**RE: Congratulations on Dashboard Improvement**

**Dear Superintendent Galletti,**

Following a review of the Fall 2025 California School Dashboard, Arena Union **was not identified** for Differentiated Assistance this year. This reflects meaningful growth and continued progress in supporting all student groups—congratulations on this achievement!

Last year, Arena Elementary was identified in several areas for the following groups: English Learners, Homeless, Socioeconomically Disadvantaged, and Hispanic subgroups. While you were not reidentified this year, Differentiated Assistance is a two-year cycle and your LEA *remains* in assistance from last year's identification until Fall 2026. We will be scheduling a meeting for late January to review your progress, discuss next steps, and plan how to continue building on this success.

If you would like to review your Dashboard results or discuss ongoing areas of focus prior to our meeting, please don't hesitate to contact:
