Original Adopted Date: 02/01/2014 | **Last Revised Date:** 06/11/2025

The Governing Board is committed to providing equal opportunity for all individuals in district programs and activities.

This policy shall apply to all acts related to a school activity or school attendance and to all acts of the Board and the Superintendent in enacting policies and procedures that govern the district. (Education Code 234.1)

District programs, activities, and practices shall be free from unlawful discrimination against an individual or group based on one, or a combination of two or more, protected characteristics, which include, but may not be limited to, race or ethnicity; ancestry; color; ethnic group identification; nationality; national origin; immigration status; sex; sexual orientation; sex stereotypes; gender; gender identity; gender expression; religion; religious creed; age; disability; medical condition; genetic information; pregnancy, false pregnancy, childbirth, termination of pregnancy, or related conditions or recovery; reproductive health decision-making; breastfeeding or related medical conditions; parental, marital, and family status; and veteran or military status; a perception of one or more of such characteristics; or association with a person or group with one or more of these actual or perceived characteristics. (Education Code 200, 210.1, 210.2, 212, 212.1, 220, 221.51, 230, 260; Government Code 11135, 12920, 12926, 12940; 20 USC 1681-1688, 29 USC 621, 42 USC 2000d-2000d-7, 2000e-2)

All individuals shall be treated equitably in the receipt of district and school services. Personally identifiable information collected in the implementation of any district program, including, but not limited to, student and family information for the free and reduced-price lunch program, transportation, or any other educational program, shall be used only for the purposes of the program, except when the Superintendent or designee authorizes its use for another purpose in accordance with law. Resources and data collected by the district shall not be used, directly or by others, to compile a list, registry, or database of individuals based on any of the categories identified above.

District programs and activities shall be free of any discriminatory use, selection, or rejection of textbooks, instructional materials, library books, or similar educational resources.

The use of any textbook, instructional material, supplemental instructional material, or other curriculum for classroom instruction, or any book or other resource in a school library shall not be rejected or prohibited by the Board or district on the basis that it includes a study of the role and contributions of any individual or group consistent with the requirements of Education Code 51204.5 and 60040, unless such study would violate Education Code 51501 or 60044. (Education Code 243)

Additionally, the use of any textbook, instructional material, supplemental instructional material, or other curriculum for classroom instruction, or any book or other resource in a school library shall not be adopted by the Board or district if the use would subject a student to unlawful discrimination as specified in Education Code 220. (Education Code 244)

District programs and activities shall be free of any racially derogatory or discriminatory school or athletic team names, mascots, or nicknames.

Derogatory Native American terms, including Apaches, Big Reds, Braves, Chiefs, Chieftains, Chippewa, Comanches, Indians, Redskins, Savages, Squaw, and Tribe, shall not be used for any school or athletic team name, mascot, or nickname, unless permitted in accordance with Education Code 221.3.

The Superintendent or designee shall annually review district programs and activities to ensure the removal of any derogatory or discriminatory name, image, practice, or other barrier that may unlawfully prevent an individual or group in any of the protected categories stated above from accessing district programs and activities. The Superintendent or designee shall take prompt, reasonable actions to remove any identified barrier. The Superintendent or designee shall report the findings and recommendations to the Board after each review.

All complaints alleging unlawful discrimination in district programs and activities shall be investigated and resolved in accordance with Board Policy and Administrative Regulation 1312.3 - Uniform Complaint Procedures, for students,

and Administrative Regulation 4030 - Nondiscrimination in Employment, for employees.

Pursuant to 34 CFR 104.8 and 106.8, the Superintendent or designee shall notify students, parents/guardians, employees, employee organizations, applicants for admission and employment, and sources of referral for applicants about the district's policy on nondiscrimination and related complaint procedures. Such notification shall be included in the annual parental notification distributed in accordance with Board Policy/Exhibit(1) 5145.6 - Parent/Guardian Notifications and, as applicable, in announcements, bulletins, catalogs, handbooks, application forms, or other materials distributed by the district. The notification shall also be posted on the district's website and social media and in district schools and offices, including staff lounges, student government meeting rooms, and other prominent locations as appropriate.

The Superintendent or designee shall notify parents/guardians regarding their children's right to a free public education regardless of immigration status or religious beliefs and their rights related to immigration enforcement. (Education Code 234.7)

The district's nondiscrimination policy and related informational materials shall be published in a format that parents/guardians can understand. Additionally, when 15 percent or more of a school's students speak a single primary language other than English, those materials shall be translated into that other language. (Education Code 48985; 20 USC 6312)

Access for Individuals with Disabilities

District programs and facilities, viewed in their entirety, shall be in compliance with the Americans with Disabilities Act (ADA) and any implementing standards and/or regulations. When structural changes to existing district facilities are needed to provide individuals with disabilities access to programs, services, activities, or facilities, the Superintendent or designee shall develop a transition plan that sets forth the steps for completing the changes.

The Superintendent or designee shall ensure that the district's web and mobile applications comply with technical standards prescribed by law, and as necessary, shall provide appropriate auxiliary aids and services to afford individuals with disabilities equal opportunity to participate in or enjoy the benefits of district services, programs, or activities. Policy 0420.4: Charter School Authorization

Status: DRAFT

Original Adopted Date: 05/01/2019 | **Last Revised Date:** 06/11/2025

The Governing Board recognizes that charter schools may assist the district in offering diverse learning opportunities for students. In considering any petition to establish a charter school within the district, the Board shall give thoughtful consideration to the potential of the charter school to provide students with a high-quality education that enables them to achieve to their fullest potential.

One or more persons may submit a petition to the Board for a charter school to be established within the district or for the conversion of an existing district school to a charter school. (Education Code 47605)

Any petition for a charter school shall include all components, signatures, and statements required by law, as specified in the accompanying administrative regulation. The proposed charter shall be attached to the petition. (Education Code 47605)

The Superintendent or designee shall consult with legal counsel, as appropriate, regarding compliance of the charter petition with legal requirements.

The Superintendent or designee may work with charter school petitioners prior to the formal submission of the petition in order to ensure compliance of the petition with legal requirements. As needed, the Superintendent or designee may also meet with the petitioners to establish workable plans for contracted services, which the district may provide to the proposed charter school.

The Board shall not require any district student to attend the charter school, nor shall it require any district employee to work at the charter school. (Education Code 47605)

Timelines for Board Action

Within 60 days of receiving a charter petition, the Board shall hold a public hearing on the charter provisions, at which time the Board shall consider the level of support for the petition by district teachers, other district employees, and parents/guardians. A petition is deemed received on the day the petitioner submits a petition to the district office, along with a signed certification that the petitioner deems the petition to be complete. (Education Code 47605)

The Board shall either grant or deny the petition at a public hearing held within 90 days of receiving the petition, or within 120 days with the consent of both the petitioner and the Board. (Education Code 47605)

At least 15 days before the public hearing at which the Board will grant or deny the charter, the district shall publish all staff recommendations regarding the petition, including any recommended findings and, if applicable, certification from the County Superintendent of Schools regarding the potential fiscal impact of the charter school on the district. During the public hearing, the petitioners shall have equal time and opportunity to present evidence and testimony in response to the staff recommendations and findings. (Education Code 47605)

The Superintendent or designee shall maintain accurate records, in relation to each charter petition, of documents submitted, the Board's proceedings, and the findings upon which the Board's decision is made.

Approval of Petition

A charter petition shall be granted only if the Board is satisfied that doing so is consistent with sound educational practice and the interests of the community in which the school is proposing to locate. In granting charters, the Board shall consider the academic needs of the students the charter school proposes to serve and shall give preference to petitions that demonstrate the capability to provide comprehensive learning experiences for students who are identified by the petitioner as academically low-achieving, based on standards established by California Department of Education (CDE). (Education Code 47605)

Prior to authorizing any charter, the Board shall verify that the charter includes adequate processes and measures for monitoring and holding the school accountable for fulfilling the terms of its charter and complying with all applicable laws, including Education Code 47604.1. Such processes and measures shall include, but are not limited to, fiscal accountability systems, multiple measures for evaluating the educational program, inspection and observations of any part of the charter school, and regular reports to the Board.

The approval or denial of a charter petition shall not be controlled by collective bargaining agreements nor subject to review or regulation by the Public Employment Relations Board. (Education Code 47611.5)

The Board may approve one or more memoranda of understanding (MOU) to clarify the financial and operational agreements between the district and the charter school. Any such MOU shall be annually reviewed by the Board and charter school governing body and amended as necessary.

The Board may initially grant a charter for a specified term not to exceed five years. (Education Code 47607)

When a petition is approved by the Board, it shall be the responsibility of the petitioners to provide written notice of the Board's approval and a copy of the petition to the County Superintendent, CDE, and the State Board of Education (SBE). (Education Code 47605)

Denial of Petition

The Board shall summarily deny any charter petition that proposes to:

1. Operate a charter school as or by a for-profit corporation, a for-profit educational management organization, or a for-profit charter management organization (Education Code 47604)
2. Convert a private school to a charter school (Education Code 47602)
3. Serve students in a grade level that is not served by the district, unless the petition proposes to serve students in all the grade levels served by the district (Education Code 47605)
4. Offer nonclassroom-based instruction (Education Code 47612.7)

Regarding all other charter petitions, the Board shall deny a petition only if the Board makes written factual findings specific to the petition that one or more of the following conditions exist: (Education Code 47605; 5 CCR 11967.5.1)

1. The charter school presents an unsound educational program that has a likelihood of physical, educational, or psychological harm to, or which is not likely to provide an educational benefit for, the students to be enrolled in the charter school
2. The petitioners are demonstrably unlikely to successfully implement the program set forth in the petition
3. The petition does not contain the number of signatures required
4. The petition does not contain a clear, unequivocal statement described in Education Code 47605(e), including that the charter school will be nonsectarian and that the school shall not charge tuition or discriminate against any student based on the characteristics specified in Education Code 220
5. The petition does not contain reasonably comprehensive descriptions of the charter provisions in Education Code 47605(c)
6. The petition does not contain a declaration as to whether the charter school shall be deemed the exclusive public employer of the school's employees for purposes of collective bargaining pursuant to Government Code 3540-3549.3
7. The charter school is demonstrably unlikely to serve the interests of the entire community in which the school is proposing to locate

Analysis of this finding shall include consideration of the fiscal impact of the proposed charter school. A written factual finding shall detail specific facts and circumstances that analyze and consider the following factors:

- a. The extent to which the proposed charter school would substantially undermine existing services, academic offerings, or programmatic offerings
 - b. Whether the proposed charter school would duplicate a program currently offered within the district, when the existing program has sufficient capacity for the students proposed to be served within reasonable proximity to where the charter school intends to locate
8. The district is not positioned to absorb the fiscal impact of the proposed charter school

The district meets this criterion if it has a negative interim certification, has a qualified interim certification and the County Superintendent certifies that approving the charter school would result in the district having a negative interim certification, or is under state receivership.

The Board shall not deny a petition based on the actual or potential costs of serving students with disabilities, nor shall it deny a petition solely because the charter school might enroll students with disabilities who reside outside the special education local plan area in which the district participates. (Education Code 47605.7, 47647)

Appeals

If the Board denies a petition, the petitioner may choose to submit the petition to the County Board of Education and, if then denied by the County Board, to SBE. (Education Code 47605)

At the request of the petitioner, the Board shall prepare the documentary record, including a transcript of the public hearing at which the Board denied the charter, no later than 10 business days after the petitioner makes the request. (Education Code 47605)

Within 30 days of receipt of an appeal submitted to SBE, the Board may submit a written opposition to SBE, which may include supporting documentation, detailing, with specific citations to the documentary record, how the Board did not abuse its discretion in denying the petition. (Education Code 47605)

If either the County Board or SBE remands the petition to the Board because the petition on appeal contains new or different material terms, the Board shall reconsider the petition and shall grant or deny the petition within 30 days. (Education Code 47605)

Material Revisions to Charter

Material revisions to a charter may only be made with Board approval. Material revisions shall be governed by the same standards and criteria that apply to petitions for the authorization of charter schools as set forth in Education Code 47605 and shall include, but not be limited to, a reasonably comprehensive description of any new requirement for charter schools enacted into law after the charter was originally granted or last renewed. (Education Code 47607)

The Board shall determine whether a proposed change in charter school operations would constitute a material revision of the approved charter.

If an approved charter school proposes to expand operations to one or more additional sites or grade levels, whether concurrently with or unrelated to a renewal, the charter school shall request a material revision to its charter and shall notify the Board of those additional locations or grade levels. The Board shall consider approval of the additional locations or grade levels at an open, public meeting. (Education Code 47605, 47607)

The Board may deny a proposed material revision if it finds that the proposed material revision would render the charter school demonstrably unlikely to serve the interests of the entire community in which the school is located or proposes to locate. In making this finding, the Board shall consider all of the following: (Education Code 47605)

1. The fiscal impact of the proposed expansion on the district
2. The extent to which the expansion would substantially undermine existing services, academic offerings, or

programmatic offerings

3. Whether the expansion would duplicate a program currently offered within the district that has sufficient capacity for the students proposed to be served within reasonable proximity to where the charter school intends to locate

Additionally, the Board may deny a proposed material revision if it finds that the district is not positioned to absorb the fiscal impact of the proposed material revision. The Board shall make this finding if the district has a qualified interim certification pursuant to Education Code 42131 and the County Superintendent, in consultation with the County Office Fiscal Crisis and Management Assistance Team, certifies that approving the charter school would result in the district having a negative interim certification pursuant to Education Code 42131, the district has a negative interim certification pursuant to Education Code 42131, or the district is under state receivership.
(Education Code 47605)

Regulation 0420.4: Charter School Authorization

Status: DRAFT

Original Adopted Date: 10/01/2015 | **Last Revised Date:** 06/11/2025

Petition Signatures

A petition for the establishment of a start-up charter school must be signed by either of the following: (Education Code 47605)

1. A number of parents/guardians equivalent to at least one-half of the number of students that the charter school estimates will enroll in the school for its first year of operation
2. A number of teachers equivalent to at least one-half of the total number of teachers that the charter school estimates will be employed at the school during its first year of operation

Any petition circulated to collect signatures shall include a prominent statement explaining that a parent/guardian's signature means that the parent/guardian is meaningfully interested in having a child attend the charter school, or a teacher's signature means that the teacher is meaningfully interested in teaching at the charter school. (Education Code 47605)

Staff Advisory Committee

The Superintendent or designee may establish a staff advisory committee to evaluate the completeness of a charter petition based on the requirements in Education Code 47605 and to identify any concerns that should be addressed by the petitioners.

Components of Charter Petition

All charter petitions shall comply with the applicable requirements of Education Code 47605, other state and federal laws, and district policies.

The charter petition shall include affirmations that the charter school will be nonsectarian in its programs, admission policies, employment practices, and operations; will not charge tuition; and will not discriminate against a student on the basis of characteristics listed in Education Code 220. The petition shall also contain reasonably comprehensive descriptions of: (Education Code 47605)

1. The educational program of the proposed school, designed, among other things, to identify those whom the school is attempting to educate, what it means to be an "educated person" in the 21st century, and how learning best occurs

The goals identified in that program shall include the objective of enabling students to become self-motivated, competent, and lifelong learners.

2. The charter school's annual goals for all students and for each numerically significant subgroup of students identified pursuant to Education Code 52052, including ethnic subgroups, socioeconomically disadvantaged students, English learners, long term English learners, students with disabilities, foster youth, and students experiencing homelessness

These goals shall be aligned with the state priorities listed in Education Code 52060 that apply to the grade levels served. The petition also shall describe specific annual actions to achieve those goals. The petition may identify additional priorities established for the proposed school, goals aligned with those priorities, and specific annual actions to achieve those goals.

If the proposed charter school will serve high school students, the petition shall describe the manner in which the school will inform parents/guardians about the transferability of courses to other public high schools and the eligibility of courses to meet college entrance requirements. Courses offered by the charter school that are

accredited by the Western Association of Schools and Colleges may be considered transferable, and courses approved by the University of California or the California State University as creditable under the "A-G" admissions criteria may be considered to meet college entrance requirements.

3. The measurable student outcomes identified for use by the charter school

Student outcomes means the extent to which all students of the school demonstrate that they have attained the skills, knowledge, and attitudes specified as goals in the school's educational program, including outcomes that address increases in student academic achievement both schoolwide and for each numerically significant subgroup of students served by the charter school. The student outcomes shall align with the state priorities identified in Education Code 52060 that apply for the grade levels served by the charter school.

4. The method by which student progress in meeting the identified student outcomes is to be measured

To the extent practicable, the method for measuring student outcomes for state priorities shall be consistent with the way information is reported on a school accountability report card.

5. The location of each charter school facility the petitioner intends to operate

6. The governance structure of the charter school, including, but not limited to, the process to be followed by the school to ensure parent/guardian involvement

- c. The charter school's safety plan shall be reviewed and updated by March 1 each year

9. The means by which the charter school will achieve a balance of racial and ethnic students, special education students, and English learner students, including redesignated fluent English proficient students, that is reflective of the general population residing within the district's territorial jurisdiction

10. The charter school's student admission policy

The petition shall, in accordance with Education Code 47605(e), specify procedures for determining enrollment when the number of applicants exceeds the school's capacity, including requirements for the use of a public random drawing, admission preferences, and priority order of preferences as required by law and subject to Governing Board approval.

11. The manner in which annual, independent financial audits shall be conducted, which shall employ generally accepted accounting principles, and the manner in which audit exceptions and deficiencies shall be resolved to the Board's satisfaction

12. The procedures by which students can be suspended or expelled for disciplinary reasons or otherwise involuntarily removed for any reason, including an explanation of how the charter school will comply with federal and state constitutional procedural and substantive due process requirements as specified in Education Code 47605 and 47605.6

Such procedures shall contain a clear statement that no student shall be involuntarily removed by the charter school for any reason unless written notice of the intent to remove the student is given to the student's parent/guardian at least five schooldays before the effective date of the removal. In the case of a student experiencing homelessness or foster youth, the notice shall be given to the student's educational rights holder. Additionally, a foster youth's attorney and county social worker, and an Indian child's tribal social worker, and if applicable, the county social worker, shall be given such notice.

The notice shall be provided in the student's parent/guardian's, or other applicable person's language, and, if such a hearing is initiated, shall include the student's right to remain enrolled in the charter school until a final decision is made by the charter school.

In addition, the procedures shall contain a statement pertaining to the provision of homework assignments to suspended students as specified in Education Code 47606.2.

Such procedures shall also include processes by which the charter school will, within 30 days, notify the Superintendent of the district of the student's last known address and, upon request, provide the student's cumulative record to the district, when a student is expelled or leaves the charter school without graduating or completing the school year for any reason. In addition, the procedures shall describe the means by which the district can contact the charter school if the student is subsequently expelled or leaves the school district without graduating or completing the school year for any reason.

Involuntarily removed means disenrolled, dismissed, transferred, or terminated, but does not include suspensions. (Education Code 47605)

Policy 0420.41: Charter School Oversight

Status: DRAFT

Original Adopted Date: 10/01/2013 | **Last Revised Date:** 06/11/2025

The Governing Board recognizes its ongoing responsibility to oversee that any charter school authorized by the Board is successfully fulfilling the terms of its charter.

The Superintendent or designee shall identify at least one staff member to serve as a contact person for each charter school authorized by the Board. (Education Code 47604.32)

The Superintendent or designee shall visit each charter school at least annually and may inspect or observe any part of a charter school at any time. (Education Code 47604.32, 47607)

The Superintendent may designate someone to attend meetings of the charter school governing body whenever possible.

Monitoring Charter School Performance

Any charter school authorized by the Board shall be monitored by the Superintendent or designee to determine whether the charter school complies with all legal requirements applicable to charter schools, including all reports required of charter schools by law, as specified in Education Code 47604.32. Any violations of law shall be reported to the Board.

The Superintendent or designee and the governing bodies of charter schools authorized by the Board shall review new laws and regulations applicable to charter schools.

The Board shall monitor each charter school to determine whether it is achieving the measurable student outcomes set forth in the charter, both schoolwide and for each numerically significant student subgroup served by the school as defined in Education Code 52052. This determination shall be based on the measures specified in the approved charter and any applicable memorandum of understanding (MOU), and on the charter school's annual review and assessment of its progress toward the goals and actions identified in its local control and accountability plan (LCAP), as reported in the California School Dashboard.

The Board shall monitor the fiscal condition of the charter school based on any financial report or information obtained from the charter school, including, but not limited to, the charter school's preliminary budget, LCAP and annual update of the charter school's LCAP, first and second interim financial reports, and final unaudited report for the full prior year. (Education Code 47604.32, 47604.33, 47606.5)

Waivers

If the charter school wishes to request a general waiver of any state law or regulation applicable to it, it shall request that the Board approve and the district submit a general waiver request to the State Board of Education (SBE) on its behalf. Upon approval of the Board, the Superintendent or designee shall submit such a waiver request to SBE on behalf of the charter school.

Provision of District Services

Upon approval by the Board of an appropriate agreement, the charter school may contract with the district or any other source for administrative or other services. (Education Code 47613)

At the request of a charter school, the Superintendent or designee shall create and submit any reports required by the State Teachers' Retirement System or Public Employees' Retirement System on behalf of the charter school. The district may charge the charter school for the actual costs of the reporting services, but shall not require the charter school to purchase payroll processing services from the district as a condition for creating and submitting these reports. (Education Code 47611.3)

Location of Charter Schools

Except when permitted to operate outside district boundaries pursuant to Education Code 47605 and 47605.1, a charter school shall be located within district boundaries.

2. Actual costs up to three percent of the charter school's revenue if the district provides the charter school substantially rent-free facilities

If the district provides the charter school with facilities under Education Code 47614 and charges the charter school a pro-rata share of the facilities costs calculated pursuant to 5 CCR 11969.7, the district may only charge the charter school for the actual costs of supervisorial oversight up to one percent of the charter school's revenue.

3. Actual costs if the district is assigned supervisorial oversight responsibility for the charter school by SBE when authorized on appeal

Technical Assistance/Intervention

Whenever a charter school is identified for technical assistance based on the performance of one or more numerically significant student subgroups on SBE-established criteria, the charter school shall receive technical assistance from the County Superintendent of Schools. Such technical assistance shall be focused on building the charter school's capacity to develop and implement actions and services responsive to student and community needs, including, but not limited to, any of the following: (Education Code 47607.3)

1. Assisting the charter school to identify its strengths and weaknesses in regard to the state priorities applicable to the charter school pursuant to Education Code 47605(c)

This shall include working collaboratively with the charter school to review performance data on the state and local indicators included in the California School Dashboard and other relevant local data and to identify effective, evidence-based programs or practices that address any areas of weakness.

2. Working collaboratively with the charter school to secure assistance from an academic, programmatic, or fiscal expert or team of experts to identify and implement effective programs and practices that are designed to improve performance in any areas of weakness identified by the charter school

Another service provider, including, but not limited to, a school district, county office of education, or charter school, may be solicited to act as a partner to the charter school in need of technical assistance.

3. Obtaining from the charter school timely documentation demonstrating that it has completed the activities described in Items #1 and 2 or substantially similar activities, or has selected another service provider to work with the charter school to complete the activities described in Items #1 and 2 or substantially similar activities, and ongoing communication with the Board to assess the charter school's progress in improving student outcomes

In addition, if, in three out of four consecutive school years, a charter school fails to improve outcomes for three or more numerically significant student subgroups, or for all of the student subgroups if the school has fewer than three subgroups, in regard to one or more state or school priorities identified in the charter, the County Superintendent

may request that the Superintendent of Public Instruction (SPI), with SBE approval, assign the California Collaborative for Educational Excellence to provide advice and assistance to the charter school pursuant to Education Code 52074. (Education Code 47607.3; 52072)

In accordance with law, the Board may deny a charter school's renewal petition or may revoke a charter based on the charter school's poor performance, especially with regard to inadequate academic achievement of all numerically significant subgroups of students served by the charter school. (Education Code 47607, 47607.2)

Complaints

Each charter school shall establish and maintain policies and procedures in accordance with the uniform complaint procedures as specified in 5 CCR 4600-4670 to enable any person alleging the school's noncompliance with Education Code 47606.5 or 47607.3 to file a complaint with the charter school. (Education Code 52075)

A complaint may be filed anonymously if the complaint provides evidence or information leading to evidence to support an allegation of noncompliance. A complainant who is not satisfied with the decision may appeal the decision to the SPI. (Education Code 52075)

If the charter school finds merit in the complaint or the SPI finds merit in an appeal, a remedy shall be provided to all affected students and parents/guardians. (Education Code 52075)

School Closure

In the event that the Board revokes or denies renewal of a charter or the charter school ceases operation for any reason, the Superintendent or designee shall, when applicable in accordance with the charter school and/or an applicable agreement between the district and the charter school, provide assistance to facilitate the transfer of the charter school's former students and to finalize financial reporting and close-out of the charter school.

The Superintendent or designee shall provide notification to the California Department of Education, within 10 calendar days of the Board's action, if renewal of a charter is denied, a charter is revoked, or a charter school will cease operation for any reason.

Such notification shall include, but not be limited to, a description of the circumstances of the closure, the effective date of the closure, and the location of student and personnel records. (Education Code 47604.32; 5 CCR 11962.1)

A complaint alleging unlawful discrimination, harassment, intimidation, or bullying may be filed only by a person who alleges having personally suffered unlawful discrimination, a person who believes that any specific class of individuals has been subjected to unlawful discrimination, or a duly authorized representative who alleges that an individual student has been subjected to discrimination, harassment, intimidation, or bullying (5 CCR 4630)
5. A complaint alleging unlawful discrimination, harassment, intimidation, or bullying shall be initiated no later than six months from the date that the alleged unlawful discrimination occurred, or six months from the date that the complainant first obtained knowledge of the facts of the alleged unlawful discrimination (5 CCR 4630)

The time for filing may be extended for up to 90 days by the Superintendent or designee for good cause upon written request by the complainant setting forth the reasons for the extension. (5 CCR 4630)

6. When a complaint alleging unlawful discrimination, harassment, intimidation, or bullying is filed anonymously, the compliance officer shall pursue an investigation or other response as appropriate, depending on the specificity and reliability of the information provided and the seriousness of the allegation
7. When a complainant of unlawful discrimination, harassment, intimidation, or bullying or the alleged victim, when not the complainant, requests confidentiality, the compliance officer shall inform the complainant or victim that the request may limit the district's ability to investigate the conduct or take other necessary action

When honoring a request for confidentiality, the district shall nevertheless take all reasonable steps to investigate and resolve/respond to the complaint consistent with the request.

Mediation

Within three business days after receiving the complaint, the compliance officer may informally discuss with all the parties the possibility of using mediation to resolve the complaint. Mediation shall be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving an allegation of sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. If the parties agree to mediation, the compliance officer shall make all arrangements for this process.

Before initiating the mediation of a complaint alleging retaliation or unlawful discrimination, harassment, intimidation, or bullying, the compliance officer shall ensure that all parties agree to permit the mediator access to all relevant confidential information. The compliance officer shall also notify all parties of the right to end the informal process at any time.

If the mediation process does not resolve the complaint within the parameters of law, the compliance officer shall proceed with an investigation of the complaint.

The use of mediation shall not extend the district's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time. If mediation is successful and the complaint is withdrawn, then the district shall take only the actions agreed upon through the mediation. If mediation is unsuccessful, the district shall then continue with subsequent steps specified in this administrative regulation.

Investigation of Complaint

The compliance officer shall begin an investigation into the complaint within 10 business days of receiving the complaint.

Within one business day of initiating the investigation, the compliance officer shall provide the complainant and/or the complainant's representative with the opportunity to present the information contained in the complaint to the compliance officer and shall notify the complainant and/or representative of the opportunity to present the compliance officer with any evidence, or information leading to evidence, to support the allegations in the complaint. Such evidence or information may be presented at any time during the investigation.

In conducting the investigation, the compliance officer shall collect all available documents and review all available records, notes, or statements related to the complaint, including any additional evidence or information received from the parties during the course of the investigation. The compliance officer shall individually interview all available witnesses with information pertinent to the complaint, and may visit any reasonably accessible location where the relevant actions are alleged to have taken place. At appropriate intervals, the compliance officer shall inform the parties of the status of the investigation.

To investigate a complaint alleging retaliation or unlawful discrimination, harassment, intimidation, or bullying, the compliance officer shall interview the alleged victim(s), any alleged offender(s), and other relevant witnesses privately, separately, and in a confidential manner. As necessary, additional staff or legal counsel may conduct or support the investigation.

A complainant's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or any other obstruction of the investigation may result in the dismissal of the complaint. Refusal by the district to provide the investigator with access to records and/or information related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or any other obstruction of the investigation may result in a finding based on evidence collected that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

Timeline for Investigation Report

Unless extended by written agreement with the complainant, the investigation report shall be sent to the complainant within 60 calendar days of the district's receipt of the complaint.

Within 30 calendar days of receiving the complaint, the compliance officer shall prepare and send to the complainant a written report, as described in the section "Investigation Report" below. If the complainant is dissatisfied with the compliance officer's decision, the complainant may, within five business days, file the complaint in writing with the Board.

If the Board decides not to hear the complaint, the compliance officer's decision shall be final.

If the Board hears the complaint, the compliance officer shall send the Board's decision to the complainant within 60 calendar days of the district's initial receipt of the complaint or within the time period that has been specified in a written agreement with the complainant. (5 CCR 4631)

Investigation Report

For all complaints, the district's investigation report shall include: (5 CCR 4631)

1. The findings of fact based on the evidence gathered
2. A conclusion providing a clear determination for each allegation as to whether the district is in compliance with the relevant law

3. Corrective action(s) whenever the district finds merit in the complaint, including, when required by law, a remedy to all affected students and parents/guardians and, for a student fees complaint, a remedy that complies with Education Code 49013 and 5 CCR 4600
4. Notice of the complainant's right to appeal the district's investigation report to CDE, except when the district has used the UCP to address a complaint not specified in 5 CCR 4610
5. Procedures to be followed for initiating an appeal to CDE

The investigation report may also include follow-up procedures to prevent recurrence or retaliation and for reporting any subsequent problems.

In consultation with district legal counsel, information about the relevant part of an investigation report may be communicated to a victim who is not the complainant and to other parties who may be involved in implementing the investigation report or are affected by the complaint.

If the complaint involves a limited-English-proficient (LEP) student or parent/guardian, then the district's response, if requested by the complainant, and the investigation report shall be written in English and the primary language in which the complaint was filed.

For complaints alleging unlawful discrimination, harassment, intimidation, or bullying based on state law, the investigation report shall also include a notice to the complainant that:

1. The complainant may pursue available civil law remedies outside of the district's complaint procedures, including, but not limited to, injunctions, restraining orders or other remedies or orders, 60 calendar days after the filing of an appeal with CDE (Education Code 262.3)
2. The 60-day moratorium does not apply to complaints seeking injunctive relief in state courts or to discrimination complaints based on federal law (Education Code 262.3)
3. Complaints alleging discrimination based on race, color, national origin, sex, gender, disability, or age may also be filed with the U.S. Department of Education's Office for Civil Rights at www.ed.gov/ocr within 180 days of the alleged discrimination

Corrective Actions

When a complaint is found to have merit, the compliance officer shall adopt any appropriate corrective action permitted by law. Appropriate corrective actions that focus on the larger school or district environment may include, but are not limited to, actions to reinforce district policies; training for faculty, staff, and students; updates to school practices or procedures; or school climate surveys.

For complaints involving retaliation or unlawful discrimination, harassment, intimidation, or bullying, appropriate remedies that may be offered to the victim but not communicated to the respondent may include, but are not limited to, the following:

1. Counseling
2. Academic support
3. Health services
4. Assignment of an escort to allow the victim to move safely about campus
5. Information regarding available resources and how to report similar incidents or retaliation
6. Separation of the victim from any other individuals involved, provided the separation does not penalize the victim
7. Restorative justice
8. Follow-up inquiries to ensure that the conduct has stopped and there has been no retaliation

For complaints of retaliation or unlawful discrimination, harassment, intimidation, or bullying involving a student as the respondent, appropriate corrective actions that may be provided to the student include, but are not limited to, the following:

2. Parent/guardian conference
3. Education regarding the impact of the conduct on others
4. Positive behavior support
5. Referral to a student success team
6. Denial of participation in extracurricular or cocurricular activities or other privileges as permitted by law

When an employee is found to have committed retaliation or unlawful discrimination, harassment, intimidation, or bullying, the district shall take appropriate disciplinary action, up to and including dismissal, in accordance with applicable law and collective bargaining agreement.

The district may also consider training and other interventions for the larger school community to ensure that students, staff, and parents/guardians understand the types of behavior that constitute unlawful discrimination, harassment, intimidation, or bullying, that the district does not tolerate it, and how to report and respond to it.

When a complaint is found to have merit, an appropriate remedy shall be provided to the complainant or other affected person.

However, if a complaint alleging noncompliance with the law regarding student fees, deposits, and other charges, physical education instructional minutes, courses without educational content, or any requirement related to the LCAP is found to have merit, the district shall provide a remedy to all affected students and parents/guardians subject to procedures established by regulation of the State Board of Education. (Education Code 49013, 51222, 51223, 51228.3, 52075)

For complaints alleging noncompliance with the law regarding student fees, the district, by engaging in reasonable efforts, shall attempt in good faith to identify and fully reimburse all affected students and parents/guardians who paid the unlawful student fees within one year prior to the filing of the complaint. (Education Code 49013; 5 CCR 4600)

Policy 4030: Nondiscrimination In Employment

Status: DRAFT

Original Adopted Date: 05/01/2016 | **Last Revised Date:** 09/11/2024

The Governing Board is determined to provide a safe, positive environment where all district employees are assured of full and equal employment access and opportunities, protection from harassment and intimidation, and freedom from any fear of reprisal or retribution for asserting their employment rights in accordance with law. For purposes of this policy and accompanying administrative regulation, employees include interns, volunteers, contractors, job applicants, and other persons with an employment relationship with the district.

No district employee shall be discriminated against or harassed by any coworker, supervisor, manager, or other person with whom the employee comes in contact in the course of employment, on the basis of one, or a combination of two or more, protected characteristics which include, but may not be limited to, the employee's actual or perceived race or ethnicity; ancestry; color; ethnic group identification; nationality; national origin; immigration status; sex; sexual orientation; sex stereotypes; gender; gender identity; gender expression; religion; religious creed; age; disability; medical condition; genetic information; pregnancy, false pregnancy, childbirth, termination of pregnancy, or related conditions or recovery; reproductive health decision-making; breastfeeding or related medical conditions; and parental, marital, and family status; or association with a person or group with one or more of these actual or perceived characteristics. (Education Code 200, 210.1, 210.2, 212, 212.1, 220, 230, 260; Government Code 11135, 12920, 12926, 12940; 20 USC 1681-1688, 29 USC 621, 42 USC 2000d-2000d-7, 2000e-2)

The district shall not inquire into any employee's immigration status nor discriminate against an employee on the basis of immigration status, unless there is clear and convincing evidence that such inquiry is necessary to comply with federal immigration law. (2 CCR 11028)

In addition, unless otherwise provided for in law, the district may not discriminate against an employee in any term or condition of employment, or otherwise penalize a person, including termination, based on the person's use of cannabis off the job and away from the workplace, or on a drug screening which finds that the person has nonpsychoactive cannabis metabolites in the person's hair, blood, urine, or other bodily fluid. However, the district retains the right to maintain drug-free schools or prohibit employees from possessing, being impaired by, or using cannabis while on the job. (Government Code 12954)

Discrimination in employment based on the characteristics listed above is prohibited in all areas of employment and in all employment-related practices, including the following:

1. Hiring, compensation, terms, conditions, and other privileges of employment
2. Taking adverse employment actions such as termination or denial of employment, promotion, job assignment, or training
3. Unwelcome conduct, whether verbal, physical, or visual, that is offensive and so severe or pervasive as to adversely affect an employee's employment opportunities or that has the purpose or effect of unreasonably interfering with the employee's work performance or creating an intimidating, hostile, or offensive work environment
4. Actions and practices identified as unlawful or discriminatory pursuant to Government Code 12940 or 2 CCR 11006-11086, such as:
 - a. Sex discrimination based on one, or a combination of two or more protected characteristics, which include, but may not be limited to, an employee's pregnancy, childbirth, breastfeeding, or any related medical condition, or on an employee's gender, gender expression, gender identity, or sexual orientation
 - b. Religious creed discrimination based on an employee's religious belief, observance, and practice, including religious dress or grooming practices, or based on the district's failure or refusal to use reasonable means to accommodate an employee's religious belief, observance, or practice which conflicts with an employment requirement

- c. Requiring medical or psychological examination of a job applicant or making an inquiry into whether a job applicant has a mental or physical disability or a medical condition or as to the severity of any such disability or condition, without the showing of a job-related need or business necessity
- d. Failure to make reasonable accommodation for the known physical or mental disability of an employee or to engage in a timely, good faith, interactive process with an employee who has requested such accommodations in order to determine the effective reasonable accommodations, if any, to be provided to the employee
- e. Requiring an employee to disclose information relating to the employee's reproductive health decision-making
- f. Including a statement in a job advertisement, posting, application, or other material that an applicant is required to have a driver's license, unless the district reasonably expects driving to be one of the job functions for the position and reasonably believes that satisfying the job function using an alternative form of transportation would not be comparable in travel time or cost to the district

The Board also prohibits retaliation against any district employee who opposes any discriminatory employment practice by the district or its employees, agents, or representatives or who complains, reports an incident, testifies, assists, or in any way participates in the district's complaint process pursuant to this policy. No employee who requests an accommodation for any protected characteristic listed in this policy shall be subjected to any punishment or sanction, regardless of whether the request was granted. (Government Code 12940; 2 CCR 11028)

No employee shall, in exchange for a raise or bonus or as a condition of employment or continued employment, be required to sign a release of the employee's claim or right to file a claim against the district or a nondisparagement agreement or other document that has the purpose or effect of preventing the employee from disclosing information about harassment, discrimination, or other unlawful acts in the workplace, including any conduct that the employee has reasonable cause to believe is unlawful. (Government Code 12964.5)

Any supervisory or management employee who observes or has knowledge of an incident of prohibited discrimination or harassment, including harassment of an employee by a nonemployee, shall report the incident to the Superintendent or designated district coordinator within one workday. All other employees shall report such incidents to their supervisor or designated district coordinator within one workday.

The Superintendent or designee shall use all appropriate means to reinforce the district's nondiscrimination policy, including providing training and information to employees about how to recognize harassment, discrimination, or other prohibited conduct, how to respond appropriately, and components of the district's policies and regulations regarding discrimination. The Superintendent or designee shall regularly review the district's employment practices and, as necessary, shall take action to ensure district compliance with the nondiscrimination laws.

Any district employee who engages in prohibited discrimination, harassment, or retaliation or who aids, abets, incites, compels, or coerces another to engage or attempt to engage in such behavior in violation of this policy shall be subject to disciplinary action, up to and including dismissal.

Complaints concerning employment discrimination, harassment, or retaliation shall immediately be investigated in accordance with procedures specified in the accompanying administrative regulation. However, complaints alleging sexual harassment under Title IX shall be investigated and resolved in accordance with the procedures specified in Administrative Regulation 4119.12/4219.12/4319.12 - Title IX Sexual Harassment Complaint Procedures.

However, when the district is notified that a complaint has been filed with the California Civil Rights Department, records related to the employee involved shall be maintained and preserved until the later of the first date after the time for filing a civil action has expired or the first date after the complaint has been fully and finally disposed of and all administrative proceedings, civil actions, Board Agenda Packet - August 13, 2025

Complaint Procedure

Any complaint alleging unlawful discrimination or harassment covered by this administrative regulation and accompanying Board policy shall be addressed in accordance with the following procedures:

1. Notice and Receipt of Complaint: A complainant may inform a direct supervisor, another supervisor, the coordinator, the Superintendent or, if available, a complaint hotline or an ombudsman

The complainant's direct supervisor may be bypassed in filing a complaint when the supervisor is the subject of the complaint.

The complainant may first attempt to resolve the situation informally with the complainant's supervisor before filing a complaint.

A supervisor or manager who has received information about an incident of discrimination or harassment, or has observed such an incident, shall report it to the coordinator, whether or not the complainant files a complaint.

The complaint should contain the complainant's name, the name of the individual who allegedly committed the act, a description of the incident, the date and location where the incident occurred, any witnesses who may have relevant information, any available evidence of the discrimination or harassment, and any other pertinent information which may assist in investigating and resolving the complaint.

2. Investigation Process: The coordinator shall initiate an impartial investigation of an allegation of discrimination or harassment within five business days of receiving notice of the alleged discriminatory or harassing behavior, regardless of whether a complaint has been filed or whether the complaint is complete

The coordinator shall meet with the complainant to describe the district's complaint procedure and discuss the actions being sought by the complainant in response to the allegation. The coordinator shall inform the complainant that the investigation of the allegations will be fair, timely, and thorough and will be conducted in a manner that provides all parties due process and reaches reasonable conclusions based on the evidence collected. The coordinator shall also inform the parties that the investigation will be kept confidential to the extent possible, but that some information may be disclosed as necessary to conduct an effective investigation.

If the coordinator determines that a detailed fact-finding investigation is necessary, the investigation shall begin immediately. As part of this investigation, the coordinator should interview the complainant, the person(s) accused, and other persons who could be expected to have relevant information.

The coordinator shall track and document the progress of the investigation to ensure reasonable progress and shall inform the parties as necessary.

When necessary to carry out the investigation or to protect employee safety, the coordinator may discuss the complaint with the Superintendent or designee, district legal counsel, or the district's risk manager.

The coordinator shall also determine whether interim measures, such as scheduling changes, transfers, or leaves, need to be taken before the investigation is completed in order to prevent further incidents. The coordinator shall ensure that such interim measures do not constitute retaliation.

3. Written Report on Findings and Remedial/Corrective Action: No more than 20 business days after receiving the complaint, the coordinator shall conclude the investigation and prepare a written report of the findings

This timeline may be extended by the coordinator for good cause. If an extension is needed, the coordinator shall notify the parties and explain the reasons for the extension.

The report shall include the decision and the reasons for the decision and shall summarize the steps taken during the investigation. If a determination has been made that discrimination or harassment occurred, the report shall also include any corrective action(s) that have been or will be taken to address the behavior, provide appropriate options for remedial actions and resolutions for the complainant, and ensure that retaliation or further discrimination or harassment is prevented. The report shall be presented to the Superintendent or designee.

A summary of the findings shall be presented to the complainant and the person accused.

4. Appeal to the Governing Board: The complainant or any of the person(s) accused may appeal any findings to the Board within 10 business days of receiving the written report of the coordinator's findings

The Superintendent or designee shall provide the Board with all information presented during the investigation and the Board shall schedule a hearing as soon as practicable. Any complaint against a district employee shall be addressed in closed session in accordance with law. The Board shall render its decision within 10 business days.

The Board prohibits discrimination, harassment, and/or retaliation against any district employee for seeking an accommodation to express breast milk for an infant child while at work.

An employee shall notify the employee's supervisor or other appropriate district administrator in advance of the intent to request an accommodation. The supervisor or appropriate district administrator shall respond to the request and shall work with the employee to make arrangements. If needed, the supervisor or appropriate district administrator shall address scheduling in order to ensure that the employee's essential job duties are covered during the break time.

Lactation accommodations shall be granted unless there exist limited circumstances, as specified in law. (Labor Code 1031, 1032; 29 USC 218d, 42 USC 2000gg-1)

To the extent possible, any break time granted for lactation accommodation shall run concurrently with the break time already provided to the employee. Any additional break time used by a non-exempt employee for this purpose shall be unpaid. (Labor Code 1030; 29 USC 218d)

The employee shall be provided a lactation space which may be used by the employee for expressing breast milk as needed. The lactation space shall be a private room or location, other than a bathroom, which may be the employee's work area or another location that is in close proximity to the employee's work area and shall meet the following requirements: (Labor Code 1031; 29 USC 218d)

For a complaint governed by Title IX based on conduct that occurred, in whole or in part, between August 1, 2024 and January 9, 2025, or prior to August 14, 2020, the Title IX Coordinator shall consult with district legal counsel to determine which procedures to use.

All other complaints alleging sexual harassment brought by or against employees shall be investigated and resolved in accordance with Administrative Regulation 4030 - Nondiscrimination in Employment. The determination over which process shall be used to investigate and resolve a complaint shall be made by the district's Title IX Coordinator.

The Title IX Coordinator shall ensure that all requirements and timelines for Administrative Regulation 4030 - Nondiscrimination in Employment are concurrently met while implementing the Title IX procedure.

Basic Requirements

When implementing Title IX grievance procedures, the district shall: (34 CFR 106.45)

1. Treat complainants and respondents equitably by providing remedies to a complainant where a determination of responsibility for sexual harassment has been made against the respondent and by following a grievance process in accordance with 34 CFR 106.45 before the imposition of any disciplinary sanctions or other actions that are not supportive measures, as defined in 34 CFR 106.30, against a respondent

Remedies following a determination of responsibility for sexual harassment shall be designed to restore or preserve equal access to the district's education program or activity, and shall be provided in accordance with "Remedies," below.

2. Require an objective evaluation of all relevant evidence, including both inculpatory and exculpatory evidence, and provide that credibility determination may not be based on a person's status as complainant, respondent, or witness
3. Ensure that the Title IX Coordinator, investigator, or decisionmaker, any person that facilitates an information resolution process, does not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent, and that such individuals receive training in accordance with 34 CFR 106.45
4. Presume that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process
5. Include reasonably prompt timeframes for the conclusion of the grievance procedures, including reasonably prompt timeframes for filing and resolving appeals, and informal resolution processes if appropriate and offered by the district

The district's procedures shall also include a process that allows for the temporary delay of the grievance procedures or the limited extension of timeframes for good cause with written notice to the complainant and

the respondent of the delay or extension and the reasons for the action. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities.

6. Describe the range of, or list, the possible disciplinary sanctions and remedies that the district may implement following any determination of responsibility
7. State whether the standard of evidence to be used to determine responsibility is the preponderance of the evidence standard or the clear and convincing evidence standard, and apply the same standard of evidence to formal complaints against students and employees and to all formal complaints of sexual harassment
8. Include the procedures and permissible bases for the complainant and respondent to appeal
9. Describe the range of supportive measures available to complainants and respondents
10. Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege

Additionally, the district shall not disclose the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act statute or regulations, as required by law, or to carry out the purposes of Title IX, including the conduct of any investigation, hearing, or judicial proceeding arising under Title IX. (34 CFR 106.30, 106.71)

Upon receiving such a report, the Title IX Coordinator shall inform the complainant of the right to file a formal complaint and the process for filing a formal complaint. (34 CFR 106.44)

A formal complaint shall include the complainant's physical or digital signature, or another indication that the complainant is the person filing the complaint, and be filed with the Title IX Coordinator in person, by mail, by email, or by any other method authorized by the district. (34 CFR 106.30)

If the district has actual knowledge of sexual harassment or allegations of sexual harassment but the alleged victim does not file a formal complaint, the Title IX Coordinator may file a formal complaint and, in situations when an imminent safety threat exists, shall file a formal complaint. In such cases, the Title IX Coordinator shall provide the alleged victim notices as required by the Title IX regulations at specific points in the complaint process.

Supportive Measures

Upon receipt of a report of Title IX sexual harassment, the Title IX Coordinator shall promptly contact the complainant to discuss the availability of supportive measures and shall consider the complainant's wishes with respect to the supportive measures implemented. Supportive measures shall be offered as appropriate, as reasonably available, and without charge to the complainant or the respondent before or after the filing of a formal complaint or even if no formal complaint has been filed. Such measures shall be nondisciplinary, nonpunitive, and designed to restore or preserve equal access to the district's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district's educational environment or to deter sexual harassment. Supportive measures may include, but are not limited to, counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact, changes in work or housing locations, leaves of absence, increased security, and monitoring of certain areas of the campus. (34 CFR 106.30, 106.44)

The district shall maintain as confidential any supportive measures provided to the complainant or respondent, to the Board Agenda Packet - August 13, 2025

extent that maintaining such confidentiality would not impair the district's ability to provide the supportive measures. (34 CFR 106.30)

Emergency Removal from School

If a district employee is the respondent, the employee may be placed on administrative leave during the pendency of the formal complaint process. (34 CFR 106.44)

If a student is the respondent, the district may remove the student from the district's education program or activity, on an emergency basis, provided that the district conducts an individualized safety and risk analysis, determines that removal is justified due to an immediate threat to the physical health or safety of any student or other individual arising from the allegations, and provides the student with notice and an opportunity to challenge the decision immediately following the removal.

Any such removal may not constitute discipline for student record purposes or Board Policy 5144 - Discipline. Additionally, this authority to remove a student does not modify a student's rights under the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act of 1973. (34 CFR 106.44)

Dismissal of Complaint

The Title IX Coordinator shall dismiss a formal complaint if the alleged conduct would not constitute sexual harassment as defined in 34 CFR 106.30. Additionally, the Title IX Coordinator shall dismiss a formal complaint in which the alleged conduct did not occur in the district's education program or activity or did not occur against a person in the United States. In addition, the Title IX Coordinator may dismiss a formal complaint if the complainant notifies the district in writing that the complainant would like to withdraw the complaint or any allegations in the complaint, the respondent is no longer enrolled or employed by the district, or sufficient circumstances prevent the district from gathering evidence sufficient to reach a determination with regard to the complaint. (34 CFR 106.45)

Upon dismissal, the Title IX Coordinator shall promptly send written notice of the dismissal and the reasons for the dismissal simultaneously to the parties, and shall inform them of their right to appeal the dismissal in accordance with the appeal procedures described in the section "Appeals," below. (34 CFR 106.45)

If a complaint is dismissed, the conduct may still be addressed pursuant to Administrative Regulation 4030 - Nondiscrimination in Employment, as applicable.

Informal Resolution Process

When a formal complaint of sexual harassment is filed the district may offer an informal resolution process, such as mediation, at any time prior to reaching a determination regarding responsibility. (34 CFR 106.45)

The district shall not require a party to participate in the informal resolution process or to waive the right to an investigation and adjudication of a formal complaint, including that the district shall not require such waiver as a condition of enrollment or employment or continuing employment. (34 CFR 106.45)

As a part of an informal resolution, the parties may agree upon discipline such as suspension or expulsion without the need for an investigation.

The district may facilitate an informal resolution process provided that the district: (34 CFR 106.45)

1. Provides the parties with written notice disclosing the allegations; the requirements of the informal resolution process, including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations; the right to withdraw from the informal process and resume the formal complaint process at any time prior to agreeing to a resolution; and any consequences resulting from the informal resolution process, including that records will be maintained or could be shared
2. Obtains the parties' voluntary, written consent to the informal resolution process
3. Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student

Written Notice

If a formal complaint is filed, the Title IX Coordinator shall provide the known parties with written notice of the following: (34 CFR 106.45)

1. The district's complaint process, including any informal resolution process
2. The allegations potentially constituting sexual harassment with sufficient details known at the time, including the identity of parties involved in the incident, if known, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident

Such notice shall be provided with sufficient time for the parties to prepare a response before any initial interview. If, during the course of the investigation, new Title IX allegations arise about the complainant or respondent that are not included in the initial notice, the Title IX Coordinator shall provide notice of the additional allegations to the parties.

3. A statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the complaint process
4. The opportunity for the parties to have an advisor of their choice who may be, but is not required to be, an attorney, and the ability to inspect and review evidence
5. The prohibition against knowingly making false statements or knowingly submitting false information during the complaint process

The above notice may also include the name of the investigator, facilitator of an informal process, and decisionmaker and inform the parties that, if at any time a party has concerns regarding conflict of interest or bias regarding any of these persons, the party should immediately notify the Title IX Coordinator.

Consolidation of Complaints

When the allegations of sexual harassment arise out of the same facts or circumstances, the district may consolidate formal complaints alleging sexual harassment against more than one respondent; by more than one complainant against one or more respondents; or by one party against another party. (34 CFR 106.45)

Investigation Procedures

During the investigation process, the district's designated investigator shall: (34 CFR 106.45)

1. Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence
2. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence
3. Provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney
4. Not limit the choice or presence of an advisor for either the complainant or respondent in any meeting or grievance proceeding, although the district may establish restrictions regarding the extent to which the advisor may participate in the proceedings as long as the restrictions apply equally to both parties
5. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all investigative interviews or other meetings, with sufficient time for the party to prepare to participate
6. Provide both parties an equal opportunity to inspect and review any evidence obtained as part of the

investigation that is directly related to the allegations raised in a formal complaint including evidence that the district does not intend to rely on in reaching a determination regarding responsibility and inculpatory and exculpatory evidence whether obtained from a party or other source so that each party can meaningfully respond to the evidence prior to conclusion of the investigation

7. Send in an electronic format or hard copy to both parties and their advisors, if any, the evidence obtained as part of the investigation that is directly related to the allegations raised in the complaint, and provide the parties at least 10 days to submit a written response for the investigator to consider prior to the completion of the investigative report
8. Create an investigative report that fairly summarizes relevant evidence and, at least 10 days prior to the determination of responsibility, send to the parties and their advisors, if any, the investigative report in an electronic format or a hard copy, for their review and written response

Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence are offered to prove that someone other than the respondent committed the conduct alleged by the complainant or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent.

Privacy rights of all parties to the complaint shall be maintained in accordance with applicable state and federal laws.

If the complaint is against an employee, rights conferred under an applicable collective bargaining agreement shall be applied to the extent they do not conflict with the Title IX requirements.

Written Decision

The Superintendent shall designate an employee as the decisionmaker to determine responsibility for the alleged conduct, who shall not be the Title IX Coordinator or a person involved in the investigation. (34 CFR 106.45)

After the investigative report has been sent to the parties but before reaching a determination regarding responsibility, the decisionmaker shall afford each party the opportunity to submit written, relevant questions that the party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party.

The decisionmaker shall issue, and simultaneously provide to both parties, a written decision as to the scope of the respondent's responsibility for the alleged conduct, if any. (34 CFR 106.45)

The written decision shall be issued within 60 calendar days of the receipt of the complaint.

The district may extend the timeline for good cause with written notice to the complainant and respondent of the extension and the reasons for the action. (34 CFR 106.45)

In making this determination, the decisionmaker shall use the "preponderance of the evidence" standard for all formal complaints of sexual harassment. The same standard of evidence shall be used for formal complaints against students as for complaints against employees. (34 CFR 106.45)

The written decision shall include the following: (34 CFR 106.45)

1. Identification of the allegations potentially constituting sexual harassment as defined in 34 CFR 106.30
2. A description of the procedural steps taken from receipt of the formal complaint through the written decision, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held if the district includes hearings as part of the grievance process
3. Findings of fact supporting the determination
4. Conclusions regarding the application of the district's code of conduct or policies to the facts

5. A statement of, and rationale for, the result as to each allegation, including a decision regarding responsibility, any disciplinary sanctions the district imposes on the respondent, and whether remedies designed to restore or preserve equal access to the district's educational program or activity will be provided by the district to the complainant
6. The district's procedures and permissible bases for the complainant and respondent to appeal

Appeals

Either party may appeal the written decision or dismissal of a formal complaint or any allegation in the complaint, if the party believes that a procedural irregularity affected the outcome, new evidence is available that was not reasonably available at the time the determination regarding responsibility or dismissal was made that could affect the outcome, or a conflict of interest or bias by the Title IX Coordinator, investigator(s), or decisionmaker(s) affected the outcome.

If an appeal is filed, the district shall: (34 CFR 106.45)

1. Notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties
2. Ensure that the decisionmaker(s) for the appeal is trained in accordance with 34 CFR 106.45 and is not the same decisionmaker(s) who reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator
3. Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome
4. Issue a written decision describing the result of the appeal and the rationale for the result
5. Provide the written decision simultaneously to both parties

An appeal shall be filed in writing within 10 calendar days of receiving the notice of the decision or dismissal, stating the grounds for the appeal and including any relevant documentation in support of the appeal. Appeals submitted after this deadline are not timely and shall not be considered.

A written decision shall be provided to the parties within 20 calendar days from the receipt of the appeal.

Either party has the right to file a complaint with the U.S. Department of Education's Office for Civil Rights within 180 days of the date of the most recently alleged misconduct.

The complainant shall be advised of any civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders that may be available under state or federal antidiscrimination laws, if applicable.

Remedies

When a determination of responsibility for sexual harassment has been made against the respondent, the district shall provide remedies to the complainant as appropriate. Such remedies may include the same individualized services described above in the section "Supportive Measures," but need not be nondisciplinary or nonpunitive and need not avoid burdening the respondent. (34 CFR 106.45)

Disciplinary Actions

The district may impose disciplinary sanctions or other actions after the complaint procedure has been completed and a determination of responsibility has been made. (34 CFR 106.44, 106.45)

When an employee is found to have committed sexual harassment or retaliation, the district shall take appropriate disciplinary action, up to and including dismissal, in accordance with applicable law and collective bargaining agreement.

Record-Keeping

The Superintendent or designee shall maintain, for a period of seven years: (34 CFR 106.45)

1. A record of all reported cases and Title IX investigations of sexual harassment, any determinations of responsibility, any audio or audiovisual recording and transcript if applicable, any disciplinary sanctions imposed, any remedies provided to the complainant, and any appeal or informal resolution and the results therefrom
2. A record of any actions, including supportive measures, taken in response to a report or formal complaint of sexual harassment, including the district's basis for its conclusion that its response was not deliberately indifferent, the measures taken that were designed to restore or preserve equal access to the education program or activity, and, if no supportive measures were provided to the complainant, the reasons that such a response was not unreasonable in light of the known circumstances
3. All materials used to train the Title IX Coordinator, investigator(s), decisionmaker(s), and any person who facilitates an informal resolution process

The district shall make such training materials publicly available on its website, or if the district does not maintain a website, available upon request by members of the public.

For complaints containing allegations of childhood sexual assault, the Superintendent or designee shall also indefinitely maintain the following: (Code of Civil Procedure 340.1)

1. A record of the allegation(s)
2. A record of the investigation procedures followed
3. A record of the written determination
4. A record of the corrective action implemented, if any
5. A record of any appeals and the outcome of the same
6. All training materials addressing the prohibition and investigation of childhood sexual assault

Additionally, the Superintendent or designee shall indefinitely maintain a record of insurance which evidences the district's coverage for acts of sexual assault.

Regulation 4219.12: Title IX Sexual Harassment Complaint Procedures

Status: DRAFT

Original Adopted Date: 07/01/2020 | **Last Revised Date:** 09/11/2024

The complaint procedures described in this administrative regulation shall be used to address any complaint governed by Title IX of the Education Amendments of 1972 alleging that a district employee, while in an education program or activity, in which a district school exercises substantial control over the context and respondent, was subjected to one or more of the following forms of sexual harassment: (34 CFR 106.30, 106.44)

1. A district employee conditioning the provision of a district aid, benefit, or service on a person's participation in unwelcome sexual conduct
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person's equal access to the district's education program or activity
3. Sexual assault, dating violence, domestic violence, or stalking as defined in 20 USC 1092 or 34 USC 12291

For a complaint governed by Title IX based on conduct that occurred, in whole or in part, between August 1, 2024 and January 9, 2025, or prior to August 14, 2020, the Title IX Coordinator shall consult with district legal counsel to determine which procedures to use.

All other complaints alleging sexual harassment brought by or against employees shall be investigated and resolved in accordance with Administrative Regulation 4030 - Nondiscrimination in Employment. The determination over which process shall be used to investigate and resolve a complaint shall be made by the district's Title IX Coordinator.

The Title IX Coordinator shall ensure that all requirements and timelines for Administrative Regulation 4030 - Nondiscrimination in Employment are concurrently met while implementing the Title IX procedure.

Basic Requirements

When implementing Title IX grievance procedures, the district shall: (34 CFR 106.45)

1. Treat complainants and respondents equitably by providing remedies to a complainant where a determination of responsibility for sexual harassment has been made against the respondent and by following a grievance process in accordance with 34 CFR 106.45 before the imposition of any disciplinary sanctions or other actions that are not supportive measures, as defined in 34 CFR 106.30, against a respondent

Remedies following a determination of responsibility for sexual harassment shall be designed to restore or preserve equal access to the district's education program or activity, and shall be provided in accordance with "Remedies," below.

2. Require an objective evaluation of all relevant evidence, including both inculpatory and exculpatory evidence, and provide that credibility determination may not be based on a person's status as complainant, respondent, or witness
3. Ensure that the Title IX Coordinator, investigator, or decisionmaker, any person that facilitates an information resolution process, does not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent, and that such individuals receive training in accordance with 34 CFR 106.45
4. Presume that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process
5. Include reasonably prompt timeframes for the conclusion of the grievance procedures, including reasonably prompt timeframes for filing and resolving appeals, and informal resolution processes if appropriate and offered by the district

The district's procedures shall also include a process that allows for the temporary delay of the grievance procedures or the limited extension of timeframes for good cause with written notice to the complainant and

the respondent of the delay or extension and the reasons for the action. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities.

6. Describe the range of, or list, the possible disciplinary sanctions and remedies that the district may implement following any determination of responsibility
7. State whether the standard of evidence to be used to determine responsibility is the preponderance of the evidence standard or the clear and convincing evidence standard, and apply the same standard of evidence to formal complaints against students and employees and to all formal complaints of sexual harassment
8. Include the procedures and permissible bases for the complainant and respondent to appeal
9. Describe the range of supportive measures available to complainants and respondents
10. Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege

Additionally, the district shall not disclose the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act statute or regulations, as required by law, or to carry out the purposes of Title IX, including the conduct of any investigation, hearing, or judicial proceeding arising under Title IX. (34 CFR 106.30, 106.71)

Reporting Allegations/Filing a Formal Complaint

An employee who is the alleged victim of sexual harassment may submit a report of sexual harassment to the district's Title IX Coordinator using the contact information listed in Administrative Regulation 4119.11/4219.11/4319.11 - Sexual Harassment, or to any other available school employee, who shall forward the report to the Title IX Coordinator within one workday of receiving the report.

Upon receiving such a report, the Title IX Coordinator shall inform the complainant of the right to file a formal complaint and the process for filing a formal complaint. (34 CFR 106.44)

A formal complaint shall include the complainant's physical or digital signature, or another indication that the complainant is the person filing the complaint, and be filed with the Title IX Coordinator in person, by mail, by email, or by any other method authorized by the district. (34 CFR 106.30)

If the district has actual knowledge of sexual harassment or allegations of sexual harassment but the alleged victim does not file a formal complaint, the Title IX Coordinator may file a formal complaint and, in situations when an imminent safety threat exists, shall file a formal complaint. In such cases, the Title IX Coordinator shall provide the alleged victim notices as required by the Title IX regulations at specific points in the complaint process.

Supportive Measures

Upon receipt of a report of Title IX sexual harassment, the Title IX Coordinator shall promptly contact the complainant to discuss the availability of supportive measures and shall consider the complainant's wishes with respect to the supportive measures implemented. Supportive measures shall be offered as appropriate, as reasonably available, and without charge to the complainant or the respondent before or after the filing of a formal complaint or even if no formal complaint has been filed. Such measures shall be nondisciplinary, nonpunitive, and designed to restore or preserve equal access to the district's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district's educational environment or to deter sexual harassment. Supportive measures may include, but are not limited to, counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact, changes in work or housing locations, leaves of absence, increased security, and monitoring of certain areas of the campus. (34 CFR 106.30, 106.44)

The district shall maintain as confidential any supportive measures provided to the complainant or respondent, to the Board Agenda Packet - August 13, 2025

extent that maintaining such confidentiality would not impair the district's ability to provide the supportive measures. (34 CFR 106.30)

Emergency Removal from School

If a district employee is the respondent, the employee may be placed on administrative leave during the pendency of the formal complaint process. (34 CFR 106.44)

If a student is the respondent, the district may remove the student from the district's education program or activity, on an emergency basis, provided that the district conducts an individualized safety and risk analysis, determines that removal is justified due to an immediate threat to the physical health or safety of any student or other individual arising from the allegations, and provides the student with notice and an opportunity to challenge the decision immediately following the removal.

Any such removal may not constitute discipline for student record purposes or Board Policy 5144 - Discipline. Additionally, this authority to remove a student does not modify a student's rights under the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act of 1973. (34 CFR 106.44)

Dismissal of Complaint

The Title IX Coordinator shall dismiss a formal complaint if the alleged conduct would not constitute sexual harassment as defined in 34 CFR 106.30. Additionally, the Title IX Coordinator shall dismiss a formal complaint in which the alleged conduct did not occur in the district's education program or activity or did not occur against a person in the United States. In addition, the Title IX Coordinator may dismiss a formal complaint if the complainant notifies the district in writing that the complainant would like to withdraw the complaint or any allegations in the complaint, the respondent is no longer enrolled or employed by the district, or sufficient circumstances prevent the district from gathering evidence sufficient to reach a determination with regard to the complaint. (34 CFR 106.45)

Upon dismissal, the Title IX Coordinator shall promptly send written notice of the dismissal and the reasons for the dismissal simultaneously to the parties, and shall inform them of their right to appeal the dismissal in accordance with the appeal procedures described in the section "Appeals," below. (34 CFR 106.45)

If a complaint is dismissed, the conduct may still be addressed pursuant to Administrative Regulation 4030 - Nondiscrimination in Employment, as applicable.

Informal Resolution Process

When a formal complaint of sexual harassment is filed the district may offer an informal resolution process, such as mediation, at any time prior to reaching a determination regarding responsibility. (34 CFR 106.45)

The district shall not require a party to participate in the informal resolution process or to waive the right to an investigation and adjudication of a formal complaint, including that the district shall not require such waiver as a condition of enrollment or employment or continuing employment. (34 CFR 106.45)

As a part of an informal resolution, the parties may agree upon discipline such as suspension or expulsion without the need for an investigation.

The district may facilitate an informal resolution process provided that the district: (34 CFR 106.45)

1. Provides the parties with written notice disclosing the allegations; the requirements of the informal resolution process, including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations; the right to withdraw from the informal process and resume the formal complaint process at any time prior to agreeing to a resolution; and any consequences resulting from the informal resolution process, including that records will be maintained or could be shared
2. Obtains the parties' voluntary, written consent to the informal resolution process
3. Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student

Written Notice

If a formal complaint is filed, the Title IX Coordinator shall provide the known parties with written notice of the following: (34 CFR 106.45)

1. The district's complaint process, including any informal resolution process
2. The allegations potentially constituting sexual harassment with sufficient details known at the time, including the identity of parties involved in the incident, if known, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident

Such notice shall be provided with sufficient time for the parties to prepare a response before any initial interview. If, during the course of the investigation, new Title IX allegations arise about the complainant or respondent that are not included in the initial notice, the Title IX Coordinator shall provide notice of the additional allegations to the parties.

3. A statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the complaint process
4. The opportunity for the parties to have an advisor of their choice who may be, but is not required to be, an attorney, and the ability to inspect and review evidence
5. The prohibition against knowingly making false statements or knowingly submitting false information during the complaint process

The above notice may also include the name of the investigator, facilitator of an informal process, and decisionmaker and inform the parties that, if at any time a party has concerns regarding conflict of interest or bias regarding any of these persons, the party should immediately notify the Title IX Coordinator.

Consolidation of Complaints

When the allegations of sexual harassment arise out of the same facts or circumstances, the district may consolidate formal complaints alleging sexual harassment against more than one respondent; by more than one complainant against one or more respondents; or by one party against another party. (34 CFR 106.45)

Investigation Procedures

During the investigation process, the district's designated investigator shall: (34 CFR 106.45)

1. Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence
2. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence
3. Provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney
4. Not limit the choice or presence of an advisor for either the complainant or respondent in any meeting or grievance proceeding, although the district may establish restrictions regarding the extent to which the advisor may participate in the proceedings as long as the restrictions apply equally to both parties
5. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all investigative interviews or other meetings, with sufficient time for the party to prepare to participate
6. Provide both parties an equal opportunity to inspect and review any evidence obtained as part of the

investigation that is directly related to the allegations raised in a formal complaint including evidence that the district does not intend to rely on in reaching a determination regarding responsibility and inculpatory and exculpatory evidence whether obtained from a party or other source so that each party can meaningfully respond to the evidence prior to conclusion of the investigation

7. Send in an electronic format or hard copy to both parties and their advisors, if any, the evidence obtained as part of the investigation that is directly related to the allegations raised in the complaint, and provide the parties at least 10 days to submit a written response for the investigator to consider prior to the completion of the investigative report
8. Create an investigative report that fairly summarizes relevant evidence and, at least 10 days prior to the determination of responsibility, send to the parties and their advisors, if any, the investigative report in an electronic format or a hard copy, for their review and written response

Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence are offered to prove that someone other than the respondent committed the conduct alleged by the complainant or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent.

Privacy rights of all parties to the complaint shall be maintained in accordance with applicable state and federal laws.

If the complaint is against an employee, rights conferred under an applicable collective bargaining agreement shall be applied to the extent they do not conflict with the Title IX requirements.

Written Decision

The Superintendent shall designate an employee as the decisionmaker to determine responsibility for the alleged conduct, who shall not be the Title IX Coordinator or a person involved in the investigation. (34 CFR 106.45)

After the investigative report has been sent to the parties but before reaching a determination regarding responsibility, the decisionmaker shall afford each party the opportunity to submit written, relevant questions that the party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party.

The decisionmaker shall issue, and simultaneously provide to both parties, a written decision as to the scope of the respondent's responsibility for the alleged conduct, if any. (34 CFR 106.45)

The written decision shall be issued within 60 calendar days of the receipt of the complaint.

The district may extend the timeline for good cause with written notice to the complainant and respondent of the extension and the reasons for the action. (34 CFR 106.45)

In making this determination, the decisionmaker shall use the "preponderance of the evidence" standard for all formal complaints of sexual harassment. The same standard of evidence shall be used for formal complaints against students as for complaints against employees. (34 CFR 106.45)

The written decision shall include the following: (34 CFR 106.45)

1. Identification of the allegations potentially constituting sexual harassment as defined in 34 CFR 106.30
2. A description of the procedural steps taken from receipt of the formal complaint through the written decision, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held if the district includes hearings as part of the grievance process
3. Findings of fact supporting the determination
4. Conclusions regarding the application of the district's code of conduct or policies to the facts

5. A statement of, and rationale for, the result as to each allegation, including a decision regarding responsibility, any disciplinary sanctions the district imposes on the respondent, and whether remedies designed to restore or preserve equal access to the district's educational program or activity will be provided by the district to the complainant
6. The district's procedures and permissible bases for the complainant and respondent to appeal

Appeals

Either party may appeal the written decision or dismissal of a formal complaint or any allegation in the complaint, if the party believes that a procedural irregularity affected the outcome, new evidence is available that was not reasonably available at the time the determination regarding responsibility or dismissal was made that could affect the outcome, or a conflict of interest or bias by the Title IX Coordinator, investigator(s), or decisionmaker(s) affected the outcome.

If an appeal is filed, the district shall: (34 CFR 106.45)

1. Notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties
2. Ensure that the decisionmaker(s) for the appeal is trained in accordance with 34 CFR 106.45 and is not the same decisionmaker(s) who reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator
3. Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome
4. Issue a written decision describing the result of the appeal and the rationale for the result
5. Provide the written decision simultaneously to both parties

An appeal shall be filed in writing within 10 calendar days of receiving the notice of the decision or dismissal, stating the grounds for the appeal and including any relevant documentation in support of the appeal. Appeals submitted after this deadline are not timely and shall not be considered.

A written decision shall be provided to the parties within 20 calendar days from the receipt of the appeal.

Either party has the right to file a complaint with the U.S. Department of Education's Office for Civil Rights within 180 days of the date of the most recently alleged misconduct.

The complainant shall be advised of any civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders that may be available under state or federal antidiscrimination laws, if applicable.

Remedies

When a determination of responsibility for sexual harassment has been made against the respondent, the district shall provide remedies to the complainant as appropriate. Such remedies may include the same individualized services described above in the section "Supportive Measures," but need not be nondisciplinary or nonpunitive and need not avoid burdening the respondent. (34 CFR 106.45)

Disciplinary Actions

The district may impose disciplinary sanctions or other actions after the complaint procedure has been completed and a determination of responsibility has been made. (34 CFR 106.44, 106.45)

When an employee is found to have committed sexual harassment or retaliation, the district shall take appropriate disciplinary action, up to and including dismissal, in accordance with applicable law and collective bargaining agreement.

Record-Keeping

The Superintendent or designee shall maintain, for a period of seven years: (34 CFR 106.45)

1. A record of all reported cases and Title IX investigations of sexual harassment, any determinations of responsibility, any audio or audiovisual recording and transcript if applicable, any disciplinary sanctions imposed, any remedies provided to the complainant, and any appeal or informal resolution and the results therefrom
2. A record of any actions, including supportive measures, taken in response to a report or formal complaint of sexual harassment, including the district's basis for its conclusion that its response was not deliberately indifferent, the measures taken that were designed to restore or preserve equal access to the education program or activity, and, if no supportive measures were provided to the complainant, the reasons that such a response was not unreasonable in light of the known circumstances
3. All materials used to train the Title IX Coordinator, investigator(s), decisionmaker(s), and any person who facilitates an informal resolution process

The district shall make such training materials publicly available on its website, or if the district does not maintain a website, available upon request by members of the public.

2. A record of the investigation procedures followed
3. A record of the written determination
4. A record of the corrective action implemented, if any
5. A record of any appeals and the outcome of the same

Regulation 4319.12: Title IX Sexual Harassment Complaint Procedures

Status: DRAFT

Original Adopted Date: 07/01/2020 | **Last Revised Date:** 09/11/2024

The complaint procedures described in this administrative regulation shall be used to address any complaint governed by Title IX of the Education Amendments of 1972 alleging that a district employee, while in an education program or activity, in which a district school exercises substantial control over the context and respondent, was subjected to one or more of the following forms of sexual harassment: (34 CFR 106.30, 106.44)

1. A district employee conditioning the provision of a district aid, benefit, or service on a person's participation in unwelcome sexual conduct
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person's equal access to the district's education program or activity
3. Sexual assault, dating violence, domestic violence, or stalking as defined in 20 USC 1092 or 34 USC 12291

For a complaint governed by Title IX based on conduct that occurred, in whole or in part, between August 1, 2024 and January 9, 2025, or prior to August 14, 2020, the Title IX Coordinator shall consult with district legal counsel to determine which procedures to use.

All other complaints alleging sexual harassment brought by or against employees shall be investigated and resolved in accordance with Administrative Regulation 4030 - Nondiscrimination in Employment. The determination over which process shall be used to investigate and resolve a complaint shall be made by the district's Title IX Coordinator.

The Title IX Coordinator shall ensure that all requirements and timelines for Administrative Regulation 4030 - Nondiscrimination in Employment are concurrently met while implementing the Title IX procedure.

Basic Requirements

When implementing Title IX grievance procedures, the district shall: (34 CFR 106.45)

1. Treat complainants and respondents equitably by providing remedies to a complainant where a determination of responsibility for sexual harassment has been made against the respondent and by following a grievance process in accordance with 34 CFR 106.45 before the imposition of any disciplinary sanctions or other actions that are not supportive measures, as defined in 34 CFR 106.30, against a respondent

Remedies following a determination of responsibility for sexual harassment shall be designed to restore or preserve equal access to the district's education program or activity, and shall be provided in accordance with "Remedies," below.

2. Require an objective evaluation of all relevant evidence, including both inculpatory and exculpatory evidence, and provide that credibility determination may not be based on a person's status as complainant, respondent, or witness
3. Ensure that the Title IX Coordinator, investigator, or decisionmaker, any person that facilitates an information resolution process, does not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent, and that such individuals receive training in accordance with 34 CFR 106.45
4. Presume that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process
5. Include reasonably prompt timeframes for the conclusion of the grievance procedures, including reasonably prompt timeframes for filing and resolving appeals, and informal resolution processes if appropriate and offered by the district

The district's procedures shall also include a process that allows for the temporary delay of the grievance procedures or the limited extension of timeframes for good cause with written notice to the complainant and

the respondent of the delay or extension and the reasons for the action. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities.

6. Describe the range of, or list, the possible disciplinary sanctions and remedies that the district may implement following any determination of responsibility
7. State whether the standard of evidence to be used to determine responsibility is the preponderance of the evidence standard or the clear and convincing evidence standard, and apply the same standard of evidence to formal complaints against students and employees and to all formal complaints of sexual harassment
8. Include the procedures and permissible bases for the complainant and respondent to appeal
9. Describe the range of supportive measures available to complainants and respondents
10. Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege

Additionally, the district shall not disclose the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act statute or regulations, as required by law, or to carry out the purposes of Title IX, including the conduct of any investigation, hearing, or judicial proceeding arising under Title IX. (34 CFR 106.30, 106.71)

Reporting Allegations/Filing a Formal Complaint

An employee who is the alleged victim of sexual harassment may submit a report of sexual harassment to the district's Title IX Coordinator using the contact information listed in Administrative Regulation 4119.11/4219.11/4319.11 - Sexual Harassment, or to any other available school employee, who shall forward the report to the Title IX Coordinator within one workday of receiving the report.

Upon receiving such a report, the Title IX Coordinator shall inform the complainant of the right to file a formal complaint and the process for filing a formal complaint. (34 CFR 106.44)

A formal complaint shall include the complainant's physical or digital signature, or another indication that the complainant is the person filing the complaint, and be filed with the Title IX Coordinator in person, by mail, by email, or by any other method authorized by the district. (34 CFR 106.30)

If the district has actual knowledge of sexual harassment or allegations of sexual harassment but the alleged victim does not file a formal complaint, the Title IX Coordinator may file a formal complaint and, in situations when an imminent safety threat exists, shall file a formal complaint. In such cases, the Title IX Coordinator shall provide the alleged victim notices as required by the Title IX regulations at specific points in the complaint process.

Supportive Measures

Upon receipt of a report of Title IX sexual harassment, the Title IX Coordinator shall promptly contact the complainant to discuss the availability of supportive measures and shall consider the complainant's wishes with respect to the supportive measures implemented. Supportive measures shall be offered as appropriate, as reasonably available, and without charge to the complainant or the respondent before or after the filing of a formal complaint or even if no formal complaint has been filed. Such measures shall be nondisciplinary, nonpunitive, and designed to restore or preserve equal access to the district's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district's educational environment or to deter sexual harassment. Supportive measures may include, but are not limited to, counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact, changes in work or housing locations, leaves of absence, increased security, and monitoring of certain areas of the campus. (34 CFR 106.30, 106.44)

The district shall maintain as confidential any supportive measures provided to the complainant or respondent, to the Board Agenda Packet - August 13, 2025

extent that maintaining such confidentiality would not impair the district's ability to provide the supportive measures. (34 CFR 106.30)

Emergency Removal from School

If a district employee is the respondent, the employee may be placed on administrative leave during the pendency of the formal complaint process. (34 CFR 106.44)

If a student is the respondent, the district may remove the student from the district's education program or activity, on an emergency basis, provided that the district conducts an individualized safety and risk analysis, determines that removal is justified due to an immediate threat to the physical health or safety of any student or other individual arising from the allegations, and provides the student with notice and an opportunity to challenge the decision immediately following the removal.

Any such removal may not constitute discipline for student record purposes or Board Policy 5144 - Discipline. Additionally, this authority to remove a student does not modify a student's rights under the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act of 1973. (34 CFR 106.44)

Dismissal of Complaint

The Title IX Coordinator shall dismiss a formal complaint if the alleged conduct would not constitute sexual harassment as defined in 34 CFR 106.30. Additionally, the Title IX Coordinator shall dismiss a formal complaint in which the alleged conduct did not occur in the district's education program or activity or did not occur against a person in the United States. In addition, the Title IX Coordinator may dismiss a formal complaint if the complainant notifies the district in writing that the complainant would like to withdraw the complaint or any allegations in the complaint, the respondent is no longer enrolled or employed by the district, or sufficient circumstances prevent the district from gathering evidence sufficient to reach a determination with regard to the complaint. (34 CFR 106.45)

Upon dismissal, the Title IX Coordinator shall promptly send written notice of the dismissal and the reasons for the dismissal simultaneously to the parties, and shall inform them of their right to appeal the dismissal in accordance with the appeal procedures described in the section "Appeals," below. (34 CFR 106.45)

If a complaint is dismissed, the conduct may still be addressed pursuant to Administrative Regulation 4030 - Nondiscrimination in Employment, as applicable.

Informal Resolution Process

When a formal complaint of sexual harassment is filed the district may offer an informal resolution process, such as mediation, at any time prior to reaching a determination regarding responsibility. (34 CFR 106.45)

The district shall not require a party to participate in the informal resolution process or to waive the right to an investigation and adjudication of a formal complaint, including that the district shall not require such waiver as a condition of enrollment or employment or continuing employment. (34 CFR 106.45)

As a part of an informal resolution, the parties may agree upon discipline such as suspension or expulsion without the need for an investigation.

The district may facilitate an informal resolution process provided that the district: (34 CFR 106.45)

1. Provides the parties with written notice disclosing the allegations; the requirements of the informal resolution process, including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations; the right to withdraw from the informal process and resume the formal complaint process at any time prior to agreeing to a resolution; and any consequences resulting from the informal resolution process, including that records will be maintained or could be shared
2. Obtains the parties' voluntary, written consent to the informal resolution process
3. Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student

Written Notice

If a formal complaint is filed, the Title IX Coordinator shall provide the known parties with written notice of the following: (34 CFR 106.45)

1. The district's complaint process, including any informal resolution process
2. The allegations potentially constituting sexual harassment with sufficient details known at the time, including the identity of parties involved in the incident, if known, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident

Such notice shall be provided with sufficient time for the parties to prepare a response before any initial interview. If, during the course of the investigation, new Title IX allegations arise about the complainant or respondent that are not included in the initial notice, the Title IX Coordinator shall provide notice of the additional allegations to the parties.

3. A statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the complaint process
4. The opportunity for the parties to have an advisor of their choice who may be, but is not required to be, an attorney, and the ability to inspect and review evidence
5. The prohibition against knowingly making false statements or knowingly submitting false information during the complaint process

The above notice may also include the name of the investigator, facilitator of an informal process, and decisionmaker and inform the parties that, if at any time a party has concerns regarding conflict of interest or bias regarding any of these persons, the party should immediately notify the Title IX Coordinator.

Consolidation of Complaints

When the allegations of sexual harassment arise out of the same facts or circumstances, the district may consolidate formal complaints alleging sexual harassment against more than one respondent; by more than one complainant against one or more respondents; or by one party against another party. (34 CFR 106.45)

Investigation Procedures

During the investigation process, the district's designated investigator shall: (34 CFR 106.45)

1. Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence
2. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence
3. Provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney
4. Not limit the choice or presence of an advisor for either the complainant or respondent in any meeting or grievance proceeding, although the district may establish restrictions regarding the extent to which the advisor may participate in the proceedings as long as the restrictions apply equally to both parties
5. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all investigative interviews or other meetings, with sufficient time for the party to prepare to participate
6. Provide both parties an equal opportunity to inspect and review any evidence obtained as part of the

investigation that is directly related to the allegations raised in a formal complaint including evidence that the district does not intend to rely on in reaching a determination regarding responsibility and inculpatory and exculpatory evidence whether obtained from a party or other source so that each party can meaningfully respond to the evidence prior to conclusion of the investigation

7. Send in an electronic format or hard copy to both parties and their advisors, if any, the evidence obtained as part of the investigation that is directly related to the allegations raised in the complaint, and provide the parties at least 10 days to submit a written response for the investigator to consider prior to the completion of the investigative report
8. Create an investigative report that fairly summarizes relevant evidence and, at least 10 days prior to the determination of responsibility, send to the parties and their advisors, if any, the investigative report in an electronic format or a hard copy, for their review and written response

Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence are offered to prove that someone other than the respondent committed the conduct alleged by the complainant or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent.

Privacy rights of all parties to the complaint shall be maintained in accordance with applicable state and federal laws.

If the complaint is against an employee, rights conferred under an applicable collective bargaining agreement shall be applied to the extent they do not conflict with the Title IX requirements.

Written Decision

The Superintendent shall designate an employee as the decisionmaker to determine responsibility for the alleged conduct, who shall not be the Title IX Coordinator or a person involved in the investigation. (34 CFR 106.45)

After the investigative report has been sent to the parties but before reaching a determination regarding responsibility, the decisionmaker shall afford each party the opportunity to submit written, relevant questions that the party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party.

The decisionmaker shall issue, and simultaneously provide to both parties, a written decision as to the scope of the respondent's responsibility for the alleged conduct, if any. (34 CFR 106.45)

The written decision shall be issued within 60 calendar days of the receipt of the complaint.

The district may extend the timeline for good cause with written notice to the complainant and respondent of the extension and the reasons for the action. (34 CFR 106.45)

In making this determination, the decisionmaker shall use the "preponderance of the evidence" standard for all formal complaints of sexual harassment. The same standard of evidence shall be used for formal complaints against students as for complaints against employees. (34 CFR 106.45)

The written decision shall include the following: (34 CFR 106.45)

1. Identification of the allegations potentially constituting sexual harassment as defined in 34 CFR 106.30
2. A description of the procedural steps taken from receipt of the formal complaint through the written decision, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held if the district includes hearings as part of the grievance process
3. Findings of fact supporting the determination
4. Conclusions regarding the application of the district's code of conduct or policies to the facts

5. A statement of, and rationale for, the result as to each allegation, including a decision regarding responsibility, any disciplinary sanctions the district imposes on the respondent, and whether remedies designed to restore or preserve equal access to the district's educational program or activity will be provided by the district to the complainant
6. The district's procedures and permissible bases for the complainant and respondent to appeal

Appeals

Either party may appeal the written decision or dismissal of a formal complaint or any allegation in the complaint, if the party believes that a procedural irregularity affected the outcome, new evidence is available that was not reasonably available at the time the determination regarding responsibility or dismissal was made that could affect the outcome, or a conflict of interest or bias by the Title IX Coordinator, investigator(s), or decisionmaker(s) affected the outcome.

If an appeal is filed, the district shall: (34 CFR 106.45)

1. Notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties
2. Ensure that the decisionmaker(s) for the appeal is trained in accordance with 34 CFR 106.45 and is not the same decisionmaker(s) who reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator
3. Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome
4. Issue a written decision describing the result of the appeal and the rationale for the result
5. Provide the written decision simultaneously to both parties

An appeal shall be filed in writing within 10 calendar days of receiving the notice of the decision or dismissal, stating the grounds for the appeal and including any relevant documentation in support of the appeal. Appeals submitted after this deadline are not timely and shall not be considered.

A written decision shall be provided to the parties within 20 calendar days from the receipt of the appeal.

Either party has the right to file a complaint with the U.S. Department of Education's Office for Civil Rights within 180 days of the date of the most recently alleged misconduct.

The complainant shall be advised of any civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders that may be available under state or federal antidiscrimination laws, if applicable.

Remedies

When a determination of responsibility for sexual harassment has been made against the respondent, the district shall provide remedies to the complainant as appropriate. Such remedies may include the same individualized services described above in the section "Supportive Measures," but need not be nondisciplinary or nonpunitive and need not avoid burdening the respondent. (34 CFR 106.45)

Disciplinary Actions

The district may impose disciplinary sanctions or other actions after the complaint procedure has been completed and a determination of responsibility has been made. (34 CFR 106.44, 106.45)

When an employee is found to have committed sexual harassment or retaliation, the district shall take appropriate disciplinary action, up to and including dismissal, in accordance with applicable law and collective bargaining agreement.

Record-Keeping

The Superintendent or designee shall maintain, for a period of seven years: (34 CFR 106.45)

1. A record of all reported cases and Title IX investigations of sexual harassment, any determinations of responsibility, any audio or audiovisual recording and transcript if applicable, any disciplinary sanctions imposed, any remedies provided to the complainant, and any appeal or informal resolution and the results therefrom
2. A record of any actions, including supportive measures, taken in response to a report or formal complaint of sexual harassment, including the district's basis for its conclusion that its response was not deliberately indifferent, the measures taken that were designed to restore or preserve equal access to the education program or activity, and, if no supportive measures were provided to the complainant, the reasons that such a response was not unreasonable in light of the known circumstances
3. All materials used to train the Title IX Coordinator, investigator(s), decisionmaker(s), and any person who facilitates an informal resolution process

The district shall make such training materials publicly available on its website, or if the district does not maintain a website, available upon request by members of the public.

For complaints containing allegations of childhood sexual assault, the Superintendent or designee shall also indefinitely maintain the following: (Code of Civil Procedure 340.1)

1. A record of the allegation(s)
2. A record of the investigation procedures followed
3. A record of the written determination
4. A record of the corrective action implemented, if any
5. A record of any appeals and the outcome of the same
6. All training materials addressing the prohibition and investigation of childhood sexual assault

Additionally, the Superintendent or designee shall indefinitely maintain a record of insurance which evidences the district's coverage for acts of sexual assault.

**PARENT/GUARDIAN NOTICE
RELEASE OF DIRECTORY INFORMATION**

The Family Educational Rights and Privacy Act (FERPA), a federal law, requires that Arena Elementary/Point Arena High School, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, the district may disclose appropriately designated "directory information" without written consent, unless you have advised the district to the contrary in accordance with district procedures. The primary purpose of directory information is to allow the district to include information from your child's education records in certain school and/or district publications. Examples include:

- a playbill, showing your child's role in a drama production
- the annual yearbook
- honor roll or other recognition lists
- graduation programs
- sports activity sheets, such as for wrestling, showing weight and height of team members

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent/guardian's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require districts receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA), as amended, to provide military recruiters, upon request, with students' names, addresses, and telephone listings, unless parents/guardians have advised the district that they do not want their child's information disclosed without their prior written consent.

If you do not want the district to disclose any or all of the information designated below as directory information from your child's education records without your prior written consent, you must notify the district in writing within 2 weeks of registration. The district has designated the following information as directory information:

3. Telephone number
4. Email address
5. Date of birth
6. Major field of study
7. Participation in officially recognized activities and sports

10. Degrees and awards received
11. Most recent previous school attended

Additionally, the district may disclose your child's student identification number, user identification, or other unique personal identifier used to communicate in electronic systems, but only if the identifier cannot be used to gain access to education records except when used in conjunction with one or more factors that authenticate the user's identity, such as a personal identification number (PIN), password, or other factor known or possessed only by the authorized user.

In addition, the district may disclose a student identification number or other unique personal identifier that is displayed on a student identification badge, but only if the identifier cannot be used to gain access to education records except when used in conjunction with one or more factors that authenticate the user's identity, such as a PIN, password, or other factor known or possessed only by the authorized user.

Regulation 5131.41: Use Of Seclusion And Restraint

Status: DRAFT

Original Adopted Date: 12/01/2018 | **Last Revised Date:** 06/07/2023

District staff shall enforce standards of appropriate student conduct in order to provide a safe and secure environment for students and staff on campus, but are prohibited from using seclusion and behavioral restraint to control student behavior except as authorized by law when the behavior poses a clear and present danger of serious physical harm to the student, other students, or others on campus, and that cannot be immediately prevented by a less restrictive response.

Definitions

Behavioral restraint includes mechanical restraint or physical restraint used as an intervention when a student presents an immediate danger to self or to others. Behavioral restraint does not include postural restraints or devices used to improve a student's mobility and independent functioning rather than to restrict movement. (Education Code 49005.1)

Mechanical restraint means the use of a device or equipment to restrict a student's freedom of movement. Mechanical restraint does not include the use of devices as prescribed by an appropriate medical or related services professional, including, but not limited to, adaptive devices or mechanical supports used to achieve proper body position, balance, or alignment; vehicle safety restraints during the transport of a student; restraints for medical immobilization; or orthopedically prescribed devices which permit a student to participate in activities without risk of harm. Mechanical restraint also does not include the use of devices by peace officers or security personnel for detention or for public safety purposes. (Education Code 49005.1)

Physical restraint means a personal restriction that immobilizes or reduces the ability of a student to move the torso, arms, legs, or head freely. Physical restraint does not include a physical escort in which a staff member temporarily touches or holds the student's hand, wrist, arm, shoulder, or back for the purpose of inducing a student who is acting out to walk to a safe location. Physical restraint also does not include the use of force by peace officers or security personnel for detention or for public safety purposes. (Education Code 49005.1)

Seclusion means the involuntary confinement of a student alone in a room or an area from which the student is physically prevented from leaving. Seclusion does not include a timeout involving the monitored separation of the student in an unlocked setting, which is implemented for the purpose of calming the student. (Education Code 49005.1)

Prohibitions

Seclusion and behavioral restraint of students shall not be used in any form as a means of coercion, discipline, convenience, or retaliation. (Education Code 49005.8)

Additionally, staff shall not take any of the following actions: (Education Code 49005.2, 49005.8)

1. Administer a drug that is not a standard treatment for a student's medical or psychiatric condition in order to control the student's behavior or restrict the student's freedom of movement
2. Use locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use as a locked room
3. Use a physical restraint technique that obstructs a student's respiratory airway or impairs a student's breathing or respiratory capacity, including a technique in which a staff member places pressure on the student's back or places the staff member's body weight against the student's torso or back
4. Use a behavioral restraint technique that restricts breathing, including, but not limited to, the use of a pillow, blanket, carpet, mat, or other item to cover a student's face
5. Use prone restraint, defined as the application of a behavioral restraint on a student in a facedown position for any period of time and includes prone containment (Education Code 49005.1)
6. Use a behavioral restraint for longer than is necessary to contain the behavior that poses a clear and present

danger of serious physical harm to the student or others

Limited Use of Seclusion or Restraint

Staff shall avoid the use of seclusion and behavioral restraint of students whenever possible. Seclusion or behavioral restraint may be used only to control student behavior that poses a clear and present danger of serious physical harm to the student or others, which cannot be immediately prevented by a response that is less restrictive. (Education Code 49005.4, 49005.6, 49005.8)

When used, seclusion or restraint shall not be applied for longer than is necessary to contain the dangerous behavior. For any situation that requires a prolonged use of an emergency intervention, staff shall seek the assistance of the principal or law enforcement agency, as applicable to the situation. (Education Code 56521.1)

If a student is put in seclusion, the student shall be under constant, direct observation of a staff member. Such observation may be through a window or another barrier through which the staff member is able to make direct eye contact with the student, but shall not be made through indirect means such as a security camera or closed-circuit television. (Education Code 49005.8)

If a student is restrained, staff shall afford the student the least restrictive alternative and the maximum freedom of movement, and shall use the least number of restraint points, while ensuring the physical safety of the student and others. (Education Code 49005.8)

Seclusion or restraint may only be applied to a student with disabilities in accordance with rules specified in Administrative Regulation 6159.4 - Behavioral Interventions for Special Education Students. Staff may not apply seclusion or restraint to students with disabilities based on assumptions or stereotypes about disabilities or students with disabilities or for behavior that would not result in restraint or seclusion for students without disabilities.

The Superintendent or designee shall provide training to staff in the safe and effective use of seclusion and restraint, as appropriate.

Documentation of Seclusion and Restraint

Parents/guardians and, if appropriate, residential care providers shall be notified within one school day whenever an emergency intervention is used or serious property damage occurs. (Education Code 56521.1)

A behavior emergency report shall be completed and forwarded to the Superintendent or designee for review. This report shall include: (Education Code 56521.1)

1. The name and age of the student
2. The setting and location of the incident
3. The name of the staff or other persons involved
4. A description of the incident and the emergency intervention used
5. A statement of whether the student is currently engaged in a systematic behavior intervention plan
6. Details of any injuries sustained by the student or others, including staff, as a result of the incident

Reports

The Superintendent or designee shall annually collect data on the number of times that seclusion, mechanical restraint, and physical restraint were used on students and the number of students subjected to such techniques. The data shall be disaggregated by race/ethnicity and gender, and reported for students with a Section 504 plan, students with an individualized education program, and all other students. This report shall be posted on the district's website and submitted to the California Department of Education no later than three months after the end of each school year, and shall be available as a public record pursuant to Government Code 7920.000-7930.215. (Education Code 49006)

Policy 5145.3: Nondiscrimination/Harassment

Status: DRAFT

Original Adopted Date: 10/01/2014 | **Last Revised Date:** 09/11/2024

The Governing Board desires to provide a welcoming, safe, and supportive school environment that allows all students equal access to and opportunities in the district's academic, extracurricular, and other educational support programs, services, and activities.

This policy shall apply to all acts constituting unlawful discrimination or harassment related to district activity or attendance, to acts which occur off campus or outside of district-related or district-sponsored activities but which may have an impact or create a hostile environment at school, and to all acts of the Board and the Superintendent in enacting policies and procedures that govern the district.

The Board prohibits, at any district school or activity, unlawful discrimination, including discriminatory harassment, intimidation, and bullying, against an individual or group based on one, or a combination of two or more, protected characteristics, which include, but may not be limited to, race or ethnicity; ancestry; color; ethnic group identification; nationality; national origin; immigration status; sex; sexual orientation; sex stereotypes; gender; gender identity; gender expression; religion; disability; medical condition; genetic information; pregnancy, false pregnancy, childbirth, termination of pregnancy, or related conditions or recovery; and parental, marital, and family status; a perception of one or more of such characteristics; or association with a person or group with one or more of these actual or perceived characteristics. (Education Code 200, 210.1, 210.2, 212, 212.1, 220, 221.51, 230, 260; Government Code 11135, 12926; 20 USC 1681-1688, 42 USC 2000d-2000d-7)

Unlawful discrimination, including discriminatory harassment, intimidation, or bullying, may result from physical, verbal, nonverbal, or written conduct based on any of the categories listed above. Unlawful discrimination also occurs when prohibited conduct is so severe, persistent, or pervasive that it affects a student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; has the effect of substantially or unreasonably interfering with a student's academic performance; or otherwise adversely affects a student's educational opportunities.

Unlawful discrimination also includes disparate treatment of students based on one of the categories above with respect to the provision of opportunities to participate in district programs or activities or the provision or receipt of educational benefits or services.

Because unlawful discrimination could occur when disciplining students, including suspension and expulsion, the Superintendent or designee shall ensure that staff enforce discipline rules fairly, consistently and in a non-discriminatory manner, as specified in Board Policy and Administrative Regulation 5144 - Discipline, Board Policy and Administrative Regulation 5144.1 - Suspension and Expulsion/Due Process, and Administrative Regulation 5144.2 - Suspension and Expulsion/Due Process (Students With Disabilities).

The Board also prohibits any form of retaliation against any individual who reports or participates in the reporting of unlawful discrimination, files or participates in the filing of a complaint, or investigates, participates, or refuses to participate in the investigation of a complaint or report alleging unlawful discrimination. Retaliation complaints shall be investigated and resolved in the same manner as a discrimination complaint.

The Superintendent or designee shall facilitate students' access to the educational program by publicizing the district's nondiscrimination policy and related complaint procedures to students, parents/guardians, and employees. In addition, the Superintendent or designee shall post the district's policies prohibiting discrimination, harassment, intimidation, and bullying and other required information on the district's website in a manner that is easily accessible to parents/guardians and students, in accordance with law and the accompanying administrative regulation. (Education Code 234.1, 234.6; 34 CFR 106.8)

The Superintendent or designee shall provide training and/or information on the scope and use of the policy and complaint procedures and take other measures designed to increase understanding of the requirements of law related to discrimination. The Superintendent or designee shall regularly review the implementation of the district's nondiscrimination policies and practices and, as necessary, shall take action to remove any identified barrier to

student access to or participation in the district's educational program. The Superintendent or designee shall report the findings and recommendations to the Board after each review.

Regardless of whether a complainant complies with the writing, timeline, and/or other formal filing requirements, all complaints alleging unlawful discrimination, including discriminatory harassment, intimidation, or bullying, shall be investigated and prompt action taken to stop the discrimination, prevent recurrence, and address any continuing effect on students.

Students who engage in unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, in violation of law, Board policy, or administrative regulation shall be subject to appropriate consequence or discipline, which may include suspension or expulsion when the behavior is severe or pervasive as defined in Education Code 48900.4. Any employee who permits or engages in prohibited discrimination related to a district activity, attendance, or district-related or district-sponsored activity, including discriminatory harassment, intimidation, retaliation, or bullying, shall be subject to disciplinary action, up to and including dismissal.

When a student has been suspended, or other means of correction have been implemented against the student for an incident of racist bullying, harassment, or intimidation, the principal or designee may engage both the victim and perpetrator in a restorative justice practice suitable to the needs of the students. The principal or designee may also require the perpetrator to engage in a culturally sensitive program that promotes racial justice and equity and combats racism and ignorance and regularly check on the victim to ensure that the victim is not in danger of suffering from any long-lasting mental health issues. (Education Code 48900.5)

When appropriate based on the severity or pervasiveness of the bullying, the Superintendent or designee shall notify the parents/guardians of victims and perpetrators and may contact law enforcement.

Complaints alleging unlawful discrimination in district programs and activities shall be investigated and resolved in accordance with Board Policy 1312.3 - Uniform Complaint Procedures, when required by law. However, complaints alleging sexual harassment under Title IX shall be investigated and resolved in accordance with the procedures specified in Administrative Regulation 5145.71 - Title IX Sexual Harassment Complaint Procedures.

Record-Keeping

The Superintendent or designee shall maintain a record of all reported cases of unlawful discrimination, including discriminatory harassment, intimidation, or bullying, to enable the district to monitor, address, and prevent repetitive prohibited behavior in district schools.

Students who feel that they have been subjected to unlawful discrimination described above or in district policy are strongly encouraged to immediately contact the Compliance Officer, Title IX Coordinator, principal, or any other staff member. In addition, students who observe any such incident are strongly encouraged to report the incident to the Compliance Officer, Title IX Coordinator, or principal, regardless of whether the alleged victim files a complaint.

Any district employee who observes an incident of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, or to whom such an incident is reported, shall report the incident to the Compliance Officer, Title IX Coordinator, or principal within one workday, regardless of whether the alleged victim files a complaint.

Any school employee who witnesses an incident of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, shall immediately intervene to stop the incident when it is safe to do so. (Education Code 234.1)

When a report of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, is made to or received by the principal, Compliance Officer, or Title IX Coordinator, the principal, Compliance Officer, or Title IX Coordinator shall notify the student or parent/guardian of the right to file a formal complaint in accordance with Administrative Regulation 1312.3 - Uniform Complaint Procedures or, for complaints of sexual harassment that meet the federal Title IX definition, Administrative Regulation 5145.71 - Title IX Sexual Harassment Complaint Procedures. Once notified verbally or in writing, the Compliance Officer or Title IX Coordinator shall begin the investigation and shall implement immediate measures necessary to stop the discrimination and ensure that all students have access to the educational program and a safe school environment. Any interim measures adopted to address unlawful discrimination shall, to the extent possible, not disadvantage the complainant or a student who is the victim of the alleged unlawful discrimination.

Any report or complaint alleging unlawful discrimination by the principal, Compliance Officer, Title IX Coordinator, or any other person to whom a report would ordinarily be made or complaint filed shall instead be made to or filed with the Superintendent or designee who shall determine how the complaint will be investigated.

Support for Intersex, Nonbinary, Transgender and Gender-Nonconforming Students

Gender refers to a student's sex, and includes a student's gender identity and gender expression. (Education Code 210.7)

Gender identity refers to a student's gender-related identity, appearance, or behavior as determined from the student's internal sense, regardless of whether that gender-related identity, appearance, or behavior is different from that traditionally associated with the student's physiology or assigned sex at birth.

Gender expression refers to a student's gender-related appearance and behavior, regardless of whether stereotypically associated with the student's assigned sex at birth. (Education Code 210.7)

Gender transition refers to the process in which a student changes from living and identifying as the sex assigned to the student at birth to living and identifying as the sex that corresponds to the student's gender identity.

Gender-nonconforming refers to when a student's gender expression differs from stereotypical expectations.

Intersex refers to when a student has natural bodily variations in anatomy, hormones, chromosomes, and other traits
Board Agenda Packet - August 13, 2025

that differ from expectations generally associated with female and male bodies.

Nonbinary refers to when a student's gender identity falls outside of the traditional conception of strictly either female or male, regardless of whether the student identifies as transgender, was born with intersex traits, uses gender-neutral pronouns, or uses agender, genderqueer, pangender, gender nonconforming, gender variant, or such other more specific term to describe their gender.

Sex refers to the biological condition of being a female or male human being. (5 CCR 4910)

Transgender refers to when a student's gender identity is different from the sex assigned at birth.

The district shall ensure that all students, regardless of sex, gender, gender identity or gender expression, are afforded the same rights, benefits, and protections provided to students by law and Board policy. To do so, the Superintendent or designee shall address each situation that arises on a case-by-case basis and in accordance with the following guidelines:

1. **Acceptance of a Student's Gender Identity:** The district shall accept the student's assertion of the student's gender identity and treat the student consistent with that gender identity unless district personnel present a credible and supportable basis for believing that the student's assertion is for an improper purpose
2. **Use of Names and Pronouns:** Upon request by a student, district personnel shall address the student by the requested name and pronoun(s), without the necessity of a court order or a change to the student's mandatory permanent student record

Inadvertent slips or honest mistakes by district personnel in the use of the student's name and/or pronouns may not constitute a violation of this administrative regulation or the accompanying Board policy.

3. **Accessibility to Sex-Segregated Facilities, Programs, and Activities:** When the district maintains sex-segregated facilities, such as restrooms and locker rooms, or offers sex-segregated programs and activities, such as physical education classes, intermural sports, and interscholastic athletic programs, students shall be permitted to access facilities and participate in programs and activities consistent with their gender identity

Additionally, a student shall be permitted to participate in accordance with the student's gender identity in other circumstances where students are separated by sex, such as for class discussions, yearbook pictures, and field trips.

To address any student's privacy concerns in using sex-segregated facilities, the district shall consider offering a gender-neutral or single-use restroom or changing area, a bathroom stall with a door, an area in the locker room separated by a curtain or screen, or use of the locker room before or after the other students. However, in no case shall the district require a student to utilize these options because of the student's sex, gender, gender identity, or gender expression. A student's right to participate in a sex-segregated activity in accordance with the student's gender identity shall not render invalid or inapplicable any other eligibility rule established for participation in the activity.

Beginning July 1, 2026, each school shall provide and maintain at least one all-gender restroom for student use that meets the requirements of Education Code 35292.5.

4. **Adherence to Uniforms/Dress Code:** A student has the right to dress in a manner consistent with the student's gender identity, subject to any dress code adopted on a school site, which may not discriminate on the basis of sex, gender, gender identity or gender expression
5. **Equal Access to Educational Programs and Activities:** Upon request by a student based on the student's gender identity or gender expression, the Compliance Officer shall identify and develop strategies for ensuring that the student's access to educational programs and activities is maintained

The Compliance Officer shall consider the rights of all students and how those rights may affect and be affected by the rights of other students. Additionally, the Compliance Officer shall identify specific school site employee(s) to whom the student may report any problem related to the student's sex, gender, gender identity, or gender expression so that prompt action can be taken to address it. Alternatively, if appropriate and desired by the student, the school may form a support team for the student that will meet periodically to assess whether the arrangements for the student are providing equal access to programs and activities.

6. Right to privacy: A student's sex, gender, gender identity, and gender status is private information

The district may only disclose such information to others when the disclosure is permitted by law, with the student's prior written consent, or when the district has compelling evidence that disclosure is necessary to preserve the student's physical or mental well-being. (Education Code 220.3, 220.5; 34 CFR 99.31, 99.36)

7. Student Records: A student's sex and legal name shall be maintained as part of a student's mandatory permanent student record as specified in 5 CCR 432 and shall only be changed with proper documentation (Education Code 49061-49072)

When a request to change a student's gender or name is submitted without proper documentation, any change to the student's gender or name shall be applied only to documents not included in the mandatory permanent student record such as attendance sheets, report cards, and school identification.

The Superintendent or designee shall follow this guideline such that it does not change or alter the obligations of the district to maintain student records in accordance with Board Policy/Administrative Regulation 5125 - Student Records, and to ensure access to such records in accordance with Board Policy/Administrative Regulation 1340 - Access to District Records.

The district prohibits any act of verbal, nonverbal, or physical aggression, intimidation, or hostility, including any such act based on sex, gender, gender identity, or gender expression, or that have the purpose or effect of producing a negative impact on the student's academic performance or of creating an intimidating, hostile, or offensive educational environment, regardless of whether the acts are sexual in nature, including, but not limited to:

1. Refusing to address or refer to a student in a manner consistent with the student's gender identity
 2. Disciplining a student or excluding the student from participating in activities, for behavior or appearance that is consistent with the student's gender identity or that does not conform to stereotypical notions of masculinity or femininity
 3. Blocking, prohibiting, or restricting a student's entry to the restroom that corresponds to the student's gender identity
 4. Disclosing student records that reveal a student's gender identity to individuals who do not have a legitimate need for the information except as permitted by law
 5. Verbally or physically assaulting a student because of the student's sex, gender, gender identity, or gender expression, including, but not limited to, causing, attempting to cause, threatening to cause, or participating in an act of hate violence on the basis of sex, gender, gender identity, or gender expression

Policy 5145.6: Parent/Guardian Notifications

Status: DRAFT

Original Adopted Date: 03/01/2007 | **Last Revised Date:** 09/11/2024

The Governing Board desires to promote effective communication from the district and/or school to families to keep families informed regarding educational programs, school operations, and the legal rights of students and parents/guardians. The Superintendent or designee shall send parents/guardians all notifications required by law and any other notifications the Superintendent or designee believes will promote familial understanding and involvement.

Notice of the rights and responsibilities of parents/guardians as specified in Education Code 48980 shall be sent at the beginning of each academic year and may be provided by regular mail, in electronic form when so requested by the parent/guardian, or by any other method normally used by the district for written communication with parents/guardians. (Education Code 48981)

No activity specified in Education Code 48980 shall be undertaken with respect to any particular student unless the student's parent/guardian has been informed of such action through the annual notification or other separate special notification. Such notice shall state the activity that will be undertaken and the approximate date on which the activity will occur. (Education Code 48983-48984)

The annual notification shall include a request that the parent/guardian sign the notice and return it to the school or, if the notice is provided in electronic format, that the parent/guardian submit a signed acknowledgment of receipt of the notice to the school. The parent/guardian's signature is not required. Any signature is an acknowledgment of receipt of the information but does not indicate that consent to participate in any particular program has been given or withheld. (Education Code 48982)

Whenever a student enrolls in a district school during the school year, the student's parents/guardians shall be given all required parental notifications at that time.

Notifications shall be presented in an understandable and uniform format.

When necessary, the district shall provide notifications to qualified individuals with disabilities in alternative formats, such as braille, large font, or audio recordings, to enable such individuals to effectively participate in any program, service, or activity, as required by law.

Whenever 15 percent or more of the students enrolled in a district school speak a single primary language other than English, as determined from the California Department of Education census data collected pursuant to Education Code 52164, all notices sent to the parent/guardian of any such student shall, in addition to being written in English, be written in the primary language, and may be responded to either in English or the primary language. (Education Code 48981, 48985)

Whenever an employee learns that a student's parent/guardian is unable to understand the district's printed notifications for any reason, the employee shall inform the principal or designee, who shall work with the parent/guardian to establish other appropriate means of communication.

Cautionary Notice: Government Code 17581.5 releases districts from the obligation to perform specified mandated activities when the Budget Act does not provide reimbursement during that fiscal year. The Budget Act of 2024 (AB 107, Ch. 22, Statutes of 2024) extends the suspension of these requirements through the 2024-25 fiscal year. As a result, certain provisions of the following Exhibit related to scoliosis screening and bus safety instruction may be suspended.

Policy 5145.7: Sexual Harassment

Status: DRAFT

Original Adopted Date: 03/01/2012 | **Last Revised Date:** 09/11/2024

The district does not discriminate on the basis of sex in any of its programs or activities and complies with Title IX of the Education Amendments of 1972 and its implementing regulations.

The Governing Board is committed to maintaining a welcoming, safe, and supportive school environment that is free from discrimination and harassment. The Board prohibits at district or at district-sponsored or district-related activities, sexual harassment, as defined in the accompanying administrative regulation, targeted at any student.

Additionally, the Board prohibits retaliatory behavior or action against any person who reports, files a complaint, testifies about, assists with, or otherwise supports a complainant in alleging sexual harassment, or otherwise participates or refuses to participate in the complaint process established for the purpose of this policy. (Education Code 220.1, 221.8; 34 CFR 106.71)

The district strongly encourages students who feel that they are being or have experienced sexual harassment on district grounds or at a district-sponsored or district-related activity, or off-campus when the conduct has a continuing effect on campus, to immediately contact their teacher, the principal, the district's Title IX Coordinator, or any other available school employee.

Any employee who receives a report or observes an incident of sexual harassment by or against a student in a district education program or activity shall report the incident to the Title IX Coordinator within one workday.

Once notified, the Title IX Coordinator shall ensure that the complaint alleging sexual harassment is addressed through Administrative Regulation 5145.71 - Title IX Sexual Harassment Complaint Procedures or Board Policy/Administrative Regulation 1312.3 - Uniform Complaint Procedures, as applicable. Additionally, the Title IX Coordinator shall ensure that any implementation of Administrative Regulation 5145.71 - Title IX Sexual Harassment Complaint Procedures concurrently meets the requirements of Board Policy/Administrative Regulation 1312.3 - Uniform Complaint Procedures.

The Title IX Coordinator shall offer and coordinate supportive measures to the complainant and respondent, as deemed appropriate under the circumstances.

The Superintendent or designee shall inform students and parents/guardians of this policy in the manner specified in the accompanying administrative regulation.

The Superintendent or designee shall ensure that all district staff are trained regarding this policy, and that employees required to receive training related to their duties under Title IX receive training as specified in Administrative Regulation 4119.11/4219.11/4319.11 - Sexual Harassment. (Government Code 12950.1; 2 CCR 11023, 11024; 34 CFR 106.45)

Instruction/Information

The Superintendent or designee shall ensure that all district students receive age-appropriate information on sexual harassment. Such instruction and information shall include:

1. What acts and behavior constitute sexual harassment, including the fact that sexual harassment could occur between people of the same sex and could involve sexual violence
2. A clear message that students do not have to endure sexual harassment under any circumstance
3. Encouragement to report observed incidents of sexual harassment even when the alleged victim of the harassment has not complained

4. A clear message that student safety is the district's primary concern, and that any separate rule violation involving an alleged victim or any other person reporting a sexual harassment incident will be addressed separately and will not affect the manner in which the sexual harassment complaint will be received, investigated, or resolved
5. A clear message that, regardless of a complainant's noncompliance with the writing, timeline, or other formal filing requirements, every sexual harassment allegation that involves a student, whether as the complainant, respondent, or victim of the harassment, shall be investigated and action shall be taken to respond to the harassment, prevent recurrence, and address any continuing effect on students
6. Information about the district's procedures for investigating complaints and the person(s) to whom a report of sexual harassment should be made
7. Information about the rights of students and parents/guardians to file a civil or criminal complaint, as applicable, including the right to file a civil or criminal complaint while the district investigation of a sexual harassment complaint continues
8. A clear message that, when needed, the district will implement supportive measures to ensure a safe school environment for a student who is the complainant or victim of sexual harassment and/or other students during an investigation

Disciplinary Actions

Upon completion of an investigation of sexual harassment, any student found to have engaged in sexual harassment or sexual violence in violation of this policy shall be subject to disciplinary action. For students in grades 4-12, disciplinary action may include suspension and/or expulsion, provided that, in imposing such discipline, the entire circumstances of the incident(s) shall be taken into account.

Upon completion of an investigation of sexual harassment, any employee found to have engaged in sexual harassment or sexual violence toward any student shall be subject to disciplinary action, up to and including dismissal, in accordance with law and the applicable collective bargaining agreement.

Record-Keeping

The Superintendent or designee shall maintain records in accordance with law, including in accordance with Administrative Regulation 5145.71 - Title IX Sexual Harassment Complaint Procedures, and district policies and regulations, of all reported cases of sexual harassment to enable the district to monitor, address, and prevent repetitive harassing behavior in district schools.

For purposes of applying the complaint procedures specified in Title IX, sexual harassment is defined as any of the following forms of conduct that occurs in an education program or activity in which a district school exercises substantial control over the context and respondent: (34 CFR 106.30, 106.44)

1. A district employee conditioning the provision of a district aid, benefit, or service on the student's participation in unwelcome sexual conduct
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a student equal access to the district's education program or activity
3. Sexual assault, dating violence, domestic violence, or stalking as defined in 20 USC 1092 or 34 USC 12291

The poster shall display the rules and procedures for reporting a charge of sexual harassment; the name, phone number, and email address of an appropriate school employee to contact to report sexual harassment; the rights of the reporting student, the complainant, and the respondent; and the responsibilities of the school. Within one workday of receiving such a report, the principal or other school employee shall forward the report to the district's Title IX Coordinator. Any school employee who observes an incident of sexual harassment shall, within one workday, report the observation to the Title IX Coordinator as specified in the accompanying Board policy. The report shall be made regardless of whether the alleged victim files a formal complaint or requests confidentiality.

When a report or complaint of sexual harassment involves off-campus conduct, the Title IX Coordinator shall assess whether the conduct may create or contribute to the creation of a hostile school environment. If the Title IX Coordinator determines that a hostile environment may be created, the complaint shall be investigated and resolved in the same manner as if the prohibited conduct occurred at school.

When a verbal or informal report of sexual harassment is submitted, the Title IX Coordinator shall inform the student or parent/guardian of the right to file a formal written complaint in accordance with applicable district complaint procedures.

All complaints alleging sexual harassment against students in the school setting shall be investigated and resolved in accordance with law and district procedures. The district's Title IX Coordinator shall review the allegations to determine the applicable procedure for responding to the complaint. Other sexual harassment complaints shall be investigated and resolved pursuant to Board Policy and Administrative Regulation 1312.3 - Uniform Complaint Procedures.

Regulation 5145.71: Title IX Sexual Harassment Complaint Procedures

Status: DRAFT

Original Adopted Date: 07/01/2020 | **Last Revised Date:** 09/11/2024

The complaint procedures described in this administrative regulation shall be used to address any complaint governed by Title IX of the Education Amendments of 1972 alleging that a student, while in an education program or activity in which a district school exercises substantial control over the context and respondent, was subjected to one or more of the following forms of sexual harassment: (34 CFR 106.30, 106.44)

1. A district employee conditioning the provision of a district aid, benefit, or service on the student's participation in unwelcome sexual conduct
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a student equal access to the district's education program or activity
3. Sexual assault, dating violence, domestic violence, or stalking as defined in 20 USC 1092 or 34 USC 12291

For a complaint governed by Title IX based on conduct that occurred, in whole or in part, between August 1, 2024 and January 9, 2025, or prior to August 14, 2020, the Title IX Coordinator shall consult with district legal counsel to determine which procedures to use.

All other complaints alleging sexual harassment brought by or on behalf of students shall be investigated and resolved in accordance with Board Policy/Administrative Regulation 1312.3 - Uniform Complaint Procedures. The determination over which process shall be used to investigate and resolve a complaint shall be made by the district's Title IX Coordinator.

The Title IX Coordinator shall ensure that all requirements and timelines for Board Policy/Administrative Regulation 1312.3 - Uniform Complaint Procedures are concurrently met while implementing the Title IX procedure.

Basic Requirements

When implementing Title IX grievance procedures, the district shall: (34 CFR 106.45)

1. Treat complainants and respondents equitably by providing remedies to a complainant where a determination of responsibility for sexual harassment has been made against the respondent and by following a grievance process in accordance with 34 CFR 106.45 before the imposition of any disciplinary sanctions or other actions that are not supportive measures, as defined in 34 CFR 106.30, against a respondent

Remedies following a determination of responsibility for sexual harassment shall be designed to restore or preserve equal access to the district's education program or activity, and shall be provided in accordance with "Remedies," below.

2. Require an objective evaluation of all relevant evidence, including both inculpatory and exculpatory evidence, and provide that credibility determination may not be based on a person's status as complainant, respondent, or witness
3. Ensure that the Title IX Coordinator, investigator, decisionmaker, or any person that facilitates an informal resolution process, does not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent, and that such individuals receive training in accordance with 34 CFR 106.45
4. Presume that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process
5. Include reasonably prompt timeframes for the conclusion of the grievance process, including reasonably prompt timeframes for filing and resolving appeals, and informal resolution processes if appropriate and offered by the district

The district's procedures shall also include a process that allows for the temporary delay of the grievance procedures or the limited extension of timeframes for good cause with written notice to the complainant and

the respondent of the delay or extension and the reasons for the action. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities.

6. Describe the range of, or list, the possible disciplinary sanctions and remedies that the district may implement following any determination of responsibility
7. State whether the standard of evidence to be used to determine responsibility is the preponderance of the evidence standard or the clear and convincing evidence standard, and apply the same standard of evidence to formal complaints against students and employees and to all formal complaints of sexual harassment
8. Include the procedures and permissible bases for the complainant and respondent to appeal
9. Describe the range of supportive measures available to complainants and respondents
10. Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege

Additionally, the district shall not disclose the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act statute or regulations, as required by law, or to carry out the purposes of Title IX, including the conduct of any investigation, hearing, or judicial proceeding arising under Title IX. (34 CFR 106.30, 106.71)

Reporting Allegations/Filing a Formal Complaint

A student who is the alleged victim of sexual harassment or the student's parent/guardian may submit a report of sexual harassment to the district's Title IX Coordinator using the contact information listed in Administrative Regulation 5145.7 - Sexual Harassment, or to any other available school employee, who shall forward the report to the Title IX Coordinator within one workday of receiving the report.

Upon receiving such a report, the Title IX Coordinator shall inform the complainant of the right to file a formal complaint and the process for filing a formal complaint. (34 CFR 106.44)

A formal complaint shall include the complainant's physical or digital signature, or another indication that the complainant is the person filing the complaint, and be filed with the Title IX Coordinator in person, by mail, by email, or by any other method authorized by the district. (34 CFR 106.30)

If the district has actual knowledge of sexual harassment or allegations of sexual harassment but the alleged victim does not file a formal complaint, the Title IX Coordinator may file a formal complaint and, in situations when an imminent safety threat exists, shall file a formal complaint. In such cases, the Title IX Coordinator shall provide the alleged victim notices as required by the Title IX regulations at specific points in the complaint process.

Supportive Measures

Upon receipt of a report of Title IX sexual harassment, the Title IX Coordinator shall promptly contact the complainant to discuss the availability of supportive measures and shall consider the complainant's wishes with respect to the supportive measures implemented. Supportive measures shall be offered as appropriate, as reasonably available, and without charge to the complainant or the respondent before or after the filing of a formal complaint or even if no formal complaint has been filed. Such measures shall be nondisciplinary, nonpunitive, and designed to restore or preserve equal access to the district's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district's educational environment or to deter sexual harassment. Supportive measures may include, but are not limited to, counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact, changes in work or housing locations, leaves of absence, increased security, and monitoring of certain areas of the campus. (34 CFR 106.30, 106.44)

The district shall maintain as confidential any supportive measures provided to the complainant or respondent, to the Board Agenda Packet - August 13, 2025

extent that maintaining such confidentiality would not impair the district's ability to provide the supportive measures. (34 CFR 106.30)

Emergency Removal from School

If a student is the respondent, the district may remove the student from the district's education program or activity on an emergency basis, provided that the district conducts an individualized safety and risk analysis, determines that removal is justified due to an immediate threat to the physical health or safety of any student or other individual arising from the allegations, and provides the student with notice and an opportunity to challenge the decision immediately following the removal. Any such removal may not constitute discipline for student record purposes or Board Policy 5144 - Discipline. Additionally, this authority to remove a student does not modify a student's rights under the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act of 1973. (34 CFR 106.44)

If a district employee is the respondent, the employee may be placed on administrative leave during the pendency of the formal complaint process. (34 CFR 106.44)

Dismissal of Complaint

The Title IX Coordinator shall dismiss a formal complaint if the alleged conduct would not constitute sexual harassment as defined in 34 CFR 106.30. Additionally, the Title IX Coordinator shall dismiss a formal complaint in which the alleged conduct did not occur in the district's education program or activity or did not occur against a person in the United States. In addition, the Title IX Coordinator may dismiss a formal complaint if the complainant notifies the district in writing that the complainant would like to withdraw the complaint or any allegations in the complaint, the respondent is no longer enrolled or employed by the district, or sufficient circumstances prevent the district from gathering evidence sufficient to reach a determination with regard to the complaint. (34 CFR 106.45)

Upon dismissal, the Title IX Coordinator shall promptly send written notice of the dismissal and the reasons for the dismissal simultaneously to the parties, and shall inform them of their right to appeal the dismissal in accordance with the appeal procedures described in the section "Appeals" below. (34 CFR 106.45)

If a complaint is dismissed, the conduct may still be addressed pursuant to Board Policy/Administrative Regulation 1312.3 - Uniform Complaint Procedures, as applicable.

Informal Resolution Process

When a formal complaint of sexual harassment is filed the district may offer an informal resolution process, such as mediation, at any time prior to reaching a determination regarding responsibility. (34 CFR 106.45)

The district shall not require a party to participate in the informal resolution process or to waive the right to an investigation and adjudication of a formal complaint, including that the district shall not require such waiver as a condition of enrollment or employment or continuing enrollment or employment. (34 CFR 106.45)

As part of an informal resolution, the parties may agree upon discipline such as suspension or expulsion without the need for an investigation.

The district may facilitate an informal resolution process provided that the district: (34 CFR 106.45)

1. Provides the parties with written notice disclosing the allegations; the requirements of the informal resolution process, including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations; the right to withdraw from the informal process and resume the formal complaint process at any time prior to agreeing to a resolution; and any consequences resulting from the informal resolution process, including that records will be maintained or could be shared
2. Obtains the parties' voluntary, written consent to the informal resolution process
3. Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student

Written Notice

If a formal complaint is filed, the Title IX Coordinator shall provide the known parties with written notice of the following: (34 CFR 106.45)

1. The district's complaint process, including any informal resolution process
2. The allegations potentially constituting sexual harassment with sufficient details known at the time, including the identity of parties involved in the incident if known, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident if known

Such notice shall be provided with sufficient time for the parties to prepare a response before any initial interview. If, during the course of the investigation, new Title IX allegations arise about the complainant or respondent that are not included in the initial notice, the Title IX Coordinator shall provide notice of the additional allegations to the parties.

3. A statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the complaint process
4. The opportunity for the parties to have an advisor of their choice who may be, but is not required to be, an attorney, and the ability to inspect and review evidence
5. The prohibition against knowingly making false statements or knowingly submitting false information during the complaint process

The above notice may also include the name of the investigator, facilitator of an informal process, and decisionmaker and inform the parties that, if at any time a party has concerns regarding conflict of interest or bias regarding any of these persons, the party should immediately notify the Title IX Coordinator.

Consolidation of Complaints

When the allegations of sexual harassment arise out of the same facts or circumstances, the district may consolidate formal complaints alleging sexual harassment against more than one respondent; by more than one complainant against one or more respondents; or by one party against another party. (34 CFR 106.45)

Investigation Procedures

During the investigation process, the district's designated investigator shall: (34 CFR 106.45)

1. Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence
2. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence
3. Provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney
4. Not limit the choice or presence of an advisor for either the complainant or respondent in any meeting or grievance proceeding, although the district may establish restrictions regarding the extent to which the advisor may participate in the proceedings as long as the restrictions apply equally to both parties
5. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all investigative interviews or other meetings, with sufficient time for the party to prepare to participate
6. Provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint including evidence that the district does not intend to rely on in reaching a determination regarding responsibility and inculpatory and

exculpatory evidence whether obtained from a party or other source so that each party can meaningfully respond to the evidence prior to conclusion of the investigation

7. Send in an electronic format or hard copy to both parties and their advisors, if any, the evidence obtained as part of the investigation that is directly related to the allegations raised in the complaint, and provide the parties at least 10 days to submit a written response for the investigator to consider prior to the completion of the investigative report
8. Create an investigative report that fairly summarizes relevant evidence and, at least 10 days prior to the determination of responsibility, send to the parties and their advisors, if any, the investigative report in an electronic format or a hard copy, for their review and written response

Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence are offered to prove that someone other than the respondent committed the conduct alleged by the complainant or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent.

Privacy rights of all parties to the complaint shall be maintained in accordance with applicable state and federal laws.

If the complaint is against an employee, rights conferred under an applicable collective bargaining agreement shall be applied to the extent they do not conflict with the Title IX requirements.

Written Decision

The Superintendent shall designate an employee as the decisionmaker to determine responsibility for the alleged conduct, who shall not be the Title IX Coordinator or a person involved in the investigation. (34 CFR 106.45)

After the investigative report has been sent to the parties but before reaching a determination regarding responsibility, the decisionmaker shall afford each party the opportunity to submit written, relevant questions that the party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party.

The decisionmaker shall issue, and simultaneously provide to both parties, a written decision as to the scope of the respondent's responsibility for the alleged conduct, if any. (34 CFR 106.45)

The written decision shall be issued within 60 calendar days of the receipt of the complaint.

The district may extend the timeline for good cause with written notice to the complainant and respondent of the extension and the reasons for the action. (34 CFR 106.45)

In making this determination, the decisionmaker shall use the "preponderance of the evidence" standard for all formal complaints of sexual harassment. The same standard of evidence shall be used for formal complaints against students as for complaints against employees. (34 CFR 106.45)

The written decision shall include the following: (34 CFR 106.45)

1. Identification of the allegations potentially constituting sexual harassment as defined in 34 CFR 106.30
2. A description of the procedural steps taken from receipt of the formal complaint through the written decision, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held if the district includes hearings as part of the grievance process
3. Findings of fact supporting the determination
4. Conclusions regarding the application of the district's code of conduct or policies to the facts
5. A statement of, and rationale for, the result as to each allegation, including a decision regarding responsibility, any disciplinary sanctions the district imposes on the respondent, and whether remedies designed to restore or preserve equal access to the district's educational program or activity will be provided by the district to the

complainant

6. The district's procedures and permissible bases for the complainant and respondent to appeal

Appeals

Either party may appeal the written decision or dismissal of a formal complaint or any allegation in the complaint, if the party believes that a procedural irregularity affected the outcome, new evidence is available that was not reasonably available at the time the determination regarding responsibility or dismissal was made that could affect the outcome, or a conflict of interest or bias by the Title IX Coordinator, investigator(s), or decisionmaker(s) affected the outcome.

If an appeal is filed, the district shall: (34 CFR 106.45)

1. Notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties
2. Ensure that the decisionmaker(s) for the appeal is trained in accordance with 34 CFR 106.45 and is not the same decisionmaker(s) who reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator
3. Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome
4. Issue a written decision describing the result of the appeal and the rationale for the result
5. Provide the written decision simultaneously to both parties

An appeal shall be filed in writing within 10 calendar days of receiving the notice of the decision or dismissal, stating the grounds for the appeal and including any relevant documentation in support of the appeal. Appeals submitted after this deadline are not timely and shall not be considered.

A written decision shall be provided to the parties within 20 calendar days from the receipt of the appeal.

Either party has the right to file a complaint with the U.S. Department of Education's Office for Civil Rights within 180 days of the date of the most recently alleged misconduct.

The complainant shall be advised of any civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders that may be available under state or federal antidiscrimination laws, if applicable.

Remedies

When a determination of responsibility for sexual harassment has been made against the respondent, the district shall provide remedies to the complainant as appropriate. Such remedies may include the same individualized services described above in the section "Supportive Measures," but need not be nondisciplinary or nonpunitive and need not avoid burdening the respondent. (34 CFR 106.45)

Corrective/Disciplinary Actions

The district may impose disciplinary sanctions or other actions after the complaint procedure has been completed and a determination of responsibility has been made. (34 CFR 106.44, 106.45)

For students in grades 4-12, discipline for sexual harassment may include suspension and/or expulsion in accordance with Board Policy and Administrative Regulation 5144.1 - Suspension/Expulsion and Administrative Regulation 5144.2 - Suspension and Expulsion/Due Process (Students with Disabilities). (Education Code 48900.2, 48915)

Other actions that may be taken with a student who is determined to be responsible for sexual harassment include, but are not limited to:

1. Transfer from a class or school as permitted by law
2. Conference with parent/guardian
3. Educating the student regarding the impact of the student's conduct on others
4. Positive behavior support
5. Referral of the student to a student success team
6. Denial of participation in extracurricular or cocurricular activities or other privileges as permitted by law

When an employee is found to have committed sexual harassment or retaliation, the district shall take appropriate disciplinary action, up to and including dismissal, in accordance with applicable law and collective bargaining agreement.

Record-Keeping

The Superintendent or designee shall maintain, for a period of seven years: (34 CFR 106.45)

1. A record of all reported cases and Title IX investigations of sexual harassment, any determinations of responsibility, any audio or audiovisual recording and transcript if applicable, any disciplinary sanctions imposed, any remedies provided to the complainant, and any appeal or informal resolution and the results therefrom
2. Original Adopted Date: 12/01/2013 | **Last Revised Date:** 09/11/2024

The Governing Board recognizes that responsibilities pertaining to marriage, pregnancy, or parenting, including related obligations, conditions, or recovery, may disrupt a student's education and increase the chance of a student dropping out of school. The Board desires to minimize interruption to such students' educational progress by supporting married, pregnant, and parenting students in their continued education, assisting them to attain strong academic and parenting skills, and promoting the healthy development of their child(ren).

The district shall not exclude or deny any student from any educational program or activity, including any class or extracurricular activity, solely on the basis of the student's actual or potential pregnancy, childbirth, false pregnancy, termination of pregnancy, or related conditions or recovery. In addition, the district shall not adopt any rule concerning a student's actual or potential parental, family, or marital status that treats a student differently on the basis of sex. (Education Code 221.51, 230; 5 CCR 4950; 34 CFR 106.40)

A student's participation in such programs shall be voluntary. (Education Code 221.51; 5 CCR 4950)

If required for students with any other temporary disabling condition, the Superintendent or designee may require a student, based on pregnancy, childbirth, false pregnancy, termination of pregnancy, or related conditions or recovery, to obtain certification from a physician or nurse practitioner indicating that the student is physically and emotionally able to continue participation in the education program or activity. The Governing Board recognizes that reading and other language arts constitute the basic foundation for learning in other areas of study. The Board desires to offer a comprehensive, balanced reading/language arts program that ensures all students have the skills necessary to read fluently and for meaning, and develops students' appreciation for literature. The program shall integrate reading, and oral and written language arts activities in order to build effective communication skills, including listening, speaking, and composition.

For each grade level, the Board shall adopt instructional materials that meet or exceed the Common Core State Standards in the following strands:

(Education Code 53008)

The district shall annually assess each student in grades kindergarten-2 for risk of reading difficulties. In determining when during the school year to screen students, the district shall consider whether students have received sufficient instruction in foundational reading skills to support a valid assessment. The district may provide additional student screenings or diagnostic evaluations, as appropriate. (Education Code 53008)

If a student enrolls for the first time in grades kindergarten-2 after the screening instrument(s) has been administered, the district shall assess the student within 45 calendar days of enrollment, unless either: (Education Code 53008)

Students who do not speak sufficient English to be screened with an English-language instrument shall be screened in their primary language if a screening instrument in their primary language is available. If a screening instrument is not available in at least one language in which a student is proficient, the student shall be screened in accordance with Education Code 53008.

When a student acquires sufficient English language knowledge and fluency to be able to be assessed using the district's screening instrument, or if a screening instrument in their primary language becomes available, the district shall assess that student using the appropriate screening instrument. (Education Code 53008)

A student may be exempted from the screening for risk of reading difficulties if the parent/guardian provides prior written consent and the student meets any of the following criteria: (Education Code 53008)

The district shall, no later than 15 calendar days before administration of the screening instrument(s), provide parents/guardians of students eligible for screening for risk of reading difficulties with information about the screening, including the date(s) of the screening and instructions for how parents/guardians can opt out of their child's screening. (Education Code 53008)

Staffing and Professional Development

Teachers are expected to use a variety of instructional strategies to accommodate the needs of beginning readers and the varying abilities of more advanced readers. Regulation 6159.4: Behavioral Interventions For Special Education Students**Status:** DRAFT**Original Adopted Date:** 10/01/1996 | **Last Revised Date:** 06/23/2021

Generally, any student identified as a student with a disability pursuant to the Individuals with Disabilities Education Act, 20 USC 1400-1482, is subject to the same disciplinary measures applicable to all students for violations of the code of conduct, except when the student's behavior is determined to be a manifestation of the student's disability.

However, when the behavior of a student with a disability impedes the student's learning or the learning of others, the student's individualized education program (IEP) team shall consider the use of positive behavioral interventions and supports and other strategies consistent with 20 USC 1414(d) to address the student's behavior. (Education Code 56521.2; 34 CFR 300.324)

If, pursuant to a manifestation determination conducted as specified in 34 CFR 300.530, the student's behavior is determined to be a manifestation of the student's disability, the IEP team shall conduct a functional behavioral assessment (FBA) and implement a behavioral intervention plan (BIP) for the student. If a BIP is already in place for the student, the IEP team shall review and modify the BIP to address the student's behavior. (Education Code 56520; 34 CFR 300.324, 300.530)

In addition, when the disciplinary removal of a student with a disability will result in a change in the student's placement as specified in 34 CFR 300.530, the student shall receive an FBA and behavioral intervention services and modifications designed to address the student's behavior so that it does not recur. (34 CFR 300.530)

Functional Behavioral Assessment

Any FBA to be conducted for a student with a disability shall focus on identifying the function or purpose of the student's behavior.

Before any FBA is conducted, the Superintendent or designee shall notify the student's parent/guardian in accordance with Education Code 56321 and obtain the parent/guardian's consent. (Education Code 56321; 34 CFR 300.324)

If the parent/guardian disagrees with the result of an FBA, the parent/guardian has the right to obtain an independent educational evaluation at district expense, subject to the conditions specified in 34 CFR 300.502.

Behavioral Intervention Plan and Services

When any behavioral intervention, support, or other strategy is to be used by the district, the Superintendent or designee shall consider the student's physical freedom and social interaction, administer the intervention, support, or other strategy in a manner that respects the student's dignity and personal privacy, and ensure the student's right to be placed in the least restrictive educational environment. (Education Code 56520)

When a student for whom a BIP is to be developed is also the responsibility of another agency for residential care or related services, the Superintendent or designee shall cooperate with the other agency to ensure that the BIP, to the extent possible, is developed and implemented in a consistent manner. (Education Code 56520)

Behavior assessments and behavioral intervention services shall be provided only by individuals who possess the qualifications specified in Education Code 56525 or 5 CCR 3051.23.

Emergency Interventions

Emergency interventions may be used only to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the student or others and that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. Emergency interventions shall not be used as a substitute for a systematic BIP that is designed to change, replace, modify, or eliminate a targeted behavior. (Education Code 56521.1)

No emergency intervention shall be used for longer than is necessary to contain the behavior. For any situation that requires a prolonged use of an emergency intervention, staff shall seek assistance of the principal or law enforcement agency, as applicable to the situation. (Education Code 56521.1)

Emergency interventions shall not involve the use of force exceeding what is reasonable and necessary under the circumstances. In addition, use of locked seclusion, prone restraint, or a device, material, or objects that simultaneously immobilize all hands and feet shall not be allowed except as allowed authorized by law. (Education Code 56521.1)

Parents/guardians and, if appropriate, residential care providers shall be notified within one school day whenever emergency intervention is used or serious property damage occurs. A behavior emergency report shall immediately be completed, kept in the student's file, and forwarded to the Superintendent or designee for review. This report shall include all of the following information: (Education Code 56521.1)

1. The name and age of the student
2. The setting and location of the incident
3. The name of the staff or other persons involved
4. A description of the incident and the emergency intervention used
5. A statement of whether the student is currently engaged in a systematic BIP
6. Details of any injuries sustained by the student or others, including staff, as a result of the incident

If the behavior emergency report is for a student who does not have a BIP, the Superintendent or designee shall, within two days, schedule an IEP team meeting to review the emergency report, determine the necessity for an FBA, and determine the necessity for an interim BIP. The IEP team shall document the reasons for not conducting the FBA and/or not developing the interim BIP. (Education Code 56521.1)

If the behavior emergency report is for a student who has a BIP, any incident involving a previously unseen serious behavior problem or where a previously designed intervention is not effective shall be referred to the IEP team. The IEP team shall review the incident and determine whether the student's plan needs to be modified. (Education Code 56521.1)

The Superintendent or designee shall annually collect data on the number of times that seclusion, mechanical restraint, and physical restraint were used on students and the number of students subjected to such techniques. The data shall be disaggregated by race/ethnicity and gender, and reported for students with a Section 504 plan, students with an IEP, and all other students. This report shall be posted on the district's website and submitted to the California Department of Education no later than three months after the end of each school year and shall be available as a public record pursuant to Government Code 7920.000-7930.215. (Education Code 49006)

Prohibited Interventions

The district prohibits the use of corporal punishment as defined in Education Code 49001 as an intervention. In addition, the district prohibits all of the following: (Education Code 56521.2)

1. Any intervention designed or likely to cause physical pain, including, but not limited to, electric shock
2. Any intervention that involves the release of noxious, toxic, or otherwise unpleasant sprays, mists, or substances near the student's face
3. Any intervention that denies adequate sleep, food, water, shelter, bedding, physical comfort, or access to bathroom facilities
4. Any intervention that is designed to subject, used to subject, or likely to subject the student to verbal abuse, ridicule, or humiliation or that can be expected to cause excessive emotional trauma

5. Any restrictive intervention that uses a device, material, or objects which simultaneously immobilize all hands and feet, including the procedure known as prone containment
 6. Prone restraint
 7. Locked seclusion, unless in a facility otherwise licensed or permitted by state law to use a locked room
 8. Any intervention that precludes adequate supervision of the student
 9. Any intervention that deprives the student of one or more of the student's senses
