TERMS AND CONDITIONS

1. GENERAL SCOPE OF COVERAGE

This Agreement covers the labor, material and parts for repairs necessitated by normal use of the devices listed on the front side and any attached Schedule (the "Devices"), subject to the limitations set forth below. The All-Inclusive Maintenance Services and Managed Print Services includes toner, developer, MK kits and photoreceptor drums in amounts consistent with manufacturers published yields and servicing intervals. Freight charges may be charged, and additional supplies will be billed at the Standard Service Rates. Basic Maintenance Service includes labor and non-consumable repair parts only.

2. SERVICE CALLS

Service calls will be made during normal business hours and at the installation addresses, both of which are shown on the front side of this Agreement. Travel and labor time for service call after normal hours, on weekend and holidays, if and when available, will be charged at overtime rates in effect at the time the service call is made.

3. LIMITATIONS AND EXCLUSIONS

Kyocera's obligation for service and maintenance shall be limited to only those listed Devices. All-Inclusive Maintenance Services and Managed Print Services do not include paper, staples, labels, or transparencies. Basic Maintenance Service does not include toner, developer, imaging units, photoreceptor drums, MK kits, paper, staples, labels or transparencies.

The following services events are not covered under this Agreement and will be invoiced to the Customer at Kyocera's Standard Service Rates. Service calls resulting from:

- a) A malfunction of, or damage caused by, peripheral equipment not listed in the Agreement.
- b) The use of paper and toner or other supplies not meeting Kyocera's specifications.
- c) User error or failure to perform operator maintenance as defined in the operator manuals.
- d) Electrical or mechanical work external to the Devices and/or system.
- e) Repair or replacement of network printing, scanning, faxing functions affected by updates or modifications of the Customer's network.
- f) Repair or replacement of peripheral equipment such as fiery controllers, coin vending equipment, etc., unless added and charged as separate line item in the Agreement.
- g) Operator negligence, misuse, accidents, acts of God, natural disasters, improper storage, and unusual physical or electrical stress.

4. TERM

This annual Agreement shall become effective upon Kyocera's receipt of a signed Agreement and/or payment of the initial annual maintenance charge and shall renew for another annual term upon the anniversary date of the contract. Either party may cancel this Agreement with written notice to the other party 30 days prior to the end of the initial term or any renewal term.

5. RENEWAL TERM

The initial annual charge for maintenance under this Agreement shall be the amount set forth on the front side. The annual maintenance charge with respect to any renewal term will be the charge in effect at the time of renewal. Kyocera may raise the annual Service Agreement charge by up to 15% for any new annual renewal term. Such charges to be assessed on a pro-rated basis. Alternatively, Kyocera shall have the right to cancel the service for those Devices.

6. CUSTOMER METER READING AND REPORTING OBLIGATIONS

Customer agrees to provide Kyocera with accurate and timely meter readings at the end of each applicable billing period through the use of Kyocera Fleet System ("KFS") software during the Initial Term and all subsequent Renewal Terms. The Maintenance Pricing is based on the use of KFS Software. A higher Maintenance Price or an additional service fee may be charged if the Customer elects not to use the KFS Software. If Customer fails to provide Kyocera with timely meter readings, then Kyocera can estimate meter reading and bill Customer base upon Customer's prior usage.

7. TONER USAGE

In All-Inclusive Maintenance Services and Managed Print Services, Kyocera will provide toner in amounts proportionate to Customers contracted page volume. If Customers usage requires excessive amounts of toner, Kyocera will conduct a usage analysis to determine the root cause and share the analysis with Customer. If findings reveal inordinately high toner saturation due to customers specific applications, Kyocera may charge a higher contract rate to offset the excessive toner coverage. Toner stored at Customers location remains the property of Kyocera. Kyocera reserves the right to conduct a physical inventory of stored toner during normal business hours.

8. EQUIPMENT RECONDITIONING

If in its sole discretion, Kyocera determines a shop reconditioning is necessary to keep the Devices unit(s) in working condition, Kyocera will provide the Customer with an estimate of needed repairs, which will be in addition to the charges payable under this Agreement. If the Customer does not authorize such reconditioning, Kyocera may discontinue service of the Devices unit(s) under this Agreement or may refuse to cover the unit(s) upon the expiration of the Agreement. Thereafter, service will be available on a "Per Call" basis at the then current published labor rates plus any parts or supplies required during the service call.

9. RELOCATION AND ADDITION OF DEVICES

Customer is required to immediately notify Kyocera upon installation of any additional equipment and/or movement of covered Devices at Customer's site. Customer shall be responsible for service and freight charges connected with the movement or relocation of Devices. For MPS Agreements, if Devices are moved outside Kyocera's authorized service area, Kyocera shall have the option to charge an additional amount to have the Devices serviced in the new location. If additional equipment is installed and Kyocera deems equipment serviceable, such equipment shall automatically be added to Schedule A, and shall be considered Devices for all purposes under this Agreement.

10. CHARGES

Customer agrees to pay the total of all charges for maintenance, service, and repair during the initial term and any renewal term within 10 days of the date of Kyocera invoice for such charges. Alterations, attachments, or specification changes may require an increase in maintenance charges and Customer agrees to pay such charges promptly when due. If the Customer does not pay all charges for maintenance or parts, promptly when due: Kyocera may (a) refuse to service the equipment, or (b) furnish service on a C.O.D. "Per Call" basis at Kyocera Standard Service Rates. Overdue accounts will be charged a late payment fee, of the lesser of, 1.5% per month or the maximum allowed by law. A fee of \$25.00 will be charged for all returned checks. Customer shall be responsible for all costs and attorney fees associated with collection efforts, if any.

11. MISCELLANEOUS

- a) **Limitation of Liability.** In no event shall Kyocera be liable to Customer or any other party for any lost profits or special, incidental, or consequential damages arising out of or in connection with this Agreement.
- b) **Freight and Delivery Charges.** Kyocera may charge the Customer a freight or delivery charge for deliveries or shipments, which shall not exceed 10% of the invoice amount for the products in the applicable delivery or shipment.
- c) **Laws.** This Agreement and any amendments thereto shall be governed in accordance with the laws of the State where the services are being provided.
- d) **Assignment.** This Agreement may not be assigned by Customer without Kyocera's written consent.
- e) **Taxes.** Customer shall be responsible for and pay any and all taxes, including sales taxes, related to services under this Agreement.
- f) **Delays.** Kyocera will not be liable for any failure to perform which may be attributable to the inability to obtain raw materials, parts or supplies through usual and regular sources, delays in carriers, acts of God, governmental actions, or any other causes beyond its reasonable control.
