, and teacher, peer, or youth assistance programs. (Education Code 48900.6)

This community service option is not available for a student who has been suspended, pending expulsion, pursuant to Education Code 48915. However, if the recommended expulsion is not implemented or the expulsion itself is suspended, then the student may be required to perform community service for the resulting suspension. (Education Code 48900.6)

Policy 6141.2: Recognition Of Religious Beliefs And Customs

Status: DRAFT

Original Adopted Date: 12/01/1988 | **Last Revised Date:** 06/23/2021

The Governing Board recognizes that students' education would be incomplete without an understanding of the role of religion in society. As appropriate for a particular course, teachers may objectively discuss the influences of various religions, using religious works and symbols to illustrate their relationship with culture, literature, or the arts. The Board expects that such instruction will identify principles common to all religions and foster respect for the diversity of religions and customs in the world and be consistent with the adopted instructional materials and state standards, as applicable.

In order to respect each student's individual right to freedom of religious practice, religious indoctrination is forbidden in public schools. The Superintendent or designee shall ensure that instruction about religion does not promote or denigrate the beliefs or customs of any particular religion or sect, nor that a preference be shown for one religious viewpoint over another. Staff members shall be highly sensitive to their obligation not to interfere with the religious development of any student in whatever tradition the student embraces, and treat all religions and religious conviction, including nonbelief, with fairness and respect.

Staff shall not endorse, encourage, or solicit religious or anti-religious expression or activities among students during class time.

Staff shall not coerce students in prayer or other religious activities as part of their official duties. However, Staff are not prohibited, when acting in their private capacity, from encouraging students' participation in personal prayer or other religious activity. Additionally, staff shall not prohibit or discourage any student from praying or otherwise expressing the student's religious belief so long as this does not disrupt the classroom or other school sponsored activity.

Students may express their beliefs about religion in their homework, artwork, and other class work if the expression is germane to the assignment. Such work shall be judged by ordinary academic standards, relevance, and other legitimate pedagogical objectives.

While teaching about religious holidays is a permissible part of the educational program, celebrating religious holidays is not allowed in the district. School-sponsored programs shall not be, nor have the effect of being, religiously oriented or a religious celebration. School and classroom decorations may express seasonal themes that are not religious in nature. The use of religious symbols that are part of a religious holiday is permitted as a teaching aid or resource provided that such symbols are displayed as an example of cultural and religious heritage of the holiday and temporary in nature.

Classroom methods in instruction about religion shall not include religious role-playing activities or simulated religious devotional acts.

Music, art, literature or drama programs having religious themes are permitted as part of the curriculum for school-sponsored activities and programs if presented in an objective manner and as a traditional part of cultural and religious heritage.

District schools shall not prohibit religious activities if the same or similar non-religious activities are permitted.

If a student's status as a student who is migratory changes during a school year, the Superintendent or designee shall allow the student to continue at the school of origin through the duration of that school year or, if the student is enrolled in a high school, through graduation. (Education Code 48204.7)

A student who is migratory and is transitioning between school grade levels shall be allowed to continue in the district of origin in the same attendance area to provide the student the benefit of matriculating with peers in accordance with the established feeder patterns of school districts. A student who is migratory and is transitioning to a middle school or high school designated for matriculation in another school district shall be allowed to enroll in that school. (Education Code 48204.7)

The Superintendent or designee shall inform a student who is migratory and the student's parent/guardian of the impact of remaining in the school of origin on the student's eligibility to receive migrant education services pursuant to Education Code 54440-54445. (Education Code 48204.7)

The Superintendent or designee may, but is not required to, provide transportation to enable a student who is migratory to attend the school of origin, unless otherwise required by federal law, or provide programs for online instruction as a substitute for physical attendance. (Education Code 48204.7)

Student Records

The Superintendent or designee shall maintain records documenting the eligibility of students enrolled in the district's migrant education program. However, the district shall not collect information or documents regarding the

citizenship or immigration status of students or their family members for the purpose of determining eligibility for migrant education services.

The Superintendent or designee shall acquire education and health records from the previous school districts of a student who is migratory, as appropriate.

When a student who is migratory transfers to another district, the student's records shall be provided to the receiving district upon request at no cost in order to assist that district in meeting the needs of the student. (20 USC 6398)

Program Components

The migrant education program shall include all of the following components: (Education Code 54443.1)

1. A general needs assessment summarizing the needs of the population to be served
2. A comprehensive program to meet the educational, health, and related needs of participating students which supplements the district program and includes, but is not limited to:
 - a. Instructional services, including academic, remedial and compensatory, bilingual-crosscultural, and career technical instruction
 - b. Counseling and career education services
 - c. Preschool services in accordance with Education Code 54443
 - d. Other educational services that are not otherwise available in sufficient quantity or quality to eligible students who are migratory
 - e. The acquisition of instructional materials and equipment necessary to adequately provide the appropriate services
 - f. Other related services to meet the special needs of eligible students who are migratory to enable them to participate effectively in instructional services
 - g. The coordination and teaming of existing resources serving students who are migratory, such as bilingual-crosscultural education, health screening, and compensatory education
3. Individual assessment of the educational and relevant health needs of each participating student, within 30 days of enrollment, including assessments concurrently provided pursuant to compensatory education, bilingual-crosscultural education, school improvement programs, and other programs serving the student
4. A brief individual learning plan listing the services to be provided to each student, which shall be given to the parent/guardian in writing or at a parent/guardian conference, annually and when the student moves to a new district
5. Staffing and staff development plans and practices to meet the needs of students and implement the program
6. Parent/guardian and community involvement as specified in Education Code 54444.2, including, but not necessarily limited to, the establishment of a parent/guardian advisory council to actively involve parents/guardians in planning, operating, and evaluating the district's migrant education program
7. The migrant education program shall provide for the same opportunities for parent/guardian involvement that are provided to parents/guardians for federal Title I programs. (20 USC 6394)
8. Evaluations which include annual student progress and overall program effectiveness and quality control reports

Summer School and Extended School Year Program

The district shall conduct summer school program(s) for eligible students who are migratory. The summer school program shall respond to the individual needs of participating students and shall build on and be consistent with the instructional programs offered to these students during the regular school year. Coursework shall be of the same level of difficulty in each subject as that provided to students enrolled in regular classes of instruction within the district in the preceding year. (Education Code 54444.3)

Teachers in the summer school program shall have cultural training or background and understanding of the special needs of students who are migratory and possess the proper credential for the subjects and grade levels to which they are assigned. (Education Code 54444.3)

The program shall comply with the following requirements for instructional time: (Education Code 54444.3)

1. For kindergarten class, a minimum of 180 minutes per day, including recesses, for not less than 20 instructional days
2. For grades 1-8, a minimum of 200 minutes per day, including recesses and passing time but excluding noon intermissions, for not less than 20 instructional days
3. For grades 7-12, a minimum of 240 minutes per day, including passing time but excluding noon intermissions, for not less than 30 instructional days

The number of instructional days may be less than as described above if, during the summer school program, there is a holiday for which schools are required to be closed. (Education Code 37220, 54444.3).

When district facilities that are suitable for the summer climate are available, the district shall make facilities available at cost to other agencies that request facilities for the operation of migrant summer school programs, unless just cause for denial exists. When approved by the Superintendent of Public Instruction, the district may jointly offer facilities with a neighboring district to meet the needs of the migrant summer school program for the entire area. (Education Code 54444.3)

If the district receives authorization and average daily attendance funding from the California Department of Education to provide an extended school year program to students who are migratory who, due to family movement, enroll in transitional kindergarten, kindergarten, or any of grades 1-6, on or after March 1 of the school year and depart on or before December 1 of the next school year, the Superintendent or designee shall operate the program in accordance with Education Code 41601.6. (Education Code 41601.6)

Transfer of Coursework and Credits

When a student enrolled in a migrant education program transfers into a district school, the district will receive an official transcript from the transferring school or district which reflects full and partial credits and grades earned by the student and includes: (Education Code 51225.2)

1. A determination of the days of enrollment and/or seat time, if applicable, for all full and partial credits earned based on any measure of full or partial coursework being satisfactorily completed

Partial coursework satisfactorily completed includes any portion of an individual course, even if the student did not complete the entire course

2. Separate listings for credits and grades earned at each school and local educational agency so it is clear where credits and grades were earned
3. A complete record of the student's seat time, including both period attendance and days of enrollment

The district shall transfer the credits and grades from the transferring school's transcript onto an official district transcript in the same manner as described in Item #2, above. (Education Code 51225.2)

If the Principal or designee has knowledge that the transcript from the transferring school may not include certain credits or grades, the Principal or designee shall contact the prior school within two business days to request that the

full or partial credits be issued, which shall then be issued and provided by the prior school along with all academic and other records within two business days of the request. (Education Code 51225.2)

The district shall accept and issue full credit for any coursework that the student who is migratory has satisfactorily completed while attending another public school, a juvenile court school, a charter school, a school in a country other than the United States, or a nonpublic, nonsectarian school.

If the entire course was completed, the district shall not require the student who is migratory to retake the course. (Education Code 51225.2)

If the entire course was not completed at the previous school, the student who is migratory shall be issued partial credit for the coursework completed and shall be required to take the uncompleted portion of the course. However, the district may require the student who is migratory to retake the portion of the course completed if, in consultation with the educational rights holder for the student who is migratory, the district finds that the student who is migratory is reasonably able to complete the requirements in time to graduate from high school. Whenever partial credit is issued to a student who is migratory in any particular course, the student who is migratory shall be enrolled in the same or equivalent course, if applicable, to enable the completion of the entire course. (Education Code 51225.2)

Partial credits shall be awarded on the basis of 0.5 credits for every seven class periods attended per subject. If the school is on a block schedule, each block schedule class period attended shall be equal to two regular class periods per subject. Partial credits and grades earned by a student shall be included on the student's official transcript within two business days of the district's notification of the student's transfer, as required under Education Code 49069.5.

In no event shall the district prevent a student who is migratory from taking or retaking a course to meet the eligibility requirements for admission to the California State University or the University of California. (Education Code 51225.2)

Applicability of Graduation Requirements

To obtain a high school diploma, a student who is migratory shall complete all courses required by Education Code 51225.3 and shall generally fulfill any additional local graduation requirements prescribed by the Board.

However, when a student who is migratory has completed the second year of high school and transfers into a district school, the student shall be exempted from all district-adopted coursework and other district-established graduation requirements, unless the district makes a finding that the student is reasonably able to complete the additional requirements in time to graduate from high school by the end of the student's fourth year of high school. Within 30 calendar days of the student's transfer, the Superintendent or designee shall notify the student and the student's parent/guardian of the availability of the exemption and whether the student qualifies for it. If the Superintendent or designee fails to provide this notification, the student shall be eligible for the exemption once notified, even if the notification occurs after the termination of the court's jurisdiction over the student. (Education Code 51225.1)

To determine whether a student is in the third or fourth year of high school, the district shall use either the number of credits the student has earned as of the date of the transfer, the length of school enrollment, or, for a student with significant gaps in school attendance, the student's age as compared to the average age of students in the third or fourth year of high school, whichever qualifies the student for the exemption. (Education Code 51225.1)

If a student who is migratory was not properly notified of an exemption, declined the exemption, or was not previously exempted, the student or the student's educational rights holder may request the exemption and the Superintendent or designee shall exempt the student within 30 days of the request. A student may request the exemption even if the student is no longer a student who is migratory. (Education Code 51225.1)

When the Superintendent or designee determines that a student who transferred into a district school is reasonably able to complete district-established graduation requirements by the end of the student's fourth year of high school, the student shall not be exempted from those requirements. Within 30 calendar days of the following academic year,

the student shall be reevaluated based on the student's course completion status at the time, to determine if the student continues to be reasonably able to complete the district-established graduation requirements in time to graduate by the end of the student's fourth year of high school. Written notice as to whether the student then qualifies for exemption shall be provided to the student, the student's educational rights holder, and if applicable, to the student's social worker or probation officer. (Education Code 51225.1)

If, upon reevaluation, it is determined that the student who is migratory is not reasonably able to complete the district-established graduation requirements in time to graduate from high school by the end of the student's fourth year of high school, the Superintendent or designee shall provide the student with the option to receive an exemption from district-established graduation requirements or stay in school for a fifth year to complete the district-established graduation requirements upon agreement with the student, or if under 18 years of age, the student's educational rights holder, and shall provide notifications in accordance with Education Code 51225.1. (Education Code 51225.1)

When a student who is migratory is exempted from district-established graduation requirements, the Superintendent or designee shall consult with the student and the student's educational rights holder about the following: (Education Code 51225.1)

1. Discussion of how any requirements that are waived may affect the student's postsecondary education or vocation plans, including the ability to gain admission to a postsecondary educational institution
2. Discussion and information about other options available to the student, including, but not limited to, a fifth year of high school, possible credit recovery, and any transfer opportunities available through the California Community Colleges
3. Consideration of the student's academic data and any other information relevant to making an informed decision on whether to accept the exemption

The district shall not require or request a student who is migratory to transfer schools in order to qualify for an exemption and shall not grant any request made by a student who is migratory or the student's parent/guardian for a transfer solely to qualify for an exemption. (Education Code 51225.1)

The Superintendent or designee shall not require a student who is migratory who is eligible for an exemption from district-established graduation requirements and would otherwise be entitled to remain in attendance at the school, to accept the exemption or be denied enrollment in, or the ability to complete, courses for which the student is otherwise eligible, including courses necessary to attend an institution of higher education, regardless of whether such courses are required for statewide graduation requirements. (Education Code 51225.1)

If a student who is migratory is exempted from district-established graduation requirements, the exemption shall not be revoked. Additionally, the exemption shall continue to apply after the student no longer meets the definition of a student who is migratory while still enrolled in the school or if the student transfers to another school, including a charter school, or school district. (Education Code 51225.1)

The Superintendent or designee shall not require or request that an eligible student who is exempted from district-established graduation requirements and who completes the statewide coursework requirements before the end of the fourth year of high school, and would otherwise be entitled to remain in school, to graduate before the end of the student's fourth year of high school. (Education Code 51225.1)

Upon making a finding that a student who is migratory is reasonably able to complete district-established graduation requirements within the fifth year of high school, the Superintendent or designee shall: (Education Code 51225.1)

1. Consult with the student and, if under 18 years of age, the student's educational rights holder, of the option to remain in school for a fifth year to complete the district-established graduation requirements and how that will affect the student's ability to gain admission to a postsecondary educational institution
2. Consult with and provide information to the student about transfer opportunities available through the California Community Colleges

3. Upon agreement with the student or with the student's educational rights holder if under 18 years of age, permit the student to stay in school for a fifth year to complete the district-established graduation requirements

When a student who is migratory has completed the second year of high school transfers into the district or between high schools within the district, and the Superintendent or designee determines that the student is not reasonably able to complete the district-established graduation requirements within the student's fifth year of high school but is reasonably able to complete the statewide coursework requirements within the fifth year of high school, the student shall be exempted from all district-established graduation requirements and be provided with the option to remain in school for a fifth year to complete the statewide requirements. In such situations, the Superintendent or designee shall consult with the student and the student's educational rights holder, regarding the following: (Education Code 51225.1)

1. The student's option to remain in school for a fifth year to complete statewide coursework requirements
2. The effect of waiving the district-established requirements and remaining in school for a fifth year on the student's postsecondary education or vocation plans, including the ability to gain admission to an institution of higher education
3. Other options available to the student, including, but not limited to, possible credit recovery, and any transfer opportunities available through the California Community Colleges
4. The student's academic data and any other information relevant to making an informed decision on whether to accept the exemption and option to remain in school for a fifth year to complete the statewide coursework requirements

Parent Advisory Council

The parent advisory council shall be comprised of members who are knowledgeable of the needs of students who are migratory and shall be elected by the parents/guardians of students enrolled in the district's migrant education program. The composition of the council shall be determined by the parents/guardians at a general meeting to which all parents/guardians of participating students shall be invited. The parents/guardians shall be informed, in a language they understand, that they have the sole authority to decide on the composition of the council. (Education Code 54444.2)

At least two-thirds of the advisory council shall consist of parents/guardians of students who are migratory. (Education Code 54444.2)

All parent/guardian candidates for the council shall be nominated by parents/guardians. Nonparent candidates, such as teachers, administrators, other school personnel, or students, shall be nominated by the groups they represent. All other community candidates shall be nominated by the parents/guardians. (Education Code 54444.2)

The parent/guardian advisory council shall meet at least six times during the year and shall: (Education Code 54444.4)

1. Establish program goals, objectives, and priorities
2. Review annual needs assessments, program activities for each school, and individual learning plans
3. Advise on the selection, development, and reassignment of migrant education program staff
4. Participate actively in planning and negotiating program applications and service agreements
5. Perform all other responsibilities required under state and federal laws or regulations

The Superintendent or designee shall establish and implement a training program for advisory council members to enable them to carry out their responsibilities. The training program shall be developed in consultation with the council and shall include appropriate training materials in a language understandable to each member. (Education Code 54444.2)

The Superintendent or designee shall provide the council, without charge, a copy of all applicable state and federal migrant education statutes, rules, regulations, guidelines, audits, monitoring reports, and evaluations. Upon request, these materials also shall be provided without charge to each member of the council. (Education Code 54444.2)

Notification and Complaints

Information regarding the educational rights of students who are migratory, as specified in Education Code 51225.1 and 51225.2, shall be included in the annual uniform complaint procedures notification distributed to students, parents/guardians, employees, and other interested parties pursuant to 5 CCR 4622. (Education Code 51225.1, 51225.2)

Any complaint that the district has not complied with requirements regarding the education of students who are migratory, as specified in Education Code 51225.1 or 51225.2, may be filed in accordance with the district's procedures in Administrative Regulation 1312.3 - Uniform Complaint Procedures.

In accordance with applicable open meeting laws (Brown Act), the Board shall hold its meetings in public and shall conduct closed sessions during such meetings only as authorized by law. To encourage community involvement in the schools, Board meetings shall provide the opportunity for members of the public to directly address the Board. All meetings shall be conducted in accordance with law and the Board's bylaws, policies, and administrative regulations.

A Board meeting exists whenever a majority of Board members gather at the same time and location, including teleconference location as permitted by Government Code 54953, to hear, discuss, deliberate, or take action upon any item within the subject matter jurisdiction of the Board. (Government Code 54952.2)

In accordance with law and as specified in Board Bylaw 9012 - Board Member Electronic Communications, a majority of the Board shall not, outside of an authorized meeting, use a series of communications of any kind, directly or through intermediaries, including social media and other electronic communications, to discuss, deliberate, or take action on any item that is within the subject matter jurisdiction of the Board. (Government Code 54952.2)

However, the Superintendent or designee may engage in separate conversations or communications with Board members in order to answer questions or provide information regarding an item within the subject matter jurisdiction of the Board, as long as that employee or district official does not communicate the comments or position of any Board members to other Board members. (Government Code 54952.2)

In order to help ensure the participation of individuals with disabilities at Board meetings, the Superintendent or designee shall provide appropriate disability-related accommodations or modifications upon request in accordance with the Americans with Disabilities Act. Any doubt about a request for accommodation shall be resolved in favor of accessibility. Notice of the procedure for receiving and resolving such requests for accommodation shall be given in each instance in which notice of the time of a meeting is otherwise given or the agenda for the meeting is otherwise posted. (Government Code 54953, 54953.2, 54954.1, 54954.2)

Regular Meetings

Unless otherwise determined by the Board, the Board shall hold 1 regular meeting each month (and 2 regular meetings in June; no scheduled regular meeting in July) starting at 4:30 p.m. on the second or third Wednesday of the month, at the Point Arena High School Library, 270 Lake Street, Point Arena, CA 95468.

At least 72 hours prior to a regular meeting, the agenda shall be posted at one or more locations freely accessible to members of the public and on the district's website. (Government Code 54954.2)

Consistent with Government Code 54957.5 and Board Bylaw 9322 - Agenda/Meeting Materials, whenever agenda materials relating to an open session of a regular meeting are distributed to the Board less than 72 hours before the meeting, the Superintendent or designee shall make the materials available for public inspection at a public office or location designated for that purpose. The records shall be posted on the district website at the time the materials are distributed to all or a majority of the Board if distributed outside of business hours.

Special Meetings

Special meetings of the Board may be called at any time by the presiding officer or a majority of the Board members on any topic within the subject matter jurisdiction of the Board unless otherwise prohibited by law or as specified in BB 9323.2 - Actions by the Board. (Government Code 54956)

At least 24 hours before the time of the meeting, written notice of special meetings shall be delivered personally or by any other means to all Board members and the local media who have requested such notice in writing. The notice

also shall be posted on the district's website, and, at least 24 hours before the time of the meeting, in a location freely accessible to the public. The notice shall specify the time and location of the meeting and the business to be transacted or discussed. No other business shall be considered at this meeting. (Education Code 35144; Government Code 54956)

Any Board member may waive the 24-hour written notice requirement prior to the time of the meeting by filing a written waiver of notice with the clerk or secretary of the Board or by being present at the meeting at the time it convenes. (Education Code 35144; Government Code 54956)

Every notice of a special meeting shall provide an opportunity for members of the public to directly address the Board concerning any item that has been described in the meeting notice, before or during the item's consideration. (Government Code 54954.3)

Emergency Meetings

In the case of an emergency situation for which prompt action is necessary due to the disruption or threatened disruption of public facilities, the Board may hold an emergency meeting without complying with the 24-hour notice and/or 24-hour posting requirement for special meetings pursuant to Government Code 54956. (Government Code 54956.5)

The Board may meet in closed session during emergency meetings so long as two-thirds of the members present at the meeting agree or, if less than two-thirds of the members are present, by unanimous vote of the members present. (Government Code 54956.5)

The Board shall comply with all other requirements for special meetings during an emergency meeting. (Government Code 54956.5)

Except in the case of a dire emergency, the Board president or designee shall give notice of the emergency meeting by telephone at least one hour before the meeting to the local media that have requested notice of special meetings. All telephone numbers provided by the media in the most recent request for notification shall be exhausted. If telephone services are not functioning, the notice requirement of one hour is waived and, as soon after the meeting as possible, the Board shall notify those media representatives of the meeting and shall describe the purpose of the meeting and any action taken by the Board. In the case of a dire emergency, the Board president or designee shall give such notice at or near the time notification is given to the other members of the Board. (Government Code 54956.5)

The minutes of the meeting, a list of persons the Board president or designee notified or attempted to notify, a copy of the roll call vote, and any actions taken at the meeting shall be posted for at least 10 days in a public place as soon after the meeting as possible. (Government Code 54956.5)

An *emergency* means a work stoppage, crippling activity, or other activity that severely impairs public health and/or safety as determined by a majority of the members of the Board. (Government Code 54956.5)

A *dire emergency* means a crippling disaster, mass destruction, terrorist act, or threatened terrorist activity that poses peril so immediate and significant that requiring the Board to provide one-hour notice before holding an emergency meeting may endanger the public health and/or safety as determined by a majority of the members of the Board. (Government Code 54956.5)

Adjourned/Continued Meetings

The Board may adjourn/continue any regular or special meeting to a later time and location that shall be specified in the order of adjournment. Less than a quorum of the Board may adjourn/continue such a meeting. If no Board members are present, the secretary or the clerk may declare the meeting adjourned/continued to a later time and location and shall give notice in the same manner required for special meetings. (Government Code 54955)

Within 24 hours after the time of adjournment/continuance, a copy of the order or notice of adjournment/continuance shall be conspicuously posted on or near the door of the location where the meeting was held. (Government Code 54955)

Study Sessions, Retreats, Public Forums, and Discussion Meetings

The Board may convene a study session or public forum to study an issue in more detail or to receive information from staff or feedback from members of the public. The Board may also convene a retreat or discussion meeting to discuss Board roles and relationships. Any such meeting, regardless of title or topic, shall be held as a regular or special meeting, as appropriate, and shall comply with all other requirements for regular or special meetings. (Government Code 54956)

Other Gatherings

Attendance by a majority of Board members at any of the following events is not subject to the Brown Act provided that a majority of the Board members do not discuss specific district business among themselves other than as part of the scheduled program: (Government Code 54952.2)

1. A conference or similar public gathering open to the public that involves a discussion of issues of general interest to the public or to school board members
2. An open, publicized meeting organized by a person or organization other than the district to address a topic of local community concern

Individual contacts or conversations between a Board member and any other person that are not part of a series of communications prohibited by the Brown Act are permitted. (Government Code 54952.2)

Location of Meetings

Unless the Board is holding a teleconference meeting during a proclaimed state of emergency, all meetings shall be held within district boundaries, except to do any of the following: (Government Code 54954)

1. Comply with state or federal law or court order or attend a judicial or administrative proceeding to which the district is a party
2. Inspect real or personal property which cannot conveniently be brought into the district, provided that the topic of the meeting is limited to items directly related to the property
3. Participate in meetings or discussions of multiagency significance, provided these meetings are held within one of the other agencies' boundaries, with all participating agencies giving the notice required by law
4. Meet in the closest meeting facility if the district has no meeting facility within its boundaries or if its principal office is located outside the district
5. Meet with elected or appointed state or federal officials when a local meeting would be impractical, solely to discuss legislative or regulatory issues affecting the district over which the state or federal officials have jurisdiction
6. Meet in or near a facility owned by the district but located outside the district, provided the meeting agenda is limited to items directly related to that facility
7. Visit the office of the district's legal counsel for a closed session on pending litigation, when doing so would reduce legal fees or costs
8. Attend conferences on nonadversarial collective bargaining techniques
9. Interview residents of another district regarding the Board's potential employment of an applicant for

Superintendent of the district

10. Interview a potential employee from another district

All meetings, regardless of location, shall comply with the applicable notice and open meeting requirements. Additionally, no such meeting may be held in a facility that prohibits the admittance of any person on the basis of ancestry or any characteristic listed in Government Code 11135, which is inaccessible to individuals with disabilities, or where members of the public must make a payment or purchase in order to be admitted. (Government Code 54961)

If a fire, flood, earthquake, or other emergency renders the posted regular or special meeting location unsafe and the deadline for posting the location has passed, the meeting shall be held at a location designated by the Board president or designee, who shall so inform all news media who have requested notice of meetings pursuant to Government Code 54956 by the most rapid available means of communication.

Traditional Teleconferencing

A Board member may participate in any meeting by teleconference, which includes both audio or video/audio so long as the following conditions are met: (Government Code 54953)

1. All votes taken during the meeting are by rollcall
2. The meeting is conducted in a manner that protects the statutory and constitutional rights of the parties or the public appearing before the legislative body of a local agency
3. The location of the Board member participating by teleconference is open and accessible to the public during the meeting, except during closed session, such that members of the public may observe in person the Board member participating by teleconference, may hear/listen to the meeting to the same extent as the Board member participating by teleconference, and may make public comment during the same portion of the agenda as others members of the public from the same location as the Board member participating by teleconference
4. The location of the Board member participating by teleconference is noted in the agenda and the agenda is posted at the location of the Board member participating by teleconference in advance of the meeting as statutorily required based on the type of meeting
5. At least a quorum of the members is within the district boundaries.

Teleconferencing by Individual Board Member Due to Just Cause

Until January 1, 2026, when there is "just cause" preventing a Board member from attending a Board meeting in person, that Board member may participate in that meeting by teleconference without: (Government Code 54953)

1. Including the location of the Board member participating by teleconference in the agenda
2. Making the location of the Board member participating by teleconference open and accessible to the public
3. Posting the agenda at the location of the Board member participating by teleconference

A Board member needing to participate by teleconference for just cause shall notify the Board at the earliest possible opportunity, including at the start of a regular meeting, of the need to do so and include a general description of the circumstances relating to the need to appear by teleconference at the given meeting. (Government Code 54953)

For the Board member to participate by teleconference under this section, all of the following are required: (Government Code 54953)

1. All votes taken during the meeting are by rollcall
2. At least a quorum of the Board participates in person from a singular physical location clearly identified on the agenda

3. The Board member participating by teleconference utilizes both audio and visual technology to participate in the meeting
4. The Board member participating by teleconference publicly discloses, before any action is taken, whether any individual 18 years of age or older is present at the Board member's location and the general nature of the member's relationship with each such individual
5. The public is able to access the meeting via a two-way audiovisual platform or a two-way audio service and a live webcast, with real-time public comment being allowed via the platform or service, in addition to public comment being available in person

The platform or service may require members of the public to register in order to make public comments so long as the platform or service is not controlled by the district

6. The agenda for the meeting includes information describing how members of the public can access the platform or service

If the platform or service is disrupted such that the public cannot access the meeting or give real-time public comment, the meeting may continue but the Board may not take action on any agenda item until the disruption is resolved. (Government Code 54953)

A Board member shall be permitted to participate by teleconference for just cause for no more than two meetings per calendar year. (Government Code 54953)

For purposes of this section, "just cause" may exist for any of the following: (Government Code 54953)

Teleconferencing by Individual Board Member Due to Emergency Circumstances

Until January 1, 2026, when a physical or family medical emergency would prevent a Board member from attending a Board meeting in person, that Board member may request to participate in such meeting by teleconference. The Board member requesting to appear remotely shall submit the request as soon as possible and include a concise general description of the emergency that necessitated the request. The Board member shall not be required to disclose any disability, medical diagnosis, or personal medical information exempt under existing law. (Government Code 54953)

If the request is received timely, it shall be added to the agenda as the first item of business at the meeting, even before any closed session items. If the request is not received timely, it shall be taken up by the Board before the first item of business at the meeting. The request shall only be granted upon a vote by the majority of the Board. (Government Code 54953, 54954.2)

If the request is granted by the Board, the Board member may participate by teleconference without: (Government Code 54953)

1. Including the location of the Board member participating by teleconference in the agenda
2. Making the location of the Board member participating by teleconference open and accessible to the public
3. Posting the agenda at the location of the Board member participating by teleconference

For the Board member to participate by teleconference due to emergency circumstances, all of the following are required: (Government Code 54953)

3. The Board member participating by teleconference utilizes both audio and visual technology to participate in the meeting
4. The Board member participating by teleconference publicly discloses, before any action is taken, whether any individual 18 years of age or older is present at the Board member's location and the general nature of the member's relationship with each such individual
5. The public is able to access the meeting via a two-way audiovisual platform or a two-way audio service and a live webcast, with real-time public comment being allowed via the platform or service, in addition to public comment being available in person

The platform or service may require members of the public to register in order to make public comments so long as the platform or service is not controlled by the district

6. The agenda for the meeting includes information describing how members of the public can access the platform or service

If the platform or service is disrupted such that the public cannot access the meeting or give real-time public comment, the meeting may continue but the Board shall not take action on any agenda item until the disruption is resolved. (Government Code 54953)

In total, a Board member may not participate by teleconference due to emergency circumstances alone, or together with teleconference due to just cause, as specified above, for more than 20 percent of the Board's regular meetings or for more than three consecutive months. If the Board meets less than 10 times in a calendar year, a Board member may not appear remotely due to emergency circumstances for more than two meetings. (Government Code 54953)

Teleconference Meetings During a Proclaimed State of Emergency

The Board may conduct a Board meeting entirely by teleconference during a proclaimed state of emergency pursuant to Government Code 8625-8629 in any of the following circumstances: (Government Code 54953)

1. For the purpose of determining whether meeting in person would present imminent risks to the health or safety of attendees due to the emergency
2. When the Board has been determined, pursuant to Item #1 above, that meeting in person would present imminent risks to the health or safety of attendees due to the emergency

The Board may hold a meeting by teleconference during a proclaimed state of emergency without: (Government Code 54953):

For the Board to hold such meeting, all of the following are required: (Government Code 54953)

1. All votes taken during the meeting are by rollcall
2. The public is able to access the meeting via a call-in service or an internet-based platform or service, with real-time public comment being allowed via the platform or service

If an internet-based platform or service is utilized, it may require members of the public to register in order to make public comments so long as the platform or service is not controlled by the district

3. The agenda for the meeting includes information describing how members of the public can access the platform or service

If the platform or service is disrupted such that the public cannot access the meeting or give real-time public comment, the meeting may continue but the Board may not take action on any agenda item until the disruption is resolved. (Government Code 54953)

For any public comment period with a time limit, the Board may not close that public comment period or the opportunity to register until the full time for public comment has elapsed. For any other public comment period, the Board shall allow a reasonable amount of time to allow members of the public to provide public comment and to register to do so. (Government Code 54953)

The Board may continue to conduct all meetings by teleconference throughout one or more 45-day periods so long as, prior to the beginning of each 45-day period, the Board has reconsidered the circumstances of the state of emergency and determines that it continues to directly impact the ability of the Board to meet safely in person. (Government Code 54953)
